It is unnecessary to set forth the reasons that have ed to this design. They are many and will present themselves to every mind. But to the above the Editors have to add a word. It is known that the same enterprise has been two or three times before attempted by others; and that they failed as signally as they were weakly begun. We care not to investigate the causes, but their failure has stood greatly in the way of the present undertaking. We can only give unqualified assurance that this Review will appear every month for one year at least, from January, 1845 .-Whether it shall continue longer must depend upon the support of those who can see the importance of such a work. This support we earnestly request, believing that the work will be in all respects able and useful.

DR. KUHL'S RESTORER.

Important Cure of Liver Complaint as communi-cated in a letter to Dr. Kuhl. from J. M. A. Drake, Roy. C. S. C. Ashbora, N. C.

He wrote as follows, Dr. J. Kubl, your Medicines are about to take a start in this County, from the fact, that they effected a cute which seems to have baffled the skill of the physicians in this section for a year or two. The subject is Mr. Nathaniel Newbey, who has been afflicted with the Liver complaint, together with some other complaints. Flatulence and Dyspepsia. He has taken one bottle of the Restorer, together with the Depurative Powder. He says in twelve hours he felt relieved, and in twenty-four bours much relieved. He has so far recovered now, as to follow the avocations of his farm, with little or no difficulty. He says he wants all who are afficied to use your Medicines, and is recommending them to the afflicted, &c. Signed, J. M. A. Drake."
Dr. Kuhl visited Asheboro' on the 12th of Feb.

1844, and had the gratification to learn, that Mr. Nath Newbey is well and recommends his Medicines in the highest terms. Extract of a letter to Dr. J. Kuhl, from George R. Barr, Esq. Abingdon, Va.

"I have had several venereal cases, which have been successfully treated with your Abyssinian Mixture or Anti Syphilitic Syrup. I will mention one case, which had been treated with the usual remedies for three months, but without any abatement of the disease. Your Medicines was procured and the disease which appeared so obstinate, in a few days yielded to your remedy, &c.

GEO. R. BARR. " Signed, A Lady of Bedford co. Va. for about 17 years afflicted with contraction, lameness and nervous head ache, caused by taking calomel and getting cold on it, and after using the whole time the prescriptions of the most eminent physicians without any effect, she sank from year to year but was finally successfully treated with the Restorer, Gold Mine Balsam and Aromatic Extract. We have omitted the name of this lady, but if any particulars should be desired, we refer to Maj. Wm. Leftwich, Otterbridge, P. O., Bedford

Mrs. Felix Huffman was suffering for some y ars under Consumption, &c. She used numerous prescriptions without any benefit, and was declared incurable, but was cured by the use of the Restorer, Gold Mine Balsam Atomatic Extract and Universal Plaster. Reference to John Read, jr. Esq. Jeffersonton, Culpeper co. Va.

Richard B. K Lawson, Esq. of Gloucester county, Va. informed Dr. Kuhl on the 6th of November, 1843, as follows: " Dear Sir, I wish to inform you, that my wife was about 6 years afflicted with a pulmonary complaint, inflammatory rheumatism and general de bility, and finding no relief during the whole of that period from the prescription of the most eminent physicians, she began to use your Restorer of the Blood Depurative Powder and Aromatic Extract, which cured her in a short time " &c.

RICHARD B. K LAWSON" Signed Mr. George Erhart's son was very seriously afflict ed with Dropsy and Inflammatory theumatism, and after having tried the prescriptions of a number of physicians of eninence of that section of country, without any benefit, sank from day to day, and every one thought death inevitable. Mr. Erhart concluded to try Dr. Kuhl's Restorer, Aromatic Extract and Depurative Powder, which gave the most happy result, as communicated in a letter to Dr. Kuhl, from Robert Gardner, Esq. Christiansburg, Va. of the 25th June, 1843, in which he says: "The Medicines he got proved entirely satisfactory. The young man, to the great joy of his parents, from being in the most deplorable situation, on the very grave's verge, is now enjoying good if not perfect good health, and your Medicines have the credit of curing him.

"Signed ROBERT GARDNER." The Medicines may be obtained at Dr. KUHL'S OFFICE, opposite the Banks, RICHMOND,

Sole Agents for Raleigh. May 21, 1944.

Important Discovery! Richardson & Co.'s Celebrated American Panacea. FHIHIS article is all compounded from Vegetable

matter, free from any adulteration, and warranted free from any ingredient detrimental to health. It is the most invaluable discovery ever made from the Vegetable kingdom, having never failed in airecgle instance (when taken in accordance with dsintions,) to effect a cure of the following diseases, to-wit: Salt Rheum, Scrofula, Ulcerated Scrofula, Bronchitis, Fever Sores, King's Evil, Fistula, Inflammatory and Chronic Kheumatism, Piles, Biles, Ery sipelas, Scurvy, Chronic Sore Eyes, Pains in the Bones, Scald Head, Blotches or Pimples on the face, and all cutaneous diseases. Eruptions of the skin, or pains or ulcers arising from an injudicious use of Mercury, or an impure state of the

The curative properties of this Medicine consist in its producing a sure and effectual alterative of the whole system. In slight eruptions of the skin, or recently contracted diseases, one small bottle often effects the core, while the experience of those who have been cured by it of long standing and obstinate diseases, is, that it requires from three to four large botles to effect a perfect cure, and no return of the disease. It usually produces a tonic effect, while (in most cases) it also acis as a gentle cathartic, increasing the appetite and general health of the patient, causing all sores; or ulcers, to discharge more profusely than before taking it, and inducing a perfectly healthy action of the blood. Enough must be taken to effect an alterative, and as is the case, with all Medicines, its effects will vary, as the several constitutions differ from each other. Therefore, those using it should not distrust its efficacy if they do not receive immediate benefit. It is prepared with great care, and the extracts brought into so small a compass as to require, usually, but one table spoonful

It is now in use by the first Physicians in the country, and pronounced by them the best anti-mercurial medicine known; and the most efficacious in the cure of all cutaneous and scrofula affections. The cures effected by it are iruly astonishing as may be seen by reference to the certificates and testimonials in posses sion of all the Agents. It has been found peculiarly efficacious in producing regularity of the Menses in ment, de. de. Pemales, and has been taken with great benefit in pulmonary diseases.

Those in the use of it should abstain from stimulating drinks, Beer, Mustard, and all highly seasoned food. To be officined, at wholesale, of Tuos. G. TALMAGE, General Agent, No 20.
