Print-Warehouse,
IN NEW YORK,
To supply the City and Interior Trade, by the Piece or Package.
REMOVED
From 113 Pearl Street, to
44 CEDAR STREET,
NEAR WILLIAM STREET.

LEE & BREWSTER give notice to the Dealers in Dry Goods, that they have removed their Warehouse for Printed Calicoes, exclusively, from Pearl to 44 Cedar Street. By confining their attention to Prints only, L. & B. are enabled to exhibit an assortment far surpassing any ever before offered in America—and to sell at prices as low, and generally lower, than houses whose attention is divided among a large variety of articles.
The Stock consists of several thousands of Patterns and Colorings, embracing every variety of American and Foreign Prints.
In market—many styles of which are got up exclusively for their own sale, and cannot be had elsewhere, except in second hands.
Dealers in Prints will find it for their interest to examine this Stock before making their purchases—they will have the advantage of learning the lowest market prices—and comparing all the desirable styles in market side by side.
Catalogues of Prices, corrected with every variation of the Market, are placed in the hands of buyers.

N. B. Beds and bedsteads are furnished by the School; pupils are required to furnish their own bedding and towels. The clothing of pupils should be distinctly marked with the owner's name in full.— Mrs. Smedds will entertain any purchases parents may authorize their children to make in the City, but no account will be opened at any Store without the express sanction of parents, or guardians. The religious services of Sundays being held in the Chapel of the Institution by the Rector, pupils have rarely occasion to visit the City, and the plainest attire is all that they require. Extravagance in dress is opposed to the principles and practice of the School, and persons, who entrust the care of their children's wardrobe, entirely to the discretion of the Rector and his assistants will never have occasion to complain on this subject.
Pupils are allowed to accept invitations in the City, for the day, only once a month; and never for the evening. They have opportunities of seeing their friends at the stores, which are steadily held during the Session.

Short-horned Durham and North-Durham Cattle.—The Subscriber has the above stock of Cattle for sale, among which are from 15 to 20 Devon Cows, in Calf by a fine half Devon and half Durham Bull.
Also, several fine Devon Heifers, some in Calf.
Also, 2 Devon Bulls, now fit for service.
Also, 8 or 10 very fine half Durham and half Devon Bull Calves, got by one of the finest Durham Bulls ever raised in the United States. His ancestors, on both sides, have taken the first premiums for Milk, Butter, beef, &c. at the Cattle shows at the North. I have certificates in my possession to prove these facts, ready for the inspection of any person who may wish to see them. The price of the above Cattle will be very cheap—cheaper than you can buy them at the North, and there is no risk in their being acclimated. They will be ready to deliver in November next, being the best time to remove them. The Bull Calves will be fit for service in May or June next. The price of the Bulls will not exceed \$50 dollars each. The Cows in Calf, and Heifers, will be less, say from \$25 to \$30 each. I have been improving my stock of cattle for 15 years, and think I now have, in the Devon and Durham, the best stock of Cattle for the practical farmer in America. A full list of Cattle for sale have been selling their Cows as good Calves for 10 or \$12, I have been selling (to good judges) my half Devon Cows and Calves for 25 to \$30. Col. Yardborough, Proprietor of the Eagle Hotel, Raleigh, N. C. has purchased half Devon Cows of me, and can inform those, who may wish to know, as to their milk-producing qualities.

WE would respectfully state to the travelling public, that we are disposed, and will carry them as cheap as any other line, to Portsmouth or Baltimore.
Our Road is run over with as much success as any in the country—our Boats on the Bay are of the first class, and commanded by experienced and attentive officers; the Stages and Teams (between Weldon and Weldon, 14 miles) are good—drivers obliging, and the road a good one; and the traveller may rest assured nothing shall be wanting on our part to make his trip pleasant and safe.
We shall not be governed by what may be charged the traveller from Gaston to Baltimore, but what he is charged from Weldon.
Fare at present from Sledge's to Baltimore, \$9, (meals included on the Bay Boats).
Should any further reductions be made by our opponents, with a view to divert the travel from this comfortable and expeditious route, we ask the travel to come over to Weldon, and they will only be charged from Sledge's what others pay from this place.
Our not defaming the upper route, I am satisfied, will not do violence to the feelings of the travelling community. We cannot play such a game. Such means to secure patronage is not sanctioned by the Company.
Passengers are guarded against getting Tickets in Raleigh through to Petersburg—as if they should change their route after leaving Raleigh, they must do so at a sacrifice of amount paid to carry them from Gaston to Petersburg.
Fare from Sledge's to Portsmouth, \$5 00

TO SOUTHERN TRAVELLERS.
THE Proprietors of the Stage Lines from Columbia, S. C. to Raleigh, N. C. and the Raleigh & Gaston Rail Road Company, take this method of informing the public, that they have reduced the fare for all through Passengers taking their route, to the following rates—to wit:
Columbia to Gaston, \$17 00
Camden to do, 16 00
Cheraw do, 12 00
Fayetteville do, 6 00
Intermediate points, South of Fayetteville, in the same proportion.
The above rates are considerably less than by any other route, and the same expedition is afforded.
Passengers leaving any of the above mentioned points and taking this route, arrive at the Junction, eighteen miles North of Weldon, before those by any other line.
Travellers are particularly cautioned against believing the slanderous reports circulated by interested persons against the Raleigh & Gaston Rail Road. Having undergone extensive repairs, and great improvements in its machinery and Coaches within the last year, it is passed over with as much ease and safety as any road in the country.
Persons, desirous of taking the Portsmouth and Bay route to Baltimore, can do so by taking the Stage line at Sledge's (near Gaston) and passing over to Weldon, a distance of twelve miles, where they will connect with the Trains on the Portsmouth and Roanoke Rail Road. No additional charge is made for the Stage route, as Passengers are taken from Sledge's to Baltimore, at the same price as from Weldon.
Travellers going South will be taken at the same rates between any of the points above mentioned. Those wishing through tickets going South, can procure them at the Office of the Petersburg Rail Road Company, Petersburg, Va., or on the Raleigh and Gaston Rail Road.
B. L. McLAUGHLIN, Stage Proprietor.
