STEAMBOAT AND RAIL ROAD
To the Virginia Springs—night travelling avoided.

TRAVELLERS are hereby informed, that their easiest, most pleasant and most expeditious route to the Virginia Springs, Natural Bridge, &c. is by the Greenville and Foursburg Rail Roads to Richmond, thence by the Richmond and Fredericksburg and Louisa Rail Roads to Charlottesville and Staunton, the whole amount of Staging from the termination of the Louisa Rail Road to Charlottesville being but twenty, and to Staunton, sixty miles, over an excellent road, passing in sight of Monticello and by the celebrated University of Virginia, and through some of the most beautiful scenery in the State.
Travellers by this route reach the Warm Springs on the evening of the first day, and the White Sulphur Springs on the second day after leaving Richmond, stopping to lodge each night at good Inns on the route. The Stage Proprietors on this line are pledged to the Rail Road Companies to have Coaches provided, equal to the largest number of passengers which can offer; and that Travellers wishing to go to the White Sulphur Springs by way of the Natural Bridge shall be taken on without detention or night travelling, or may have extra coaches to travel at pleasure, if they should prefer it.

TO THE NORTH—Daily Line.

Notice to Travellers going North, via Portsmouth and R. R. Road and Bay Line Steamers.

WE would respectfully state to the travelling public, that we are disposed, and will carry them as cheap as any other line, to Portsmouth or Baltimore.
Our Road is run over with as much success as any in the country—our Boats on the Bay are of the first class, and commanded by experienced and attentive officers; the Stages and Teams (between Sledge and Weldon, 14 miles) are good—drivers obliging, and the road a good one; and the traveller may rest assured nothing will be wanting on our part to make their trip pleasant and safe.
We shall not be governed by what may be charged the traveller from Gaston to Baltimore, but what he is charged from Weldon.
Fare at present from Sledge's to Baltimore, \$8, (meals included on the Bay Boats.)
Should any further reductions be made by our opponents, with a view to divert the travel from this comfortable and expeditious route, we ask the travel to come over to Weldon, and they will only be charged from Sledge's what others pay from this place.
Our not defaming the upper route, I am satisfied, will not do violence to the feelings of the travelling community. We cannot play such a game. Such means to secure patronage is not sanctioned by the Company.
Passengers are guarded against getting Tickets in Raleigh through to Petersburg—as if they should change their route after leaving Raleigh, they must do so at a sacrifice of amount paid to carry them from Gaston to Petersburg.
Fare from Sledge's to Portsmouth, \$5 00
Fare from Sledge's to Portsmouth and return in four days.
