HEALTH THE TRUEST RICHES. THE CELEBRATED Hygeian Vegetable Pills, Can be had at the Store John PRIMROSE,

FAYETTRVILLE STREET, RALEIGH, N. C. MOAT'S MORISON PILLS. HE GENUINE HYGEIAN VEGETABLE

UNIVERSAL MEDICINE—Accurately prepared by Dr. H. S. Moat, of New York, from the original recipe used for many years by his late father, Mr. Thomas Moat, Vice President of the British College of Health. Twenty years' successful administration of these

celebrated medicines in Europe, and more than twelve years in the United States, have established their high reputation. Thousands of both sexes, who have been restored to health-the numerous sufferers rescued from premature death-and volumes of certified cases of cure, embracing every disease in the long catalogue of human misery; must convince the most incredulous, of their superiority and the truth of the Hygeian theory, resulting from scientific research and experience, namely, that 'man is subject to only one real disease-impurity of the blood.'

The Medicines being composed entirely of herbs or successive weeks in the Raleigh Register, notifying corrupt humors of the body, in a manner so simple as

o give every day ease and pleasure. Man will be born to days of bliss, compared to what has hitherto been his lot, weighed down as he has field, on the 4th Monday of August next, then and been by disease, infirmities, and sufferings which no there to shew cause if any he has, why the prayer of earthly power knew how to alleviate, until this dis covery was presented to the world. 'The weak, the feeble, the infirm, the nervous, the delicate, are in few days strengthened by their-operation, and th most obstinate complaints are removed by perseve rance without the expense of a Physician. Adapte to all circumstances and situations, they are the bes Medicine ever invented for Families, or to take to sea, preventing scurvy and costiveness, requiring no change of diet, particular regimen, or care against ta

> The prepotency of these medicines, has indu ced many speculators to attempt imposition on the public, by forging the labels, or forcing their Imita tions into notice through the medium of the Press -Some of them pretend to Hygeian principles, by steal ing from the writings of the Hygeist, and copying whole pages into their fulsome advertisements.

But as they cannot copy the medicine, their spec fics or their deleterious nostrums prove to be unavail ng, their puffing and piracy become evident; disap pointment to the afflicted is eventual, and with jubloquy the pretenders sink into oblivion.

The Hygeian medicines, first introduced into th country by H. S. Moat, in 1830, have for the last fou years been prepared by him, and the increasing sale attests their intrinsic merit ; they comprise two sorts of Pills, No. 1 and No. 2, in single boxes of each at 25 or 50 cents; and Packets centaining both sorts, at \$1, \$2, or \$3. The Vegetable Cleansing Powders, in large boxes, at 374 cents, with printed directions. Each packet has a fac simile of the signature of H Shepheard Moat, and to prevent counterfeits, are signed with a pen by the district agent and sub-agent on a label of yellow paper.

None are genuine unless they have these signatures and are obtained from sub-agents, who can produce their written appointments from the district agent and whose names are advertised in their respective H SHEPHBARD MOAT. Principal Office, 50 Canal st.

All orders will be promptly filled at 20 per cent ess than retail prices for all sums over twenty five dollars, for cash.

Some person in every Town and Village, ought to keep this valuable medicine, for the benefit of their fellow men. One individual, sent ninety miles to procure them.

Doctor Brandreth's Pills.

FIGURE PILLS are so well known for a mild yet effectual purgative that it is almost useless to say anything about their excellent qualities. As a general family and antibilious medicine they are with-out a rival. The lowness of spirits, acute heedache, &c. &c., to which all are more or less subject in this climate, are removed immediately by a dose of the Brandreth Pill. They are alike safe for children, as to every other period of life, and require no extra attention in diet or clothing. Their virtues may be summed up as a medicine which strengthens the feeble, and consolidates the muscles of the strong; and will be found of infinite value to females of all classes

who wish to be secure from sickness. OBSERVE-No Brandreth Pills are genuine, unless each box has upon it three labels, and on each lable two signatures of Dr. Benjamin Brandreth, So that each box to be genuine must have hix signa-

tures of Dr. Brandreth upon it. Printed directions may be had with them. WILL. PECK, Agent. Raleigh, April 18, 1843.
