**TO SOUTHERN TRAVELLERS.**

**THE Proprietors of the Stage Lines from Columbia, S. C. to Raleigh, N. C. and the Raleigh & Gaston Rail Road Company, take this method of informing the public, that they have reduced the fare for all through Passengers taking their route, to the following rates to wit:**

Columbia to Gaston.	\$17.00
Gaston to do	16.00
Cheraw do	12.00
Fayetteville do	6.00

Intermediate points, South of Fayetteville, in the same proportion.

The above rates are considerably less than by any other route, and the same expedition is afforded.

Passengers leaving any of the above mentioned points, and taking this route, arrive at the Junction, eighteen miles North of Weldon, before those by any other line.

Travellers are particularly cautioned against believing the slanderous reports circulated by interested persons against the Raleigh & Gaston Rail Road. Having undergone extensive repairs, and great improvements in its machinery and Coaches within the last year, it is passed over with as much ease and safety as any road in the country.

Persons desiring to take the Portsmouth and Bay route to Baltimore, can do so by taking the Stage line at Sledge's (near Gaston) and passing over to Weldon, a distance of twelve miles, where they will connect with the Trains on the Portsmouth and Roanoke Rail Road.

No additional charge is made for the Stage route, as Passengers are taken from Sledge's to Baltimore, at the same price as from Weldon.

Travellers going South will be taken at the same rates between any of the points above mentioned. Those wishing through tickets going South can procure them at the Office of the Petersburg Rail Road Company, Petersburg, Va., or on the Raleigh and Gaston Rail Road.

**TO THE NORTH—Daily Line.**

**Notice to Travellers going North via Portsmouth and R. R. Road and Bay Line Steamers.**

WE would respectfully state to the travelling public, that we are disposed, and will carry them as cheap as any other line, to Portsmouth or Baltimore.

Our Road is run over with as much success as any in the country—our Boats on the Bay are of the first class, and commanded by experienced and attentive officers; the Stages and Teams (between Sledge and Weldon, 14 miles,) are good—drivers obliging, and the road a good one; and the traveller may rest assured nothing shall be wanting on our part to make their trip pleasant and safe.

We shall not be governed by what may be charged the traveller from Gaston to Baltimore, but what he is charged from Weldon.

Fare at present from Sledge's to Baltimore, \$9 (meals included on the Bay Boats).

Should any further reductions be made by our opponents with a view to divert the travel from this comfortable and expeditious route, we ask the travel to come over to Weldon, and they will only be charged from Sledge's what others pay from this place.

Our not desisting the upper route, I am satisfied, will not do violence to the feelings of the travelling community. We cannot pay such a game. Such means to secure patronage is not sanctioned by the Company.

Passengers are guarded against getting Tickets in Raleigh through to Petersburg—as if they should change their route after leaving Raleigh, they must do so at a sacrifice of amount paid to carry them from Gaston to Petersburg.

Fare from Sledge's to Portsmouth, \$5 00  
Fare from Sledge's to Portsmouth and return in four days, \$7 50
