Print Warehouse,

IN NEW YORK,
To supply the City and Interior Trade, by the Piece or Package,
REMOVED
From 113 Pearl Street, to
44 CEDAR STREET,
NEAR WILLIAM STREET.

LEE & BREWSTER give notice to the Dealers in DRY GOODS, that they have removed their Warehouse for Printed Calicoes exclusively, from Pearl to 44 Cedar Street. By confining their attention to Prints only, L. & B. are enabled to exhibit an assortment far surpassing any ever before offered in America—and to sell at prices as low, and generally lower, than houses whose attention is divided among a large variety of articles.
The Stock consists of several thousands of Patterns and Colorings, embracing every variety of American and Foreign Prints.
In market—many styles of which are got up exclusively for their own sales, and cannot be had elsewhere, except in second hands.
Dealers in Prints will find it for their interest to examine this Stock before making their purchases—they will have the advantage of learning the lowest market prices—and comparing all the desirable styles in market side by side.
Catalogues of Prints, corrected with every variation of the Market, are placed in the hands of buyers.

N. B. Beds and bedsteads are furnished by the School; pupils are required to furnish their own bedding and towels. The clothing of pupils should be distinctly marked with the owner's name in full—Mrs. Smedes will superintend any purchases parents may authorize their children to make in the City, but no account will be opened at any Store without the express sanction of parents, or guardians. The religious services of Sundays being held in the Chapel of the Institution by the Rector, pupils have rarely occasion to visit the City, and the plainest attire is all that they require. Extravagance in dress is opposed to the principles and practice of the School, and parents, who entrust the care of their children's wardrobe, entirely to the discretion of the Rector and his assistants, will never have occasion to complain on this subject.
Pupils are allowed to accept invitations in the City, for the day, only once a month; and never for the evening. They have opportunities of seeing their friends at the sabbaths, which are steadily held during the Session.

THE pocket money of Pupils must be placed in the hands of the Rector. In making purchases for their children, parents will have respect to the following regulations: The ordinary dress of Pupils, in Winter, will consist of such articles of Merino Mouslin de Laine, Ullin, or Gingham, of dark colors, as they may have in their possession. The dress of the School, to be used on Sundays and other special occasions, must be of Merino, or Mouslin de Laine, of a dark blue color, made without trimming. The dress for the Soirees must be of blue or pink ribbon, with no other ornament than a white or pink ribbon. Bonnets must be of straw, with a dark blue ribbon. The only airy dress for Summer, may be of Calico or Gingham; the dress for Sunday, of plain white Cambric, Lace in any form, Artificial Flowers, and Jewels of any description, are entirely forbidden.

TOTHE NORTH—Daily Line.

Notice to Travellers going North, via Portsmouth and R. R. Road and Bay Line Steamers.

WE would respectfully state to the travelling public, that we are disposed, and will carry them as cheap as any other line, to Portsmouth or Baltimore.

Our Road is run over with as much success as any in the country—our Boats on the Bay are of the first class, and commanded by experienced and attentive officers; the Stages and Teams (between Weldon and Weldon, 14 miles) are good—drivers obliging, and the road a good one; and the traveller may rest assured nothing shall be wanting on our part to make their trip pleasant and safe.
We shall not be governed by what may be charged the traveller from Gaston to Baltimore, but what he is charged from Weldon.
Fare at present from Sledges' to Baltimore, \$9, (meals included on the Bay Boats.)
Should any further reductions be made by our opponents, with a view to divert the travel from this comfortable and expeditious route, we ask the travel to come over to Weldon, and they will only be charged from Sledge' to Weldon, and others pay from this place.
Our not defaming the upper route, I am satisfied, will do violence to the feelings of the travelling community. We cannot play such a game. Such means to secure patronage is not sanctioned by the Company.
Passengers are guarded against getting Tickets in Raleigh through to Petersburg—as if they should change their route after leaving Raleigh, they must do so at a sacrifice of amount paid to carry them from Gaston to Petersburg.
Fare from Sledge' to Portsmouth, \$5 00
Fare from Sledge' to Portsmouth and return in four days, \$7 50
W. W. MOODY, Jr., Agent,
Office Portsmouth & R. R. Road Co.,
Weldon, N. C. July 1st, 1844. 54

TO SOUTHERN TRAVELLERS.

THE Proprietors of the Stage Lines from Columbia, S. C. to Raleigh, N. C. and the Raleigh & Gaston Rail Road Company, take this method of informing the public, that they have reduced the fare for all through Passengers taking their route, to the following rates—to-wit:

Columbia to Gaston, \$17.00
Gaston to Raleigh, 16.00
Cheraw do, 12.00
Fayetteville do, 6.00
Intermediate points, South of Fayetteville, in the same proportion.
The above rates are considerably less than by any other route, and the same expedition is afforded.
Passengers leaving any of the above mentioned points and taking this route, arrive at the Junction, eighteen miles North of Weldon, before those by any other line.
Travellers are particularly cautioned against believing the slanderous reports circulated by interested persons against the Raleigh & Gaston Rail Road. Having undergone extensive repairs, and great improvements in its machinery and Coaches within the last year, it is passed over with as much ease and safety as any road in the country.
Persons, desirous of taking the Portsmouth and Bay route to Baltimore, can do so by taking the Stage line at Sledge's (near Gaston) and passing over to Weldon, a distance of twelve miles, where they will connect with the Trains on the Portsmouth and Roanoke Rail Road. No additional charge is made for the Stage route, as Passengers are taken from Sledge's to Baltimore, at the same price as from Weldon.
Travellers going South will be taken at the same rates between any of the points above mentioned. Those wishing through tickets going South, can procure them at the Office of the Petersburg Rail Road Company, Petersburg, Va., or on the Raleigh and Gaston Rail Road.

Short-horned Durham and North-Devon Cattle.

The Subscriber has the above stock of Cattle for sale, among which are 15 to 20 Devon Cows, in Calif. by a fine bull from North Devon, some in Calf. Also, several fine Devon Heifers, some in Calf. Also, 2 Devon Bulls, now fit for service.
Also, 8 or 10 very fine half Durham and half Devon Bull Calves, got by one of the finest Durham Bulls ever raised in the United States. His ancestors, on both sides, have taken the first premiums for Milk, Butter, quality, &c. The Cattle show at the North. I have certificates in my possession to prove these facts, ready for the inspection of any person who may wish to see them. The price of the above Cattle will be very cheap—cheaper than you can buy them at the North, and there is no risk to run in their being acclimated. They will be ready to deliver in November next, when being the best time to remove them. The Bull Calves will be fit for service in May or June next. The price of the Bulls will not exceed \$50 dollars each. The Cows in Calf, and Heifers, will be less, say from \$25 to \$30 each. I have been improving my stock of cattle, for 15 years, and think I now have, in the Devon and Durham, the best stock connect with the practical farmer in America. And while my neighbors have been selling their Cows and Calves for 10 or 12, I have been selling (to good judges) my half Devon Cows and Calves for \$5 to \$30. Col. Yarborough, Proprietor of the Eagle Hotel, Raleigh, N. C. has purchased half Devon Cows of me, and can inform those, who may wish to know, as to their milking properties, &c.

THE Subscriber wishes to sell his FARM in Chatham County, containing five hundred and fifty Acres on North East Creek, lying on the Stage Road, twenty miles from Raleigh, and eight from Chapel Hill, formerly owned by J. M. Moore, and long known as a place of Entertainment, and is one of the best stands for that business in this country. There is a large two story House now building, another small House, and a good Kitchen; a good Barn and Stables, and all other necessary Outbuildings. Persons down the country, and all others wishing to buy a good healthy situation, would do well to come and examine for themselves immediately, as the Subscriber intends to sell the first fair opportunity, and move to the West.
