PILLS! PILLS!! PILLS!!!
HEALTH THE TRUEST RICHES.
THE CELEBRATED
Hygeian Vegetable Pills,
Can be had at the Store JOHN PRINROSE, FAYETTEVILLE STREET, RALEIGH, N. C. MOAT'S MORBON PILLS.
THE GENUINE HYGEIAN VEGETABLE UNIVERSAL MEDICINE—Accurately prepared by Dr. H. S. Moat, of New York, from the original recipe used for many years by his late father, Mr. Thomas Moat, Vice President of the British College of Health.
Twenty years' successful administration of these celebrated medicines in Europe, and more than twelve years in the United States, have established their high reputation. Thousands of both sexes, who have been restored to health—the numerous sufferers rescued from premature death—and volumes of certified cases of cure, embracing every disease in the long catalogue of human misery; must convince the most incredulous, of their superiority and the truth of the Hygeian theory, resulting from scientific research and experience, namely, that "man is subject to only one real disease—impurity of the blood."
The Medicines being composed entirely of herbs or vegetable matter, purify the blood, and carry off the corrupt humors of the body, in a manner so simple as to give every day ease and pleasure.
Man will be born to days of bliss, compared to what has hitherto been his lot, weighed down as he has been by disease, infirmities, and sufferings which no earthly power knew how to alleviate, until this discovery was presented to the world. The weak, the feeble, the infirm, the nervous, the delicate, are in a few days strengthened by their operation, and the most obstinate complaints are removed by perseverance without the expense of a Physician. Adapted to all circumstances and situations, they are the best Medicine ever invented for Families, or to take to sea, preventing scurvy and costiveness, requiring no change of diet, particular regimen, or care against taking cold.
The propensity of these medicines, has induced many speculators to attempt imposition on the public, by forging the labels, or forcing their Imitations into notice through the medium of the Press.—Some of them pretend to Hygeian principles, by stealing from the writings of the Hygeist, and copying whole pages into their false advertisements.
But as they cannot copy the medicines, their specific or their deleterious nature prove to be unavailing; their puffing and piracy become evident; disappointment to the afflicted is eventual, and with just obloquy the pretenders sink into oblivion.
The Hygeian medicines, first introduced into this country by H. S. Moat, in 1830, have for the last four years been prepared by him, and the increasing sale attests their intrinsic merit; they comprise two sorts of Pills, No. 1 and No. 2, in single boxes of each at 25 or 50 cents; and Packets containing both sorts, at \$1, \$2, or \$3. The Vegetable Cleansing Powders, in large boxes, at 37 1/2 cents, with printed directions. Each packet has a fac-simile of the signature of H. Shephard Moat, and to prevent counterfeits, are signed with a pen by the district agent and sub-agent on a label of yellow paper.
None are genuine unless they have these signatures, and are obtained from sub-agents, who can produce their written appointments from the district agent, and whose names are advertised in their respective districts.
All orders will be promptly filled at 20 per cent. less than retail prices for all sums over twenty five dollars, for cash.
Some person in every Town and Village, ought to keep this valuable medicine, for the benefit of their fellow men. One individual, sent ninety miles to procure them.
Nov. 17, 1842. 94-1y

A CARD.
I FIND in the Raleigh Register of the 13th instant, an advertisement signed by Abram Hester, in which a most unjust attack is made on my character. The attachment there spoken of, was issued by me according to law, and under advice of counsel, and the whole Public are well aware, that Mr. Hester was (until very lately) absent at the South west; that the impression with most, and belief with many, prevailed that he would not return, owing to his indebtedness here. The question whether the said Hester is liable on the evidence of debt upon which the attachment issued, is a matter the Court and Jury have to determine. I allege, that I am so advised, that it is security on the obligation, and equally liable with Lewis, the principal. As to his charges of my being a note slaver and oppressor of the poor, I shall not reply; but am willing to leave both my occupation and conduct to be judged of by those who have known me best, promising at the same time, however, that "those who live in glass houses should not cast stones," and that each at take delight in concurring others should first cast the beam from their own eyes. Let him look to his own occupation, let him comply faithfully with his own obligations, and return home a little earlier hereafter, before heavy judgments are obtained against his surities, and then perhaps, he will neither have to blame his neighbors or condemn those who may issue attachments against his property. The Public has but little interest in this controversy except so far as it will develop the true character of A. Hester. Let them see to it!

Doctor Brandreth's Pills.
THESE PILLS are so well known for a mild and effectual purgative that it is almost useless to say anything about their excellent qualities. As a general family and antibilious medicine they are without a rival. The looseness of spirits, costiveness of the bowels, to which all are more or less subject in this climate, are removed immediately by a dose of the Brandreth Pills. They are alike safe for children, as to every other period of life, and require no extra attention in diet or clothing. Their virtues may be summed up as a medicine which strengthens the feeble, and consolidates the muscles of the strong; and will be found of infinite value to females of all classes who wish to be secure from sickness.
OBSERVE—No Brandreth Pills are genuine, unless each box has upon it three labels, and on each label two signatures of Dr. Benjamin Brandreth. So that each box to be genuine must have six signatures of Dr. Brandreth upon it.
Printed directions may be had with them.
