VALUABLE LAND FOR SALE.

THE Subscriber, being determined to migrate to the South or West, proposes to sell on very easy terms the Tract of LAND on which he now lives, containing four hundred and thirty acres. The Tract lies in Nash county, within one mile of the Franklin line, adjoining the lands of Gustin Perry, William B. Williams and others. The land is well adapted to the culture of Cotton, Corn and Tobacco, having sufficient cleared land on it to work ten hands to advantage; nearly 3 hundred acres lie in woods which is of the very best quality, there being about one hundred acres of Tar River low grounds, very fertile, and lying in ridges, so that the bottoms only are subject to be destroyed by inundation, which is not very often; most of the cleared land is fresh, and the plantation in good repair, well watered, and the buildings comfortable. But the best of all yet; a very valuable GOLD MINE has recently been discovered on the premises, by a very experienced miner; and I have obtained in a pan particles weighing from four to seventy-one grains, and many smaller ones in any branch on the Tract, and yet the Subscriber will sell low and give good time. He will either take Negroes, sell on a credit of one, two, and three years with good security, or he will exchange with any gentleman who owns land in either Alabama, Tennessee, (Western District) Missouri, Arkansas, Florida or Texas. Come and see for yourselves.
LOUIS P. DUNN.

The Plantation is in good repair, and in an improved and improving condition, being in a superior state for the cultivation of Tobacco and Grain. The improvements consist of a large two story Dwelling House, with every convenient out house, tobacco barns, &c.

ALSO,
Hartsville, containing 315 acres, immediately adjacent to Oxford. There is in a state of being built upon this Tract, a Dwelling of the largest dimensions, and in the neatest style of architecture, located immediately overlooking the town, within a half mile of the Court House, which the Subscriber designs completing in the course of the year, and which he is willing to contract with the purchaser to complete in that time. These Tracts are all contiguous, but may be cultivated separately, or they may be consolidated, and cultivated by one individual. They are located in a region of country than which there is none more healthy, and in the midst of a society unsurpassed for intelligence, refinement and high moral excellency. TO COUNTRY MERCHANTS.
THOMAS AND CHARLES ELLIS,
Importers of Dry Goods, Hardware, Cutlery and Linens;
106 MAIN STREET,
RICHMOND, VIRGINIA.

RESPECTFULLY inform the Merchants of North Carolina, that they are now about receiving, direct from England, by the Ships "Rob Roy," Richard Anderson and others, the most beautiful Assortment of HARDWARE, CUTLERY & DRY GOODS, ever before offered in this market.—They now have made extensive arrangements for importing all their Foreign Goods *direct to James River.* They are all purchased in England for Cash, during the dull seasons there, when the Markets are depressed. As they import all their own goods, and have no recourse to Northern Markets for their supplies, they have both the Importer's and Jobber's profit, and can therefore *sell very low indeed* to good and punctual customers. They are well aware that a strong prejudice exists against Richmond; but they pledge themselves to sell as low, and be content with as small profit, as any respectable Importing House North, and beg the public to call and examine their Stock throughout, as it contains every article usually sold by Hardware and Dry Goodsmen.

TO THE NORTH—*Daily Line.*

Notice to Travellers going North, *via* Portsmouth and R. R. Road and Bay Line Steamers.

WE would respectfully state to the travelling public, that we are disposed, and will carry them as cheap as any other line, to Portsmouth or Baltimore.
Our Road is run over with as much success as any in the country—our Boats on the Bay are of the first class, and commanded by experienced and attentive officers; the Stages and Teams (between Sledges and Weldon, 14 miles,) are good—drivers obliging, and the road a good one: and the traveller may rest assured nothing shall be wanting on our part to make their trip pleasant and safe.
We shall not be governed by what may be charged the traveller from Gaston to Baltimore, but what he is charged from Weldon.
Fare at present from Sledges' to Baltimore, $9, (meals included on the Bay Boats.)
Should any further reductions be made by our opponents, with a view to divert the travel from this comfortable and expeditious route, we ask the travel to come over to Weldon, and they will only be charged from Sledges' what others pay from this place.
Our not defaming the upper route, I am satisfied, will not do violence to the feelings of the travelling community. We cannot play such a game. Such means to secure patronage is not sanctioned by the Company.
Passengers are guarded against getting Tickets in Raleigh *through to Petersburg*—as if they should change their route after leaving Raleigh they must do so at a sacrifice of amount paid to carry them from Gaston to Petersburg.

Fare from Sledges' to Portsmouth,	$5 00
Fare from Sledges' to Portsmouth and return in four days,	$7 50

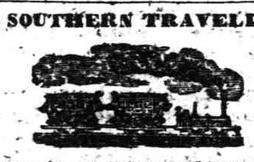
TO SOUTHERN TRAVELLERS.



THE Proprietors of the Stage Lines from Columbia, S. C. to Raleigh, N. C. and the Raleigh & Gaston Rail Road Company, take this method of informing the public, that they have reduced the fare for all *through* Passengers taking their route, to the following rates—to wit:

Columbia to Gaston,	$17,00
Camden to do	16,00
Cheraw do	12 00
Fayetteville do	6,00

Intermediate points, South of Fayetteville, in the same proportion.
The above rates are considerably less than by any other route, and the same expedition is afforded.
Passengers leaving any of the above mentioned points and taking this route, arrive at the Junction eighteen miles North of Weldon, before those by any other line.
☞ Travellers are particularly cautioned against believing the slanderous reports circulated by interested persons against the Raleigh & Gaston Rail Road. Having undergone extensive repairs, and great improvements in its machinery and Coaches within the last year, it is passed over with as much ease and safety as any road in the country.
Persons, desirous of taking the Portsmouth and Bay route to Baltimore, can do so by taking the Stage line at SLEDGE'S (near Gaston) and passing over to Weldon, a distance of twelve miles, where they will connect with the Trains on the Portsmouth and Roanoke Rail Road. ☞ No additional charge is made for the Stage route, as Passengers are taken from SLEDGE'S to Baltimore, at the same price as from Weldon.
