DR. KUHUS RESTORER

Important Cure of Liver Complaint as communi-cated in a letter to Dr. Kukl, from J. M. A. Drake, Esq. C. S. C. Ashborg', N. C. wrote as follows, Dr. J. Kulit, your Medicines are about to take a start in this County, from the fact, that they effected a cure which seems to have baffled the skill of the physicians in this section for a year or two. The subject is Mr. Nathaniel Newbey, who has been afflicted with the Liver complaint, together with some other complaints. Fintulence and Dyspepsia. He has taken one buttle of the Restorer, to-gether with the Deputative Powder. He says in twelve hours he felt relieved, and in twenty-four hours much relieved. He has so far recovered now, as to follow the avocations of his larm, with little or no difficulty. He says he wants all who are afflicted to use your Medicines, and is recommending them to the afflicted, &c. Signed; J. M. A. Drake."

Dr. Kuhl visited Ashaboro on the 12th of Feb.

1844, and had the gratification to learn, that Mr. Nath Newbey is well, and recommends his Medicines in Extract of a letter to Dr. J. Kuhl, from George R. Barr, Esq. Abingdon, Va. "I have had several venereal cases, which have been successfully treated with your Abyssinian Mix-

ture or Anti Syphilitic Syrup. I will mention one case, which had been treated with the usual remedies for three months, but without any abatement of the disease. Your Medicines was procured and the disease, which appeared so obstinate, in a few days yielded to your remedy, &c.

" Signed, A Lady of Bedford co. Va. for about 17 years afflicted with contraction, lameness and nervous head ache, caused by taking calomel and getting cold on t, and after using the whole time the prescriptions of the most eminent physicians without any effect, she sank from year to year, but was finally successfully treated with the Restorer, Gold Mine Balsam and Aromatic Extract. We have omitted the name of this lady, but if any particulars should be desired, we refer to Maj. Wm. Leftwich, Otterbridge, P. O., Bedford

Mrs. Felix Huffman was suffering for some y ars under Consumption, &c. She used numerous pre-scriptions without any benefit, and was declared incurable, but was cured by the use of the Restorer, Gold-Mine Balsam. Aromatic Extract and Universal Plaster. Reference to John Read, jr. Esq. Jeffersonton, Culpeper co. Va.

Richard B. K. Lawson, Esq. of Gloncester county Va. informed Dr. Kuhl. on the 6th of November, 1843, as follows ? " Dear Sir, I wish to inform you, that my wife was about 6 years afflicted with a pulmonary complaint, inflammatory rheumatism and general debility, and finding no relief during the whole of that period from the prescription of the most eniment physicians, she began to use your Restorer of the Blood, Depurative Powder and Aromatic Extract, which cured her in a short time," &c.

Signed. RICHARD B. K LAWSON" Mr. George Erhart's son was very seriously afflict. ed with Dropsy and Inflammatory Kheumatism, and after having tried the prescriptions of a number of physicians of eminence of that section of country, without any benefit, sank from day to day, and every one thought death inevitable. Mr. Erhart concluded to try Dr. Kuhl's Restorer, Aromatic Extract and Depurative Powder, which gave the most happy result, as communicated in a letter to Dr. Kuhl, from Robert Gardner, Esq. Christiansburg, Va. of the 25th June, 843, in which he says: "The Medicines he got proved entirely satisfactory. The young man, to the great joy of his parents, from being in the most deplorable situation, on the very grave's verge, is now enjoying good if not perfect good health, and your Medicines have the credit of curing him.

" Signed ROBERT GARDNER." The Medicines may be obtained at Dr. KUHL'S OFFICE, opposite the Banks, RICHNOWN, Va and of the following Agents in North Carolina-

May 21, 1944. Important Discovery! Richardson & Co.'s Celebrated American Panacea

HIS article is all compounded from Vegetable matter, free from any adulteration, and warranted free from any ingredier t detrimental to health. It is the most invaluable discovery ever made from the Vegetable kingdom, having never failed in airregle instance (when taken in accordance with daintions,) to effect a cure of the following diseases, to-wit: Salt Rheum, Scrofula, Ulcerated Scrofula, Bronchitis, Fever Sores, King's Evil, Fistula, Inflamma. tory and Chronic Rheumatism. Piles, Biles, Ery. sipelas, Scurvy, Chronic Sore Eyes, Pains in the Bones, Scald Head, Blotches or Pimples on the face, and all cutaneous diseases, Eruptions of the skin, or pains or ulcers arising from an injudicious use of Mercury, or an impure state of the

The curative properties of this Medicine consist in its producing a sure and effectual alterative of the whole system. In slight eruptions of the skin, or recently contracted diseases, one small thoule often effects the cure, while the experience of those who have been cured by it, of long standing and obstinate diseases, is, that it requires from three to four large bottles to effect a perfect cure, and no return of the disease. It usually produces a tonic effect, while (in most cases) it also acts as a gentle carbertic, increasing the appetite and general health of the patient, causing all sores, or olders, to discharge more profusely than before taking it, and inducing a perfectly healthy action of the blood. Enough must be taken to effect an alterative, and as is the case, with all Medicines, its effects will vary, as the several constitutions differ from each other, Therefore, those using it should not distrust its efficacy if they do not receive immediate benefit. It is prepared with great care, and the extracts brought into so small a compass as to require, usually, but one table spoonful each day for an adult.

It is now in use by the first Physicians in the country, and pronounced by them the best anti-mercurial medicine known; and the most efficacious in the cure of all cutaneous and scrofula affections. The cures effected by it are study astonishing as may be seen by reference to the certificates and testimonials in posses sion of all the Agents. It has been found peculiarly efficacious in producing regularity of the Menses in Females, and has been taken with great benefit in

Those in the use of it should abstain from stimulating drinks, Beer, Mustard, and all highly seasoned food. To be obtained, at wholesale, of Tuos, G. Talmass. General Agent, No 20. Pine Street, opposite the Custom House, New York, and at retail of WM. PECK, Special Agent, Raleigh, N. U. where Certificates of very happy cures may be seen.
