Truth Akin to Nature!
HAVE YOU PAINT? Be thankful. It is a necessary effort of Nature to throw off morbid matter. From what may the morbid matter arise! From a bruise, or unwholesome air which has become mixed with food, not incorporated in it, but which is able to taint the whole mass if not speedily removed. Or the pain may arise from bile which has become bad, rancid, putrid; in consequence of the want of power in the proper organs to discharge it. This pain water so purgative is only the symptoms of the efforts of Nature, (or the vital principle of the blood,) to expel the excess of impure matter, which would otherwise destroy the human fabric. All diseases are of the solids or fluids, or both. When we have pain in our head, or in our foot, in our throat, or in our back or bowels, let us be satisfied that it is produced by the efforts of our blood to throw off morbid matter, and if this be so, if we can but believe and understand this, our cure will be easy and generally sure. For our course will then be to help Nature to throw off the morbid matter, not to take away the blood. For the blood, EVERY DROP WE HAVE IS REQUIRED TO INSURE ULTIMATE HEALTH to the body; we must not lose a DROP; neither must we use any medicine internally which are not perfectly harmless, if applied externally to the body. So we must not use any of the preparations of mercury, neither must we use any vegetable medicine of CORROSIVE POWER.
In order to discriminate between Truth, which is eternal, and conjecture, which is like a transient vision, we must be guided by the light of EXPERIENCE. To what does experience direct? To the FREE USE OF DR. BRANDRETH'S PILLS in all cases of bilious suffering. As this advice is followed, SO WILL THE HEALTH OF THE BODY BE. The writer has long used them and has never found them fail of imparting relief. In all acute diseases let Brandreth's Pills and mild diet be used, and the patient will soon be restored to good health. In chronic complaints let the Pills be used as often as convenient, by which means the vitality of the blood will be improved, and a crisis will be generally brought about; the disease being changed to acute, a few large doses of Pills and a few days confinement to the house, will change the chronically diseased individual, to a sound man. This is no figure of the imagination; it can be proved by a thousand instances of men who have experienced it. REMEMBER, in all cases of disease, no matter whether it be a cold or a cough, whether it be asthma, or consumption; whether it be rheumatism or pleurisy; whether it be typhus or fever and ague, or bilious fever; or cramp or hooping cough or measles; whether it be scarlet fever or small pox; that the Pills, known as Brandreth's Pills, will restore to you all the medicines of the Drug Store, for your restoration to health, and what is more, will surely do you no harm.
TRUST TO BRANDRETH'S PILLS, take them so as to produce a brisk effect, and your sickness will be cured in a day or two, while those who are too wise to follow this common-sense advice, will be sick for months. Let the sick enquire of the agent for Brandreth's Pills whether these things be so or not. Let them enquire among their friends and ask the same question. Verily if EVIDENCE is wanted it shall be procured. To the Sick, let me say, use the BRANDRETH'S PILLS.
Is the best advice mortal man can give you.
Sold at Dr. Brandreth's principal office, 241 Broadway, (274 Bowery and 241 Hudson at Dr. Brandreth's retail offices,) at 25 cent. per box, with full directions in the English, Spanish, Portuguese and French languages.
Sold by real Agents in every county in the State.
