TO SOUTHERN TRAVELLERS.

The Proprietors of the Stage Lines from Columbia, S. C. to Raleigh, N. C. and the Raleigh & Gaston Rail Road Company, take this method of informing the public, that they have reduced the fare for all through Passengers taking their route, to the following rates—
Columbia to Gaston. \$17.00
Camden to do. 16.00
Cheraw do. 12.00
Fayetteville do. 6.00
Intermediate points, South of Fayetteville, in the same proportion.
The above rates are considerably less than by any other route, and the same expedition is afforded.
Passengers leaving any of the above mentioned points, and taking this route, arrive at the Junction, eighteen miles North of Weldon, before those by any other line.
Travellers are particularly cautioned against believing the slanderous reports circulated by interested persons against the Raleigh & Gaston Rail Road, having undergone extensive repairs, and great improvement, in its machinery and Coaches within the last year, it is passed over with as much ease and safety as any road in the country.
Persons, desirous of taking the Stage Coach and Bay route to Baltimore, can do so by taking the Stage Coach to the Portmouth, and passing over to line at Stroz's (near Gaston), where they will find Weldon, a distance of twelve miles, where they will connect with the Trains on the Portsmouth and Weldon Rail Road. No additional charge is made for the Stage route, as Passengers are taken from Stroz's to Baltimore, at the same price as from Weldon.

Important Discovery!

Richardson & Co.'s Celebrated American Panacea.

This article is all compounded from Vegetable matter, free from any adulteration, and warranted free from any ingredient detrimental to health.
It is the most valuable discovery ever made from the Vegetable kingdom, having never failed in a single instance (when taken in accordance with directions) to effect a cure of the following diseases, to-wit: Scurvy, Scrophulous, Ulcerated Scrophulous, Bronchitis, Fever Sore, King's Evil, Piles, Inflammation and Chronic Rheumatism, Fits, Bites, Erysipelas, Scurvy, Chronic Sore Eyes, Pains in the Joints, Scald Head, Blotches or Pimples on the face, and all cutaneous diseases, Eruptions of the skin, or pains or ulcers arising from an injudicious use of Mercury, or an impure state of the blood.
The curative properties of this Medicine consist in its producing a sure and effectual alterative of the whole system. In slight eruptions of the skin, or in contracted diseases, one small bottle often effects the cure, while the experience of those who have been cured by it, of long standing and obstinate diseases, is, that it requires from three to four large bottles to effect a perfect cure, and no return of the disease. It usually produces a tonic effect, while (in most cases) it also acts as a gentle cathartic, increasing the appetite and general health of the patient, causing all sores, or ulcers, to discharge more profusely than before taking it, and inducing a perfectly healthy action of the blood. Enough must be taken to effect an alterative, and as is the case, with all Medicines, its effects will vary, as the several constitutions differ from each other. Therefore, those using it should not distrust its efficacy if they do not receive immediate benefit. It is prepared with great care, and the extracts brought into so small a compass as to require, usually, but one table spoonful each day for an adult.
It is now in use by the first Physicians in the country, and pronounced by them the best anti-mercurial medicine known; and the most efficacious in the cure of all cutaneous and scrophulous affections. The cures effected by it are truly astonishing, as may be seen by reference to the certificates and testimonials in possession of all the Agents. It has been found peculiarly efficacious in producing regularity of the Menstrue in Females, and has been taken with great benefit in pulmonary diseases.
Those in the use of it should abstain from stimulating drinks, Beer, Mustard, and all highly seasoned Food. To be obtained, at wholesale, of T. G. & C. TALMAGE, General Agent, No. 20, Pine Street, opposite the Custom House, New York, and at retail of W. M. PECK, Special Agent, Raleigh, N. C. where Certificates of very happy cures may be seen.

VALUABLE LAND FOR SALE.

The Subscriber, being determined to migrate to the South or West, proposes to sell on very easy terms the Tract of LAND on which he now lives, containing four hundred and thirty acres. The Tract lies in Nash county, within one mile of the Franklin line, adjoining the lands of Gaston Perry, William E. Williams and others. The land is well adapted to the culture of Cotton, Corn and Tobacco, having sufficient cleared land on it to work ten hands to advantage; nearly 200 acres lie in woods which is of the very best quality, there being about one hundred acres of Tar River low grounds, very fertile, and lying in ridges, so that the bottoms only are subject to be destroyed by inundation, which is not very often; most of the cleared land is fresh, and the plantation in good repair, well watered, and the buildings comfortable. But the best of all yet; a very valuable GOLD MINE has recently been discovered on the premises, by a very experienced miner; and I have obtained in a pan particles weighing from four to twenty-one grains, and many smaller ones in any branch on the Tract, and yet the Subscriber will sell low and give good time. He will either take Negroes, sell on a credit of one, two, and three years with good security, or he will exchange with any gentleman who owns land in either Alabama, Tennessee, (Western District) Missouri, Arkansas, Florida or Texas. Come and see for yourselves.

Valuable Property for Sale.

The Subscriber, desirous to remove his Printing materials and carry on his business in the neighborhood of the City, early in the ensuing year, offers for sale the Houses and Lot on Hillsboro' Street, where he at present resides. The principal house has 12 rooms, besides the two rooms used as a Printing Office, and Editor's office, the largest of which would be an excellent dining room, or could be converted into several sleeping rooms. The situation (as is well known here) is in the most pleasant part of the city, and the premises are admirably fitted for a Ladies' and Family Boarding House, for summer, and for public accommodation during the winter and session of the General Assembly. The cellar of the house is lathed and plastered; there is a new brick kitchen; an excellent well of water; good stables, carriage house, &c. &c. The price will be moderate; a small part of the purchase money will be required when the title is given, and for the balance a credit of one, two and three years will be allowed if desired, on bonds bearing interest from the delivery of property, with satisfactory security.
ALSO,
The House and lot contiguous to the above, formerly belonging to Capt. Hunter's Estate. There is a good two story House on the premises, with stable and all necessary out-houses. This is a very pleasant and desirable family residence, and will be sold low and on very accommodating terms.
Should both or either of the above places remain unsold till the first of January next, they will be offered for rent.

TO COUNTRY MERCHANTS.

THOMAS AND CHARLES ELLIS,
Importers of Dry Goods, Hardware, Cutlery and Guns;
106 MAIN STREET,
RICHMOND, VIRGINIA.

RESPECTFULLY inform the Merchants of

North Carolina, that they are now about receiving direct from England, by the Ships "Rob Roy," Richard Anderson and others, the most beautiful assortment of HARDWARE, CUTLERY & DRY GOODS, ever before offered in this market.— They now have made extensive arrangements for importing all their Foreign Goods direct to James River. They are all purchased in England for Cash, during the dull seasons there, when the Markets are depressed. As they import all their own goods, and have no recourse to Northern Markets for their supplies, they have both the Importer's and Jobber's profit, and can therefore sell very low indeed to good and punctual customers. They are well aware that a strong prejudice exists against Richmond; but they pledge themselves to sell as low, and be content with as small profit, as any respectable Importing House North, and beg the public to call and examine their Stock throughout, as it contains every article usually sold by Hardware and Dry Goodsmen.

Short-horned Durham and North-Devon Cattle.

The Subscriber has the above stock of Cattle for sale, among which are from 15 to 20 Devon Cows, in Calf by a fine half Devon and half Durham Bull.
Also, several fine Devon Heifers, some in Calf. Also, 2 or 3 very fine half Durham and half Devon Bull Calves, got by one of the finest Durham Bulls ever raised in the United States. His ancestors, on both sides, have taken the first premiums for Milk, Butter, beauty, size, &c. at the Cattle shows at the North. I have certificates in my possession to prove these facts, ready for the inspection of any person who may wish to see them. The price of the above Cattle will be very cheap—cheaper than you can buy them at the North, and there is no risk to run in their being acclimated. They will be ready to deliver in November next, that being the best time to remove them. The Bull Calves will be fit for service in May or June next. The price of the Bulls will not exceed \$50 dollars each. The Cows in Calf, and Heifers, will be less, say from \$25 to \$30 each. I have been improving my stock of cattle for 15 years, and think I now have, in the Devon and Durham, the best stock of Cattle for the practical farmer in America. And while my neighbors have been selling their Cows and Calves for 10 or \$12, I have been selling (to good judges) my half Devon Cows and Calves for 25 to \$30. Col. Yarborough, Proprietor of the Eagle Hotel, Raleigh, N. C. has purchased half Devon Cows of me, and can inform those, who may wish to know, as to their milking properties, &c.
