TO COUNTRY MERCHANTS. THOMAS AND CHARLES ELLIS, Importers of Dry Goods, Hardware, Cutlery and

Guns:

106 MAIN STREET. RICHMOND, VIRGINIA. RESPECTFULLY inform the Merchants of North Carolina, that they are now about reconving, direct from England, by the Ships "Rob Roy," Richard Anderson and others, the most beautiful Assortment of HARDWARE, CUTLERY & DRY GOODS, ever before offered in this market -They now have made extensive arrangements for im

porting all their Foreign Goods direct to Jumes River. They are all purchased in England for Cash, during the dull seasons there, when the Markets are depressed. As they import all their own goods, and have no recourse to Northern Markets for their supplies, they have both the Importer's and Jobber's profit, and can therefore sell very low indeed to good and punctual customers. They are well aware that a strong prejudice exists against Richmond; but they pledge themselves to sell as low, and be content with as small profit, as any respectable Importing House North, and beg the public to call and examine their Stock throughout, as it contains every article usually sold by Hardware and Dry Goodsmen.
