Truth Akin to Nature!

HAVE YOU PAIN? Be thankful. It is a vigorous effort of Nature to throw off morbid matter. From what may the morbid matter arise? From a bruise, or unwholesome air which has become mixed with blood, not incorporated in it, but which is liable to taint the whole mass if not speedily removed. Or the pain may arise from bile which has become bad, rancid, putrid, in consequence of the want of power in the proper organs to discharge it. THIS IS THE CASE WITH MOST OF THE PEOPLE who only the symptoms of the efforts of Nature, (or the vital principle of the blood,) to EXPELL THE EXCESSIVE OR IMPURE MATTER, which would otherwise destroy the human fabric. All diseases are of the solids or fluids, or both. When we have pain in our head, or in our foot, in our throat or in our back or bowels, let us be satisfied that it is produced by the efforts of our blood to throw off morbid matter, and if this be so, if we can but believe and understand this, our cure will be easy and generally sure. For our course will then be to help Nature to throw off the morbid matter, not to take away the blood. For the blood, EVERY DROP WE HAVE IS REQUIRED TO INSURE ULTIMATE HEALTH to the body; we must NOT LOSE A DROP; neither must we use any medicine internally which are not perfectly harmless, if applied externally to the body. So we must not use any of the preparations of mercury, neither must we use any vegetable medicine of CORROSIVE POWER.

In order to discriminate between Truth, which is eternal, and conjecture, which is but a transient vision, we must be guided by the light of EXPERIENCE. To what does experience direct? To the FREE USE OF DR. BRANDRETH'S PILLS in all cases of bodily suffering. As this advice is followed, SO WILL THE HEALTH OF THE BODY BE. The writer has long used them and has never found them fail of imparting relief. In all acute diseases let Brandreth's Pills and mild diet be used. In chronic complaints let the Pills be used as often as convenient, by which means the vitality of the blood will be improved, and a crisis will be generally brought about; the disease being changed to acute, a few large doses of Pills and a few days confinement to the house, will change the chronically diseased individual, to a sound man. This is no figure of the imagination; it can be proved by a thousand matter-of-fact men who have experienced it. REMEMBER, in all cases of disease, no matter whether it be a cold or a cough; whether it be asthma or consumption; whether it be rheumatism or pleurisy; whether it be typhus or fever and ague, or bilious fever; or cramp or hounding cough or measles; whether it be scarlet fever or small pox, that the Pills, known as Brandreth's Pills, will surely do more than all the medicines of the Drug Stores for your restoration to health, and what is more will surely do you no harm.

TRUST TO BRANDRETH'S PILLS, take them so as to produce a brisk effect, and your sickness will be the affair of a day or two, while those who are too wise to follow this common-sense advice, will be sick for months. Let the sick enquire of the agent for Brandreth's Pills whether these things be so or not. Let them enquire among their friends and ask the same question. Verily if EVIDENCE is wanted it shall be procured. To the Sick, let me say, use the

The course of Education is thorough, practical and well calculated to qualify youth for the various duties of life, whether occupying public or private, Civil or Military stations. The moral and intellectual faculties are kept severely in action, but not at the expense of the physical, as is unfortunately for the health of our children too commonly the case throughout the country.

Regular and systematic Military Exercises, as well as Practical and Scientific Operations, introducing Surveying and Civil Engineering, are substituted in the place of unprofitable play, and required of all students—the usual six hours of daily recitation and study being invariably left undisturbed and uninterrupted.

The Officers, in rotation, discharge the duties of non-commissioned Officers, Officers of the Guard, and Officers of the Day, of Adjutants and Commandants of Parades; and for the purpose of rendering them more perfect, occasionally act as Military Instructors.

It has been found from experience, that this beautiful *Gymnastic* invigorates both mind and body, and by inducing habits of order and regularity, contributes much to mental improvement.

Politeness, neatness in dress, and strict punctuality will be closely attended to.
A cheap Uniform is adopted—Dress Parade days, Monday and Friday.

No deduction made for absence, unless in cases of protracted sickness. Hours of Recitation and Study, from 9 to 12 A. M., and from 2 to 4 P. M., in the Winter. Board and Washing, in highly respectable families from \$3 to \$10 per month.

Important Discovery!

Richardson & Co.'s Celebrated American Panacea.

THIS article is all compounded from Vegetable matter, free from any adulteration, and warranted free from any ingredient detrimental to health. It is the most invaluable discovery ever made from the Vegetable Kingdom, having never failed in direct instance (when taken in accordance with directions) to effect a cure of the following diseases, to-wit: Salt Rheum, Scrofula, Ulcerated Scrofula, Bronchitis, Peter Sores, King's Evil, Fistula, Inflammation and Chronic Rheumatism, Piles, Biles, Erysipelas, Scoury, Chronic Sore Eyes, Pains in the Bones, Scald Head, Blotches or Pimples on the face, and all cutaneous diseases. Eruptions of the skin, or pains or ulcers arising from an injudicious use of Mercury, or an impure state of the blood.

The curative properties of this Medicine consist in its producing a sure and effectual alternative of the whole system. In slight eruptions of the skin, or recently contracted diseases, one small bottle often effects the cure, while the experience of those who have been cured by it, of long standing and obstinate diseases, is that it requires from three to four large bottles to effect a perfect cure, and no return of the disease. It usually produces a tonic effect, while (in most cases) it also acts as a gentle cathartic, increasing the appetite and general health of the patient, causing all sores, or ulcers, to discharge more profusely than before taking it, and inducing a perfectly healthy action of the blood. Enough must be taken to effect an alternative, and as is the case, with all Medicines, its effects will vary, as the several constitutions differ from each other. Therefore, those using it should not distrust its efficacy if they do not receive immediate benefit. It is prepared with great care, and the extracts brought into so small a compass as to require, usually, but one table spoonful each day for an adult.

It is now in use by the first Physicians in the country, and pronounced by them to be the most anti-mercurial medicine known; and the most efficacious in the cure of all cutaneous and scrofulous affections. The cures effected by it are truly astonishing as may be seen by reference to the certificates and testimonials in possession of all the Agents. It has been found peculiarly efficacious in producing regularity of the Menes in Females, and has been taken with great benefit in pulmonary diseases.

Those in the use of it should abstain from stimulating drinks, Beer, Mustard, and all highly seasoned food. To be obtained, at wholesale, of TANS G. TALMAGE, General Agent, No. 20, Pine Street, opposite the Custom House, New York, and at retail of W. M. PECK, Special Agent, Raleigh, N. C. where Certificates of very happy cures may be seen.
