Trust Sale OF VALUABLE LAND AND SLAVES.

BY virtue of a deed of trust executed to me by Lemuel M. Morgan, on the 12th March, 1842, duly recorded and registered, I will proceed to sell to the highest dder, on the premises, on Friday the 7th of June next, (the day after the annual commencement of the University,) the valuable Tract of Land on which the said Lemuel M. Morgan now resides, containing nine hundred and thirty five acres, more or less. There is no difficulty in pronouncing this to be among the most fertile and valuable tracts of land in the county of Orange; and there are in the State few residences combining equal advantages of health, beauty of situation, contiguity of good society, and a literary institution of high character. The tract corners within a few hundred yards of the village of Chapel Hill, and includes about four hundred acres of excellent low grounds on Bolden's creek. The Dwelling House is hardsomely situated about a mile from the village, and is, together with a good Barn, Kitchen, Dairy and other houses, in a good state of

At the same time and place, and for the same pur poses, I will sell a valuable Female Servant, who is an experienced cook, and her two Children.

The terms, which will probably be accommodating at least in part, will be made known on the day of sale. The title is undoubted, but of course I convey as trustee only.

ILAI W. NUNN, Trustee. Chapel Hill, April 8.
