Truth Akin to Nature I

TAVE YOU PAIN! Be thankful. It is a vigorous effort of Nature to throw off morbific matter. From what may the morbific matter arise? From a bruise, or unwholesome air which has become mixed with blood, not incorporated in it, but which is liable to taint the whole mass if not speedily removed. Or the pain may arise from bile which has become bad, rancid, putrid, in consequence of the want of power in the proper organs to discharge it. This PAIS WHICH SO PRICHTERS Propis is only the symptoms of the efforts of Nature, (or the vital principle of the blood,) to exest the the PROCENT OF IMPURE matter, which would otherwise destroy the human fabric. All diseases are of the solids of fluids, or both. When we have pain in our head, or in our foot, in our throat or in our back or bowels, let us but be satisfied that it is produced by the efforts of our blood to throw out morbific matter, and if this be so, if we can but believe and understand this, our cure will be easy and generally sure. For our course will then be to help Nature to throw off the morbid matter, not to take away the blood. For the Llood, EVERY DROP WE HAVE IS REQUIRED TO INSURE UL TIMATE HEALTH to the body; we must NOT LOSE A DROP: neither must we use any medicines internally which are not perfectly harmless, if applied externally to the body. So we must not use any of the preparations of mercury, neither must we use any vegetable medicine of CORROSIVE

In order to discriminate between Truth, which is eternal, and conjecture, which is like a transient vieion, we must be guided by the fight of EXPERI-ENCE. To what does experience direct? To the FREE USE OF DR. BRANDRETH'S PHAS in all cases of boilily suffering. As this advice is followed, SO WILL THE HEALTH OF THE BODY BE. The writer has long used them and has never found them fail of imparting relief. In all acute diseases let Brandreth Pills and mild diet be used, and the patient will soon be restored to good health. In chronic complaints let the Pills lie used as often as convenient, by which means the vitality of the blood will be improved, and a crisis will be generally brought about; the disease being changed to acute, a few large doses of Pills and a few days confinement to the house, will change the chronically diseased individual, to a sound man. This is no figure of the imagination; it can be proved by a thousand matter-of-fart men who have experienced it. REMEMBER, in all cases of disease, no matter whether it be a cold or a cough : whether it be asthma or consumption : whether it be rheumatism or pleurisy: whether it be typhus or fever and ague, or bilious fever : cramp or hooping cough or measles ; whether it he scarlet fever or small pox that the Pills, known as Brandreth's Pills, will surely do more than all the medicines of the Drug Stores for your

TRUST TO BRANDRETH'S PILLS, take them so as to produce a brisk effect, and your sickness will be the affair of a day or two, while those who ar too wise to follow this common-sense advice, will b. sick for months Let the sick enquire of the agents for Brandreth's Pills whether these things be so or not. I let them enquire among their friends and ask the same question Verily if EVIDENCE is wanted it shall be procured. To the Sick, let me say, use

Each Plantation is under good fence.
