Weldon, N. C. Dec. 9, 1844. 100-oswtm

Fruth Akin to Nature TAVE YOU PAIN! Be thankful. It is a vigorous effort of Nature to throw off morbific matter. From what may the morbific matter arise 1 From a bruise, or unwholesome air which has secome mixed with blood, not incorporated in it, but which is liable to taint the whole mass if not speedily removed. Or the pain may arise from bile which has become bad, rancid, patrid, in concequence of the want of power in the proper organs to discharge it. THIS PALS WHICH SO PRIORTENS PEOPLE is only the symptoms of the efforts of Nature, (or the vital principle of the blood,) to EXPER the the PRCCANT OF IMPURE matter, which would otherwise destroy the human fabric. Atl diseases are of the solids or fluids, or both. When we have pain in our head, or, in our foot, in our throat or in our back or bowels, let us but be eatisfied that it is produced by the efforts of our blood to throw out morbific matter, and if this be so, if we can but believe and understand this, our cure will be easy and generally sure. For our course will then be to help Nature to throw off the morbid matter, not to away the blood. For the Llood, EVERY DROP WE HAVE IS REQUIRED TO INSURE UL-TIMATE HEALTH to the body ; we must NOT LOSE A DROP : neither must we use any medicines internally which are not perfectly harmless, if applied externally to the body. So we must not use any of the preparations of mercury, neither must we use any vegetable medicine of CORROSIVE POWER.

In order to discriminate between Truth, which is eternal, and conjecture, which is tike a transient vision, we must be guided by the light of EXPERI-ENCE. To what does experience direct ' To the FREE USE OF DR. BRANDKETH'S PILLS in uary next. all cases of bodily suffering. As this advice is fol-lowed, SO WILL, THE HEALTH OF THE BODY BE. The writer has long used them and has never found them fail of imparting relief. In all acute diseases let Brandreth Pills and mild diet be acute diseases let Brandreth Fills and mild diel be used, and the patient will soon be restored to good health. In chronic complaints let the Fills be used as often as convenient, by which means the vitality of the blood will be improved, and a crisis will be generally brought about ; the disease being changed to acute, a few large doses of Pills and a few days confinement to the house, will change the chronically diseased individual, to a sound man. This is no figure of the imagination ; it can be proved by a thou sand matter of fart men who have experienced it. REMEMBER, in all cases of disease, no matter whether it be a cold or a cough 1 whether it be asth-ma or consumption 1 whether it be rheamatism or pleurisy : whether it be typhus or fever and ague, or bilious fever : cramp or hooping dough or measles : whether it he scarlet fever or small pox, that the Pills, known as Brandreth's Pills, will surely do more than all the medicines of the Drug Stores for your restoration to health, and what is more will surely do you no barm.
