Doctor Brandreth's Pills.
THESE PILLS are so well known for a mild yet effectual purgative that it is almost needless to say anything about their excellent qualities. As a general family and antibilious medicine they are without a rival. The lowness of spirits, acute headache, &c. &c., to which all are more or less subject in this climate, are removed immediately by a dose of the Brandreth Pills. They are alike safe for children, as to every other period of life, and require no extra attention in diet or clothing. Their virtues may be summed up as a medicine which strengthens the feeble, and consolidates the muscles of the strong; and will be found of infinite value to females of all classes who wish to be secure from sickness.
OBSERVE—No Brandreth Pills are genuine, unless each box has upon it three labels, and on each label two signatures of Dr. Benjamin Brandreth. So that each box to be genuine must have six signatures of Dr. Brandreth upon it.
Printed directions may be had with them.

PILLS! PILLS!! PILLS!!!
HEALTH THE TRUEST RICHES.
THE CELEBRATED
Hygeian Vegetable Pills,
Can be had at the Store JOHN PRIMROSE, FAYETTEVILLE STREET, RALEIGH, N. C. MOAT'S MORISON PILLS.

THE GENUINE HYGEIAN VEGETABLE UNIVERSAL MEDICINE—Accurately prepared by Dr. H. S. Moat, of New York, from the original recipe used for many years by his late father, Mr. Thomas Moat, Vice President of the British College of Physicians.
Twenty years' successful administration of these celebrated medicines in Europe, and more than twelve years in the United States, have established their high reputation. Thousands of both sexes, who have been restored to health—the numerous sufferers rescued from premature death—and volumes of certified cases of cure, embracing every disease in the long catalogue of human misery; must convince the most incredulous of their superiority and the truth of the Hygeian theory, resulting from scientific research and experience, namely, that man is subject to only one real disease—impurity of the blood.
The Medicines being composed entirely of herbs or vegetable matter, purify the blood, and carry off the corrupt humors of the body, in a manner so simple as to give every day ease and pleasure.
Man will be born to days of bliss, compared to what has hitherto been his lot, weighed down as he has been by disease, infirmities, and sufferings which no earthly power knew how to alleviate, until this discovery was presented to the world. The weak, the feeble, the infirm, the nervous, the delicate, are in a few days strengthened by their operation, and the most obstinate complaints are removed by perseverance without the expense of a Physician. Adapted to all circumstances and situations, they are the best Medicine ever invented for Families, or to take to sea, preventing scurvy and costiveness, requiring no change of diet, particular regimen, or care against taking cold.
The propensity of these medicines, has induced many speculators to attempt imposition on the public, by forging the labels, or forcing their Imitations into notice through the medium of the Press—Some of them pretend to Hygeian principles, by stealing from the writings of the Hygeist, and copying whole pages into their fulsome advertisements.
But as they cannot copy the medicine, their specific or their deleterious nature, prove to be unavailing; their puffing and piracy become evident; disappointment to the afflicted is eventual, and with just obloquy the pretenders sink into oblivion.
The Hygeian medicines, first introduced into this country by Dr. H. S. Moat, in 1830, have for the last four years been prepared by him, and the increasing sale attests their intrinsic merit; they comprise two sorts of Pills, No. 1 and No. 2, in single boxes of each at \$1, \$2, or \$3. The Vegetable Cleansing Powders, in large boxes, at 37 1/2 cents, with printed directions. Each packet has a fac simile of the signature of H. Shepherd Moat, and to prevent counterfeits, are signed with a pen by the district agent and sub-agent on a label of yellow paper.
None are genuine unless they have these signatures, and are obtained from sub-agents, who can produce their written appointments from the district agent, and whose names are affixed in the respective districts.
Principal Office, 50 Canal St.
All orders will be promptly filled at 20 per cent. less than retail prices for all sums over twenty five dollars, for cash.
Some person in every Town and Village, ought to keep this valuable medicine, for the benefit of their fellow men. One individual, sent ninety miles to procure them.

[COMMUNICATED.]
It is with no little pleasure that we are enabled to inform the public, through the medium of your columns, that a cure has been at length discovered for the most painful and harassing of all nervous affections, Neuralgia or Tic Doloreux. The many unfortunate patients whose sufferings we have witnessed, and who are ignorant that these sufferings can be relieved by scientific means, induce us to make this communication. The number of cases already cured by Dr. STRINGFELLOW, of this City, prove conclusively the success of his practice, which is as novel as it is efficacious. His residence in the Capital of the State, will make it convenient for him to be consulted by many at a distance, who are afflicted with a disease, almost as prostrating to the mental as to the physical energies of the human system.
J.
STATE OF NORTH CAROLINA—WALKER County.—In the Court of Equity. Clerk and Master's Office, Aug. 11, 1843.
William Peace, vs. John M. Peace and others.

The Plaintiff's Bill in the above entitled cause, states in substance, that Joseph Peace of Raleigh, hath lately departed this life, intestate, unmarried, and without issue; that the plaintiff and the defendants John M. Peace and Pleasant Peace are brothers of the said Joseph; that he had in his lifetime, one other brother, named James Barr, and four sisters, Elizabeth Barr, Nancy Barr, Mary Peace and Lucy Peace, who all died many years before the said intestate; that James Barr left a daughter Nancy, intermarried with one Fuller, (whose Christian name is unknown to the plaintiff,) and resides in Shelby County, Tennessee; and that James had a son named Thomas, who is dead, leaving two children, who reside in Alabama—one a son named John G. Barr, and the other a daughter, whose name is unknown to the plaintiff. That Elizabeth Barr was twice married; by her first husband, one William Potter, she had issue two children, Robert and Margaret, who are believed to be dead without issue. And by her second husband, Dr. Miles King, she had issue four sons, John, Edmund, Alexander and William, all of whom are dead—the three last named, in the belief of the plaintiff, without issue; and John, leaving a son, Leonidas King, residing in Alabama or Tennessee and the plaintiff believes, other children, but if so, their names are unknown to him. And she had also four daughters, Julia, who intermarried with one Piggew (now deceased,) and who is residing a widow in Pontotoc, Mississippi; Harriet, now the wife of one Harman, whose christian name is unknown to the plaintiff, residing in Monroe County, Georgia. Mary, now the wife of one Minton, whose Christian name is also unknown—residing in Marshall County, Mississippi; and Elizabeth, now the widow of one Cooke, and residing in Pickens County, Alabama; that Nancy Barr died leaving issue in North Carolina; that Mary Peace intermarried with Isaac Kittell, and removed to Alabama, where she left issue one daughter, Harriet, married to some one, whose name is wholly unknown to the plaintiff—but that Mary had other children, who are dead, but whether with or without issue, is unknown to the plaintiff; that Lucy Peace intermarried with Lewis Lemay, and (besides other issue) had a son named John P. Lemay, now of Deoto County, Mississippi.
And the said Bill further shews that the said Plaintiff and the said John M. Peace and Pleasant Peace, with the issue of the said deceased brother and sisters of the said intestate, are his heirs at law; that the Plaintiff and the Intestate in his lifetime were partners under the firm of "Joseph and William Peace," and, as such, were seized in fee simple of divers Lots and Tracts of Land in Raleigh, and in the Counties of Wake and Granville, and which are particularly described in the said Bill, which are a clear surplus of the said partnership-effects, of which the said Plaintiff in his own right, is entitled to one moiety, and with the said living brothers, and the issue of the said deceased brother and sisters, of the said Intestate, is entitled, as between them to be divided according to their several interests. And the scope and prayer of the Bill for certain reasons therein set forth is for the sale of the said Lots and Tracts of Land, in order that the proceeds of such sale may be divided in lieu of actual partition.
And the Plaintiff, having this day filed his said Bill, in the office of the said Court, and supported the same by his affidavit, in writing, I, Perrin Busbee, Clerk and Master of the said Court do, at the desire of the said Plaintiff, and according to the Act of Assembly in such case made, by this advertisement, to be six weeks inserted in the Raleigh Register, hereby notify and warn the said Julia Piggew, the said Minton and Mary his wife, the said Harman and Harriet his wife, the said Elizabeth Cooke, the said Leonidas King, the said Fuller and Nancy his wife, the said John G. Barr, the said Harriet, daughter of the said John P. Lemay, as well as all other persons not residents of the State of North Carolina, who may have or claim any interest in the premises, to appear before the Judge of the said Court of Equity, at the Court to be held at the Court House in Raleigh, on the first Monday after the fourth Monday of September next, and plead, answer or demur to the said Bill, otherwise the same will be taken as confessed by them respectively, and to be heard &c. &c.
Witness, the said Perrin Busbee, Clerk and Master of the said Court, the 11th August 1843.
