BILLY EARTHQUAKE, ESQ.

It seems that the race, " half horse, halfalligator," is not yet quite extinct. Yesterday as we were passing by the court house, where an election was going on, a real "screamer from the knobs," about six feet four sprang out of the crowd, and rolling up his shirt sleeves, commenced the following (icade:

"This is me, if it ain't darn me, and no mistake! PROPOSALS FOR THE RALEIGH HERALD AND

N. C. MISCELLANY.

The undersigned proposes to publish, in the City of Kaleigh, a weekly newspaper, bearing the above utle, to be devoted to Morality, Agriculture, Wit News and General Literature. A Pole by birth and a citizen by adoption of this happy Republic ; having been engaged in the late arduous struggle by his native land for the recovery of her ancient, liberties, and being indissolubly wedded to the great principles of human freedom, he trusts he will not be considered presumptuous in making, as the conductor of a public press, some feeble attempts to enlighten the popular mind, and to contribute to the permanency and duration of the common happiness and welfare. And yet, when he measures his humble attainments by the exalted standard of the periodical press in this country, he is at once involved in the gloom of despondency.
