Truth Akin to Nature!

HAVE YOU PAIN? Be thankful. It is a vigorous effort of Nature to throw off morbific matter. From what may the morbific matter arise? From a bruise, or unwholesome air which has become mixed with blood, not incorporated in it, but which is liable to taint the whole mass if not speedily removed. Or the pain may arise from bile which has become bad, rancid, putrid, in consequence of the want of power in the proper organs to discharge it. THIS PAIN WHICH SO FRIGHTENS PEOPLE is only the symptoms of the efforts of Nature, (or the vital principle of the blood,) to EXPEL the PECCANT or IMPURE matter, which would otherwise destroy the human fabric. All diseases are of the solids or fluids, or both. When we have pain in our head, or in our foot, in our throat or in our back or bowels, let us but be satisfied that it is produced by the efforts of our blood to throw out morbific matter, and if this be so, if we can but believe and understand this, our cure will be easy and generally sure. For our course will then be to help Nature to throw off the morbid matter, not to take away the blood. For the Blood. *EVERY DROP WE HAVE IS REQUIRED TO INSURE ULTIMATE HEALTH* to the body; we must *NOT LOSE A DROP*: neither must we use any medicines internally which are not perfectly harmless, if applied externally to the body. So we must not use any of the preparations of mercury, *neither must we use any* vegetable medicine of *CORROSIVE POWER.*

In order to discriminate between Truth, which is eternal, and conjecture, which is like a transient vision, we must be guided by the light of *EXPERIENCE.* To what does experience direct? To the FREE USE OF DR. BRANDRETH'S PILLS in all cases of bodily suffering. As this advice is followed, SO WILL THE HEALTH OF THE BODY BE. The writer has long used them and has never found them fail of imparting relief. In all acute diseases let Brandreth Pills and mild diet be used, and the patient will soon be restored to good health. In chronic complaints let the Pills be used as often as convenient, by which means the vitality of the blood will be improved, and a crisis will be generally brought about; the disease being changed to acute, a few large doses of Pills and a few days confinement to the house, will change the chronically diseased individual, to a sound man. This is no figure of the imagination; it can be proved by a thousand matter-of-fact men who have experienced it. REMEMBER, in all cases of disease, no matter whether it be a cold or a cough: whether it be asthma or consumption: whether it be rheumatism or pleurisy: whether it be typhus or fever and ague, or bilious fever: cramp or hooping cough or measles: whether it be scarlet fever or small pox, that the Pills, known as Brandreth's Pills, will surely do more than all the medicines of the Drug Stores for your restoration to health, and what is more will surely do you no harm.

TRUST TO BRANDRETH'S PILLS, take them so as to produce a brisk effect, and your sickness will be the affair of a day or two, while those who are too wise to follow this common-sense advice, will be sick for months. Let the sick enquire of the agent for Brandreth's Pills whether these things be so or not. Let them enquire among their friends and ask the same question. Verily if EVIDENCE is wanted it shall be procured. To the Sick, let me say, use the

The course of Education is thorough, practical and well calculated to qualify youth for the various duties of life, whether occupying public or private, Civil or Military stations. The moral and intellectual faculties are kept severely in action, but not at the expense of the physical, as is unfortunately for the health of our children too commonly the case throughout the country.

Regular and systematic Military Exercises, as well as Practical and Scientific Operations, introducing Surveying and Civil Engineering, are substituted in the place of unprofitable play, and required of all students—*the usual six hours of daily recitation and study being invariably left distinct & uninterrupted.*

The Cadets, in rotation, discharge the duties of non-commissioned Officers, Officers of the Guard, and Officers of the Day, of Adjutants and Commandants of Parade; and for the purpose of rendering them more perfect, occasionally act as Military Instructors.

It has been found from experience, that this beautiful *Gymnase* invigorates both mind and body, and by inducing habits of order and regularity, contributes much to mental improvement.

Politeness, neatness in dress, and strict punctuality will be closely attended to.

A cheap Uniform is adopted—Dress Parade days, Monday and Friday.

No deduction made for absence, unless in cases of protracted sickness. Hours of Recitation and Study, from 9 to 12½ A. M., and from 2 to 4½, P. M., in the Winter. Board and Washing, in highly respectable families from 8½ to $10 per month.

Important Discovery!
Richardson & Co.'s Celebrated American Panacea.

THIS article is all compounded from Vegetable matter, free from any adulteration, and warranted free from any ingredient detrimental to health.

It is the most invaluable discovery ever made from the Vegetable kingdom, having never failed in a single instance (when taken in accordance with the directions,) to effect a cure of the following diseases, to-wit: *Salt Rheum, Scrofula, Ulcerated Scrofula, Bronchitis, Fever Sores, King's Evil, Fistula, Inflammatory and Chronic Rheumatism, Piles, Biles, Erysipelas, Scurvy, Chronic Sore Eyes, Pains in the Bones, Scald Head, Blotches or Pimples on the face, and all cutaneous diseases, Eruptions of the skin, or pains or ulcers arising from an injudicious use of Mercury, or an impure state of the blood.*

The curative properties of this Medicine consist in its producing a sure and effectual alterative of the whole system. In slight eruptions of the skin, or recently contracted diseases, one small bottle often effects the cure, while the experience of those who have been cured by it, of long standing and obstinate diseases, is, that it requires from three to four large bottles to effect a perfect cure, and no return of the disease. It usually produces a tonic effect, while (in most cases) it also acts as a gentle cathartic, increasing the appetite and general health of the patient, causing all sores, or ulcers, to discharge more profusely than before taking it, and inducing a perfectly healthy action of the blood. Enough must be taken to effect an alterative, and as is the case, with all Medicines, its effects will vary, as the several constitutions differ from each other. Therefore, those using it should not distrust its efficacy if they do not receive immediate benefit. It is prepared with great care, and the extracts brought into so small a compass as to require, usually, but one table spoonful each day for an adult.

It is now in use by the first Physicians in the country, and pronounced by them the best anti-mercurial medicine known; and the most efficacious in the cure of all cutaneous and scrofula affections. The cures effected by it are truly astonishing, as may be seen by reference to the certificates and testimonials in possession of all the Agents. It has been found peculiarly efficacious in producing regularity of the Menses in Females, and has been taken with great benefit in pulmonary diseases.

Those in the use of it should abstain from stimulating drinks, Beer, Mustard, and all highly seasoned food. To be obtained, *at wholesale,* of THOS. G. TALMADGE, *General Agent, No 20, Pine Street, opposite the Custom House, New York,* and at retail of WM. PECK, Special Agent, Raleigh, N. C. where Certificates of very happy cures may be seen.

DR. KUHL'S RESTORER.

Important Cure of Liver Complaint as communicated in a letter to Dr. Kuhl, from J. M. A. Drake, Esq. C. S. C. Ashboro', N. C.

He wrote as follows, "Dr. J. Kuhl, your Medicines are about to take a start in this County, from the fact, that they effected a cure which seems to have baffled the skill of the physicians in this section for a year or two. The subject is Mr. Nathaniel Newbey, who has been afflicted with the Liver complaint, together with some other complaints. Flatulence and Dyspepsia. He has taken one bottle of the Restorer, together with the Depurative Powder. He says in twelve hours he felt relieved, and in twenty-four hours *much relieved.* He has so far recovered now, as to follow the avocations of his farm, with little or no difficulty. He says he wants all who are afflicted to use your Medicines, and is recommending them to the afflicted, &c. Signed, J. M. A. Drake."

Dr. Kuhl visited Asheboro' on the 12th of Feb. 1844, and had the gratification to learn, that Mr. Nath. Newbey is well, and recommends his Medicines in the highest terms.

Extract of a letter to Dr. J. Kuhl, from George R. Barr, Esq. Abingdon, Va.

"I have had several venereal cases, which have been successfully treated with your *Abyssinian Mixture or Anti Syphilitic Syrup.* I will mention one case, which had been treated with the usual remedies for three months, but without any abatement of the disease. Your Medicines was procured and the disease which appeared so obstinate, in a few days yielded to your remedy, &c.

"Signed, GEO. R. BARR.

A Lady of Bedford co. Va. for about 17 years afflicted with contraction, lameness and nervous headache, caused by taking calomel and getting cold on it, and after being the whole time the prescriptions of the most eminent physicians without any effect, she sank from year to year, but was finally successfully treated with the Restorer, Gold Mine Balsam and Aromatic Extract. We have omitted the name of this lady, but if any particulars should be desired, we refer to Maj. Wm. Leftwich, Otterbridge, P. O., Bedford co., Va.

Mrs *Felix Huffman* was suffering for some years under Consumption, &c. She used numerous prescriptions without any benefit, and was declared incurable, but was cured by the use of the Restorer, Gold Mine Balsam Aromatic Extract and Universal Plaster. Reference to John Read, jr. Esq. Jeffersonton, Culpeper co. Va.

Richard B. K Lawson, Esq. of Gloucester County, Va. informed Dr. Kuhl on the 6th of November, 1843, as follows: "Dear Sir, I wish to inform you, that my wife was about 6 years afflicted with a pulmonary complaint, inflammatory rheumatism and general debility; and finding no relief during the whole of that period from the prescription of the most eminent physicians, she began to use your Restorer of the Blood, Depurative Powder and Aromatic Extract, which cured her in a short time," &c.

Signed, RICHARD B. K. LAWSON."

Mr. George Erhart's son was very seriously afflicted with Dropsy and Inflammatory Rheumatism, and after having tried the prescriptions of a number of physicians of eminence of that section of country, without any benefit, sank from day to day, and every one thought death inevitable. Mr. Erhart concluded to try Dr. Kuhl's Restorer, Aromatic Extract and Depurative Powder, which gave the most happy result, as communicated in a letter to Dr. Kuhl, from Robert Gardner, Esq. Christiansburg, Va. of the 25th June, 1843, in which he says: "The Medicines he got proved entirely satisfactory. The young man, to the great joy of his parents, from being in the most deplorable situation, on the very grave's verge, is now enjoying good if not perfect good health, and your Medicines have the credit of curing him.

"Signed ROBERT GARDNER."

To supply the City and Interior Trade, by the Piece or Package,

REMOVED
From 113 Pearl Street, to
44 CEDAR STREET,
NEAR WILLIAM STREET.

LEE & BREWSTER give notice to the Dealers in Dry Goods, that they have removed their Warehouse for Printed Calicoes exclusively, from Pearl to 44 Cedar street. By confining their attention to Prints only, L. & B. are enabled to exhibit an assortment far surpassing any ever before offered in America—and to sell at prices as low, and generally lower, than houses whose attention is divided among a large variety of articles.

The Stock consists of *several thousands of Patterns and Colorings,* embracing every variety of

American and Foreign Prints

In market—many styles of which are got up exclusively for their own sales, and cannot be had elsewhere, except in second hands.

Dealers in Prints will find it for their interest to examine this Stock before making their purchases—they will have the advantage of learning the lowest market prices—and comparing all the desirable styles in market side by side.

Catalogues of Prices, corrected with every variation of the Market, are placed in the hands of buyers.
