Hygeian Vegetable Pills, Can be had at the Store JOHN PRIMROSE, FAYETTRVILLE STREET, RALEIGH, N. C. MOAT'S MORISON PILLS.

THE GENUINE HYGEIAN VEGETABLE LUNIVERSAL MEDICINE-Accurately prepared by Dr. H. S. Moat, of New York, from the original recipe used for many years by his late father, Mr. Thomas Moat, Vice President of the British College of Health.

Twenty years' successful administration of these celebrated medicines in Europe, and more than twelve years in the United States; have established their high reputation. Thousands of both sexes, who have been restored to health-the numerous sufferers rescued from premature death-and volumes of certified cases of cure, embacing every disease in the long catalogue almost as prostrating to the mental as to the physical of human misery; must convince the most incredulous, of their superiority and the truth of the Hygeian theory, resulting from scientific research and experience, namely, that man is subject to only one real disease-impurity of the blood.'

The Medicines being composed entirely of herbs or vegetable matter, purify the blood, and carry off the corrupt humors of the body, in a manner so simple as

to give every day ease and pleasure. Man will be born to days of bliss, compared to what states in substance, that Joseph l'eace of Raleigh. has hitherto been his lot, weighed down as he has hath lately departed this life, intestate, unmarried, and been by disease, infirmities, and sufferings which no without issue : that the plaintiff and the defendants earthly power knew how to alleviate, until this dis- John M. COMMUNICATED.] It is with no little pleasure that we are enabled to nform the public, through the medinm of your columns, that a cure has been at length discovered for the most painful and harassing of all nervous affections, Neuralgia or Tie Deloreux. The many unfortunate patients whose sufferings we have witnessed, and who are ignorant that those sufferings can be relieved by scientific means, induce us to make this communition. The number of cases already cured by Dr. STRINGFELLOW, of this City, prove conclusively the success of his practice, which is as novel as it is effi cacious. His residence in the Capital of the State, will make it convenient for him to consulted by many at a distance, who are afflicted with a disease.
