Truth Akin to Nature! TAVE YOU PAIN! Be thankful. It is a vigorous effort of Nature to throw off merbific natter. From what may the morbific matter arise ! From a bruise, or unwholesome air which has become mixed with blood, not incorporated in it, but which is liable to taint the whole mass if not speedily removed. Or the pain may arise from bile which has become bad, rancid, putrid, in consequence of the want of power in the proper organs to discharge it. This PAIR WHICH SO PRIORTENA recent is only the symptoms of the efforts of Nature, (or the vital principle of the blood,) to EXPER the the PECCANT OF IMPURE matter, which would otherwise destroy the human fabric. All disea-es are of the solids or fluids, or both. When we have pain in our head, or in our foot, in our throat or in our back or bowels, let us but be satisfied that it is produced by the efforts of our blood to throw out

morbific matter, and if this be so, if we can but befieve and understand this, our cure will be easy and generally sure. For our course will then be to help Nature to throw off the morbid matter, not to take Nature to throw off the morbid matter, not to take nity wanted by the French Government has already away the blood.
