The undersigned takes great pleasure in informing the patrons and friends of the School and the public generally, that he has rented the large and commod ous building formerly occupied by Mrs. Jenkins as a Boarding House, situated immediately opposite to the Academy, and that he will, by this means, be enabled to board as many Students as may be sent to the village from a distance. It is desirable that all Boys, who have no near relatives in the Town or its vicinity. shall board with the Principal, upon whom devolves the great responsibility of preserving the morals of the Students. It is confidently hoped that the well established character of Warrenton for health, its contiguity to the lower regions of Virginia and North Caroli na, its facility of access by the Rail Road, the long experience of the Teacher in the profession to which he devotes his undivided time and attention, the reasonable terms of the Institution, and the high order of morals enforced, will all combine to secure to the School a large and generous patronage. For any information in relation to the professional standing of the Principal, he would most respectfully refer gentle men to the Trustees of this Institution, as well as to those of the Scotland Neck and Northampton Academies, in which he has taught for the last thirteen R.
