### PILLS! PILLS!! PILLS!!!

### HEALTH THE TRUEST RICHES.

### THE CELEBRATED Hygeian Vegetable Pills,

Can be had at the Store JOHN PRIMROSE, FAYETTEVILLE STREET, RALEIGH, N. C. MOAT'S MORISON PILLS.  
THE GENUINE HYGEIAN VEGETABLE UNIVERSAL MEDICINE—Accurately prepared by Dr. H. S. Moat, of New York, from the original recipe used for many years by his late father, Mr. Thomas Moat, Vice President of the British College of Health.  
Twenty years' successful administration of these celebrated medicines in Europe, and more than twelve years in the United States, have established their high reputation. Thousands of both sexes, who have been restored to health—the numerous sufferers rescued from premature death—and volumes of certified cases of cure, embracing every disease in the long catalogue of human misery; must convince the most incredulous, of their superiority and the truth of the Hygeian theory, resulting from scientific research and experience, namely, that man is subject to only one real disease—impurity of the blood.  
The Medicines being composed entirely of herbs or vegetable matter, purify the blood, and carry off the corrupt humors of the body, in a manner so simple as to give every day ease and pleasure.  
Man will be born to days of bliss, compared to what has hitherto been his lot, weighed down as he has been by disease, infirmities, and sufferings which no earthly power knew how to alleviate, until this discovery was presented to the world. The weak, the feeble, the infirm, the nervous, the delicate, are in a few days strengthened by their operation, and the most obstinate complaints are removed by perseverance without the expense of a Physician. Adapted to all circumstances and situations, they are the best Medicine ever invented for Families, or to take to sea, preventing scurvy and catarrhes, requiring no change of diet, particular regimen, or care against taking cold.  
The propensity of these medicines, has induced many speculators to attempt imposition on the public, by forging the labels, or forcing their Imitations into notice through the medium of the Press—Some of them pretend to Hygeian principles, by stealing from the writings of the Hygeist, and copying whole pages into their fulsome advertisements.  
But as they cannot copy the medicines, their specifics or their deleterious nostrums prove to be unavailing, their puffing and piracy become evident; disappointment to the afflicted is eventual, and with just obloquy the pretenders sink into oblivion.  
The Hygeian medicines first introduced into this country by H. S. Moat, in 1830, have for the last four years been prepared by him, and the increasing sale attests their intrinsic merit; they comprise two sorts of Pills, No. 1 and No. 2, in single boxes of each at \$5, 50, and 10, and Packets containing both sorts, at \$1, 50, or \$3. The Vegetable Cleansing Powders, in large boxes, at 37 1/2 cents, with printed directions. Each packet has a fac simile of the signature of H. Shepherd Moat, and to prevent counterfeits, are signed with a pen by the district agent and sub-agent on a label of yellow paper.  
None are genuine unless they have these signatures, and are obtained from sub-agents, who can produce their written appointments from the district agent, and whose names are advertised in their respective districts.  
Principal Office, 50 Canal St., New York.  
All orders will be promptly filled at 20 per cent. less than retail prices for all sums over twenty five dollars, for cash.  
Some person in every Town and Village, ought to keep this valuable medicine for the benefit of their fellow men. One individual, sent ninety miles to procure them.  
Nov. 17, 1842. 94-1y
