PILLS! PILLS! PILLS!!!
HEALTH! THE TRUEST RICHES!
THE CELEBRATED
Hygienic Vegetable Pills,
Can be had at the Store JOHN PRIMROSE, FAYETTEVILLE STREET, RALEIGH, N. C. MOAT'S MORISON PILLS.
THE GENUINE HYGIENIC VEGETABLE UNIVERSAL MEDICINE—Accurately prepared by Dr. H. S. Moat, of New York, from the original recipe used for many years by his late father, Mr. Thomas Moat, Vice President of the British College of Health.
Twenty years' successful administration of these celebrated medicines in Europe, and more than twelve years in the United States, have established their high reputation. Thousands of both sexes, who have been restored to health—the numerous sufferers rescued from premature death—and volumes of certified cases of cure, applying every disease in the long catalogue of human misery, most convince the most incredulous of their superiority and the truth of the Hygienic theory, resulting from scientific research and experience; namely, that "man is subject to only one real disease—impurity of the blood."
The Medicines being composed entirely of herbs or vegetable matter, purify the blood, and carry off the corrupt humors of the body, in a manner so simple as to give every day ease and pleasure.
Man will be slow to forsake his pleasures, and has hitherto been his lot, weighed down as he has been by disease, infirmities, and sufferings, which no earthly power knew how to alleviate, until this discovery was presented to the world. The weak, the feeble, the infirm, the nervous, the delicate, are in a few days strengthened by their operation, and the most obstinate complaints are removed by perseverance without the expense of a Physician. Adapted to all circumstances and situations, they are the best Medicine ever invented for Families, or to take to sea, preventing scurvy and costiveness, requiring no change of diet, particular regimen, or care against taking cold.
The propensity of these medicines, has induced many speculators to attempt imposition on the public, by forging the labels or foraging their Limitations in notice through the medium of the Press. Some of them pretend to Hygienic principles, by stealing from the writings of the Hygienist, and copying whole pages into their fulsome advertisements. But as they cannot copy the medicines, their specifics of their deleterious nostrums prove to be unavailing, their puffing and piracy become evident; disappointment to the afflicted is eventual, and with just obloquy the pretenders sink into oblivion.
The Hygienic medicines, first introduced into this country by H. S. Moat, in 1830, have for the last four years been prepared by him, and the increasing sale attests their intrinsic merit; they comprise two sorts of Pills, No. 1 and No. 2, in single boxes of each at \$1, \$2, or \$3. The Vegetable Cleansing Powders, in large boxes, at 37 1/2 cents, with printed directions. Each packet has a fac simile of the signature of H. Sheppard Moat, and to prevent counterfeits, are signed with a pen by the district agent and sub-agent on a label of yellow paper.
None are genuine unless they have these signatures, and are obtained from sub-agents, who can produce their written appointments from the district agent, and whose names are advertised in their respective districts.
H. SHEPPARD MOAT,
Principal Office, 50 Canal St.
All orders will be promptly filled at 20 per cent. less than retail prices for all sums over twenty five dollars, for cash.
Some persons in every Town and Village, ought to keep this valuable medicine, for the benefit of their fellow men. One individual, sent ninety miles to procure them.

HUGH LOCKY, Practical Hatter, respectfully informs the Citizens of Raleigh, and the Neighboring generally, that he has now received his Spring Stock, consisting of HATS and CAPS of every description, which he offers for sale at twenty per cent. cheaper than they can be had at any other place in this City. He is now finishing some Superior Cassimere and German Brush Hats, a little nearer than you have seen for many a day. Also, some very superior Mole Skin and Short Nap Silk Hats, which for beauty of finish, and durability, cannot be excelled. Hats will be kept constantly on hand, or manufactured to order, of every quality, price and fashion. Hats of every description, cleaned and pressed to look equal to new. Customers' Hats pressed gratis.
H. L. has taken the Shop on Fayetteville Street, recently occupied by Dr. Jerron, next door to Mr. Warren's Shoe Store, where he invites the public to call before purchasing elsewhere, if they wish to save a dollar and get a better Hat. He trusts, that by strict attention to the business, he will receive a share of the public patronage.
N. B. Cash given for Wool on the 6th, and every description of FURS.
