Dec. 9, 1844. 100-oawtm Truth Akin to Nature! TAVE YOU PAIN! Be thankful. It is a vigorous effort of Nature to throw off morbific matter. From what may the morbific matter arise ! From a bruise, or unwholesome air which has become mixed with blood, not incorporated in it, but which is liable to taint the whole mass if not speedily removed. Or the pain may arise from bile which has become bad, rancid, putrid, m consequence of the want of power in the proper organs to discharge it. THIS FAIR WHICH SO FRIGHTENS PROPER is only the symptoms of the efforts of Nature, (or the vital principle of the blood,) to EXPEL the the PRCCANT OF IMPORE matter, which would otherwise destroy the human fabric. All diseases are of the solids or fluids, or both. When we have pain in our head, or in our foot, in our throat of in our back or bowels, let us but be satisfied that it is produced by the efforts of our blood to throw out morbific matter, and if this be so, if we can but be-lieve and understand this, our cure will be easy and generally sure. For our course will then be to help Nature to throw off the morbid matter, not to take away the blood. For the blood, EVERY DROP WE HAVE IS REQUIRED TO INSURE UL-TIMATE HEALTH to the body ; we must NOT LOSE A DROP : neither must we use any medicines internally which are not perfectly harmless, if applied externally to the body. So we must not use

### Important Discovery!

**Bichardson & Co.'s Celebrated American Panacea** I HIS article is all compounded from Vegetable matter, free from any adulteration, and warranted free from any ingredient detrimental to health. It is the most invaluable discovery ever made from the Vegetable kingdom, having never failed in airecgle instance (when taken in accordance with dsin. tions,) to effect a cure of the following diseases, to-wit; Salt Kheum, Scrofula. Ulcerated Scrofula, Bron-chitis, Fever Sores, King's Evil, Fistula, Inflammusipelas, Scurvy, Chronic Sore Eyes, Pains in the Bones, Scald Head, Blotches or Pimples on the face, and all cutaneous diseases. Eruptions of the skin, or pains or ulcers arising from an injudicious use of Mercury, or an impure state of the blood.

The curative properties of this Medicine consist in its producing a sure and effectual alterative of the whole system. In slight eruptions of the skin, or re-300 lbs, fresh Candies 10 bls. Pilot, Water, But- cently contracted diseases, one small bottle often efva, informed Dr. Kuhl on the 6th of Nov fects the cure, while the experience of those who have been cured by it, of long standing and obstinate discases, is, that it requires from three to four large bottles to effect a perfect cure, and no return of the disease. It usually produces a tonic effect, while (in most cases) it also acts as a gentle cathartic, increasing the appetite and general health of the patient. causing all sores, or ulcers, to discharge more profusew than before taking it, and inducing a perfectly healthy action of the blood. Enough must be taken to effect an alterative, and as is the case, with all Medicines, its effects will vary, as the several constitotions differ from each other. Therefore, those using it should not distrust its efficacy if they do not receive immediate benefit. It is prepared with great care, and the extracts brought into so small a compass as to require, usually, but one table spoonful each day for an adult. It is now in use by the first Physicians in the coun try, and pronounced by them the best anti-mercurial medicine known ; and the most efficacious in the cure of all cutaneous and scrofula affections. The cures effected by it are truly astonishing, as may be seen by reference to the certificates and testimonials in posses sion of all the Agents. It has been found peculiarly efficacious in producing regularity of the Menses in Females, and has been taken with great benefit in pulmonary diseases. Those in the use of it should abstain from stimula ting drinks, Beer, Mustard, and all highly sessoned food. To be obtained, at wholesale, of THOS. G. TALMAGE. General Agent, No 20, Pine Street. op. posite the Custom House, New York, and at retail of WM. PECK, Special Agent, Raleigh, N. C. where Certificates of very happy cures may be seen. He wrote as follows, ' Dr J. Kuhl, your Medicines are about to take a start in this County. from the fact, that they effected a cure which seems to have baffied the skill of the physicians in this section for a year or and have taken the Store on Old Street, recently oc-cupied by PREBLES, HALL & Co. He says in twelve hours he felt relieved, and in twenty-four hours much relieved. He has so far recovered now, as to follow the avocations of his farm, with little or no difficulty. He says he wants all who are afflicted to use your Medicines, and is recommending them to the afflicted, &c. Signed, J. M. A. Drake." Dr. Kuhl visited Asheboto' on the 13th of Feb. 1844, and had the gratification to learn, that Mr. Nath Newbey is well and recommends his Medicines in the highest terms.

Extract of a letter to Dr. J. Kuhl, from George R. Barr, Esq. Abingdon, Va. "I have had several venereal cases, which have been successfully treated with your Abyssinian Mixture or Anti Syphilitic Syrup. 1 will mention one case, which had been treated with the usual remedies for three months, but without any abatement of the disease. In order to discriminate between Truth, which is eternal, and conjecture, which is like a transient vision, we must be guided by the light of EXPERI-ENCE. To what does experience direct 1 To the FREE USE OF DR. BRANDRETH'S PILLS in all cases of bodily suffering. As this advice is fol-lowed, SO WILL THE HEALTH OF THE BODY BE: The writer has long used them and has never found them fail of importing relief. In all acute diseases let Brandreth Pills and mild diet be used, and the patient will soon be restored to good health. In chronic complaints let the Pills be used of the blood will be improved, and a crisis will be generally brought about ; the disease being changed to acute, a few large doses of Pills and s few days confinement to the house, will change the chronically diseased individual, to a sound man. This is no figare of the imagination ; it can be proved by a thousand matter-of-fact men who have experienced it. REMEMBER, in all cases of disease, no metter whether it be a cold or a cough : whether it be asthma orconsumption ; whether it be rheumatism or pleurisy: whether it be typhus or fever and ague, or bilious fever: cramp or hooping cough or measles: whether it be scarlet fever or small pox, that the Pills, known as Brandreth's Pills, will surely do more than all the medicines of the Drug Stores for your restoration to health, and what is more will surely do
