Notice to Owners of Mills.

HAVING obtained letters Patent for grinding up *Corn, Cob* and *Shuck*, in the ordinary Grist Mill now in use, I take this method of informing the public, especially those who may infringe the right without authority, that I shall hold all such persons who may either use or construct any Mill or Mills upon the principle of my Patent, responsible under the Patent laws of the United States. I learn that an infringement has been made in this State, and I would notify the public that I have disposed of the Patent right for this State to Maj. WM. P. COLLINS of this City—excepting two counties, Halifax and Northampton—and it would be well for all who wish to avail themselves of this valuable and saving improvement, to always advise with him upon the subject before having their Mills altered, unless they are satisfied others are acting under his authority. This addition of grinding up the Shuck thoroughly, is invaluable. I refer the public to Maj. COLLINS' publication in Newspaper form and hand-bills, for particulars, &c.

The course of Education is thorough, practical and well calculated to qualify youth for the various duties of life, whether occupying public or private. Civil or Military stations. The moral and intellectual faculties are kept severely in action, but not at the expense of the physical, as is unfortunately for the health of our children too commonly the case throughout the country.

Regular and systematic Military Exercises, as well as Practical and Scientific Operations, introducing Surveying and Civil Engineering, are substituted in the place of unprofitable play, and required of all students—*the usual six hours of daily recitation and study being invariably left distinct & uninterrupted.*

The Cadets, in rotation, discharge the duties of non-commissioned Officers, Officers of the Guard, and Officers of the Day, of Adjutants and Commandants of Parade; and for the purpose of rendering them more perfect, occasionally act as Military Instructors.

It has been found from experience, that this beautiful *Gymnase* invigorates both mind and body, and by inducing habits of order and regularity, contributes much to mental improvement.

Politeness, neatness in dress, and strict punctuality will be closely attended to.

A cheap Uniform is adopted—Dress Parade days, Monday and Friday.

No deduction made for absence, unless in cases of protracted sickness. Hours of Recitation and Study, from 9 to 12½ A. M., and from 2 to 4½ P. M., in the Winter. Board and Washing, in highly respectable families from 8½ to $10 per month.

North Carolina Institution For the Deaf and Dumb.

THE Literary Board respectfully announce to the Public, that in accordance with an Act passed at the last Session of the General Assembly, it has made provision for putting in operation a School for the education of the Deaf and Dumb, at or near Raleigh, to commence on the 1st day of May next.

The expense of each Pupil will be $160 per year, including Books and Stationary, (and for Poor Pupils, Clothing and Physicians' Bill, if necessary) as well as Boarding and instruction.

As the chief object of the Law is to provide for the education of the poor and destitute, and as the aid of the Justices of the County Courts is required in making such provision, the Board most earnestly request each Chairman of a County Court, and County Solicitor in the State, to bring the Act aforesaid to the notice of the Justices of their County, at the first Term, hereafter, when a majority shall be present.—And to ascertain, by inquiry then made, what number of Deaf and Dumb and Blind white persons, (distinguishing the sexes) over 8 and under 30 years of age, there may be in such County, when or whose Parents are unable to pay for their education. Also, whether the Court will levy by taxation, the amount allowed by Law for their education, or that of any of them, and communicate the same to this Board as early as practicable.

The amount of appropriation for the Deaf and Dumb, will allow of the instruction of thirty-five beneficiaries each year, provided the County Courts shall raise for each one sent, *from their Counties*, the amount contemplated by the Law, to-wit: *Seventy-five Dollars.* The Board propose at the commencement, to receive *five* beneficiaries *from each Judicial Circuit* in the State. If a greater number shall apply, the selection, in cases of equal capacity for education, will be made by lot.

Each person applying to be admitted as a beneficiary of the State, will be required to produce a Certificate of the County Court of his County under its Seal, and with the signature of its Clerk, stating

1st. That such applicant is a resident of such County.

2nd. That he or she, though Deaf and Dumb, is not deemed to be idiotic or lunatic.

3rd. That the Estate of such applicant, or of his or her Parents, is not sufficient to enable him or her to pay for education.

The Board has opened a correspondence with approved Institutions in other States for the education of the Blind, to enable it to determine whether the appropriation for their benefit can be better expended in opening a School for them within the State, or by sending them abroad. In the mean time, it is hoped that every County will make returns to the Board, of the number, sex and age, of the destitute blind persons within its limits, in the manner already indicated.

WILLIAM A. GRAHAM,
President *ex officio* Literary Board.

DR. KUHL'S RESTOREB.

Important Cure of Liver Complaint as communicated in a letter to Dr. Kuhl, from J. M. A. Drake, Esq. C. S. C. Ashboro', N. C.

He wrote as follows, "Dr. J. Kuhl, your Medicines are about to take a start in this County, from the fact, that they effected a cure which seems to have baffled the skil of the physicians in this section for a year or two. The subject is Mr. Nathaniel Newbey, who has been afflicted with the Liver complaint, together with some other complaints. Flatulence and Dyspepsia. He has taken one bottle of the Restorer, together with the Depurative Powder. He says in twelve hours he felt relieved, and in twenty-four hours *much relieved.* He has so far recovered now, as to follow the avocations of his farm, with little or no difficulty. He says he wants all who are afflicted to use your Medicines, and is recommending them to the afflicted, &c. Signed, J. M. A. Drake."

Dr. Kuhl visited Asheboro' on the 13th of Feb. 1844, and had the gratification to learn, that Mr. Nath Newbey is well, and recommends his Medicines in the highest terms.

Extract of a letter to Dr. J. Kuhl from George R. Barr, Esq. Abingdon, Va.

"I have had several venereal cases, which have been successfully treated with your *Abyssinian Mixture or Anti Syphillitic Syrup.* I will mention one case, which had been treated with the usual remedies for three months, but without any abatement of the disease. Your Medicines was procured and the disease which appeared so obstinate, in a few days yielded to your remedy, &c.

"Signed, GEO. R. BARR.

Reference to John Read, jr. Esq. Jeffersonton, Culpeper co, Va.

Richard B. K. Lawson, Esq. of Gloucester county, Va. informed Dr. Kuhl on the 6th of November, 1843, as follows: "Dear Sir, I wish to inform you, that my wife was about 6 years afflicted with a pulmonary complaint, inflammatory rheumatism and general debility, and finding no relief during the whole of that period from the prescription of the most eminent physicians, she began to use your Restorer of the Blood, Depurative Powder and Aromatic Extract, which cured her in a short time," &c.

Signed, RICHARD B. K. LAWSON.

Mr. George Erhart's son was very seriously afflicted with Dropsy and Inflammatory Rheumatism, and after having tried the prescriptions of a number of physicians of eminence, of that section of country, without any benefit, sank from day to day, and every one thought death inevitable. Mr. Erhart concluded to try Dr. Kuhl's Restorer, Aromatic Extract and Depurative Powder, which gave the most happy result, as communicated in a letter to Dr. Kuhl, from Robert Gardner, Esq. Christiansburg, Va. of the 25th June, 1843, in which he says: "The Medicines he got proved entirely satisfactory. The young man, to the great joy of his parents, from being in the most deplorable situation, on the very grave's verge, is now enjoying good if not perfect good health, and your Medicines have the credit of curing him."

"Signed ROBERT GARDNER."
