### TO THE NORTH—Daily Line.

Notice to Travellers going North, via Portsmouth and R. R. Road and Bay Line Steamers.

WE would respectfully state to the travelling public, that we are disposed, and will carry them as cheap as any other line, to Portsmouth or Baltimore.

Our Road is run over with as much success as any in the country—our Boats on the Bay are of the first class, and commanded by experienced and attentive officers; the Stages and Teams (between Weldon and Weldon, 14 miles) are good—drivers obliging, and the road a good one; and the traveller may rest assured nothing shall be wanting on our part to make their trip pleasant and safe.

We shall not be governed by what may be charged the traveller from Gaston to Baltimore, but what he is charged from Weldon, and they will only be charged from Sledge's what others pay from this place.

Our not defaming the upper route, I am satisfied, will not be violented in the feelings of the travelling community. We cannot play such a game. Such means to secure patronage is not sanctioned by the Company.

Passengers are guarded against getting Tickets in Raleigh through to Petersburg—as if they would change their route after leaving Raleigh, they must do so at a sacrifice of amount paid to carry them from Gaston to Petersburg.

Fare from Sledge's to Portsmouth, \$5 00  
Fare from Sledge's to Portsmouth and re- turn in four days, \$7 50
