Notice to Owners of Mills.
HAVING obtained letters Patent for grinding up Corn, Cob and Stalk, in the ordinary Grist Mill now in use, I take the method of informing the public, especially those who may infringe the right without authority, that I shall hold all such persons who may either use or construct any Mill or Mills upon the principle of my Patent, responsible under the Patent laws of the United States. I learn that an infringement has been made in this State, and I would notify the public that I have disposed of the Patent right for this State to Maj. Wm. P. COLLIER of this City—excepting two counties, Halifax and Northampton—and it would be well for all who wish to avail themselves of this valuable and saving improvement, to always advise with him upon the subject before having their Mills altered, when they are satisfied others are acting under his authority. This addition of grinding up the Stalk thoroughly, is invaluable. I refer the public to Maj. COLLIER'S publication in Newspaper form and hand-bills, for particulars, &c.

TERMS FOR SESSION OF FIVE MONTHS.

English do. (Elementary & higher branches) 15 00
Military do. (Infantry & Artillery practice) no charge
The course of Education is thorough, practical and well calculated to qualify youth for the various duties of life, whether occupying public or private, Civil or Military stations. The moral and intellectual faculties are kept severely in action, but not at the expense of the physical, as is unfortunately for the health of our children too commonly the case throughout the country.
Regular and systematic Military Exercises, as well as Practical and Scientific Operations, introducing Surveying and Civil Engineering, are substituted in the place of unprofitable play, and required of all students—the usual six hours of daily recitation and study being invariably left distinct & uninterrupted.
The Cadets, in rotation, discharge the duties of non-commissioned Officers, Officers of the Guard, and Officers of the Day, of Adjutants and Commandants of Parade; and for the purpose of rendering them more perfect, occasionally act as Military instructors.
It has been found from experience, that this beautiful *Gymnasia* invigorates both mind and body, and by inducing habits of order and regularity, contributes much to mental improvement.
Poli-vices, neatness in dress, and strict punctuality will be closely attended to.
A Cheap Uniform is adopted—Dress Parade days, Monday and Friday.
No deduction made for absence, unless in cases of protracted sickness. Hours of Recitation and Study, from 9 to 12 A. M., and from 2 to 4 P. M., in the Winter; Board and Washing, in-tightly respectable families from \$4 to \$10 per month.

COMMITTED
TO the Jail of Guilford County on the 25th December, 1844, a negro man who says his name is **BOB EDWARDS,** that he was born free, but taken up and committed as a runaway slave, which he does not deny. He says he was born in Hyde County in this State, that his relations left there when he was young, and there is no person there who can prove his freedom. Said negro about thirty years of age, five feet, nine inches high, stout made, black complexion, has a small scar on his left hand, right eye-tooth out, laughs a great deal when talking, rather a fine voice for a negro, and no doubt has worked on or near the railroad from Raleigh to Wilmington. The owner of said slave will come forward, prove property, pay charges, and take him away, or he will be dealt with according to law.

DR. KUHLL'S RESTORER.

Important Cure of Liver Complaint as communicated in a letter to Dr. Kuhl, from J. M. A. Drake, Esq. C. S. C. Ashboro', N. C.
He wrote as follows: Dr. J. Kuhl, your Medicines are about to take a start in this County, from the fact that they effected a cure which seems to have baffled the skill of the physicians in this section for a year or two. The subject of Mr. Nathaniel Newbery, who has been afflicted with the Liver complaint, together with some other complaints, Flatulence and Dyspepsia. He has taken one bottle of the Restorer, together with the Depurative Powder. He says in twelve hours he felt relieved, and in twenty-four hours much relieved. He has so far recovered now as to follow the avocations of his farm, with little or no difficulty. He says he wants all who are afflicted to use your Medicines, and is recommending them to the afflicted, &c. signed, J. M. A. Drake.
Dr. Kuhl visited Ashboro' on the 19th of Feb. 1844, and had the gratification to learn, that Mr. Nath Newbery is well, and recommends his Medicines in the highest terms.
Extract of a letter to Dr. J. Kuhl, from George P. Barr, Esq. Abingdon, Va.
"I have had several venereal cases, which have been successfully treated with your *Abyssinian Mixture* or *Anti-syphilitic Syrup*. I will mention one case, which had been treated with the usual remedies for three months, but without any abatement of the disease. Your Medicines were procured and the disease which appeared so obstinate, in a few days yielded to your remedy, &c.
Signed, GEO. P. BARR.
A Lady of Bedford Co. Va. for about 17 years afflicted with contraction, lameness and nervous head ache, caused by taking calomel and getting cold on it, and after using the whole time the prescriptions of the most eminent physicians, without any effect, she said from year to year, but was finally successfully treated with the Restorer, Gold Mine Balsam and Aromatic Extract. We have omitted the name of this lady, but if any particulars should be desired, we refer to Maj. Wm. Lettwith, Otterbridge, P. O., Bedford Co., Va.
Mrs. Felix Huffman was suffering for some years under Consumption, &c. She used numerous prescriptions without any benefit, and was declared incurable, but was cured by the use of the Restorer, Gold Mine Balsam Aromatic Extract and Universal Plaster. Reference to John Read, Jr. Esq. Jeffersonston, Culpeper Co. Va.
Richard B. K. Lawson, Esq. of Gloucester County, Va. informed Dr. Kuhl on the 6th of November, 1843, as follows: "Dear Sir, I wish to inform you, that my wife was about 6 years afflicted with a pulmonary complaint, inflammatory rheumatism and general debility, and finding no relief during the whole of that period from the prescription of the most eminent physicians, she began to use your Restorer of the Blood, Depurative Powder and Aromatic Extract, which cured her in a short time, &c.
Signed, RICHARD B. K. LAWSON."
Mr. George Erhart's son was very seriously afflicted with Dropsy and Inflammatory Rheumatism, and after having tried the prescriptions of a number of physicians of eminence of that section of country, without any benefit, sank from day to day, and every one thought death inevitable. Mr. Erhart concluded to try Dr. Kuhl's Restorer, Aromatic Extract and Depurative Powder, which gave the most happy result, as communicated in a letter to Dr. Kuhl, from Robert Gardner, Esq. Christiansburg, Va. of the 5th June, 1843, in which he says: "The Medicine he got proved entirely satisfactory. The young man, to the great joy of his parents, from being in the most deplorable situation, on the very grave a verge, is now enjoying good if not perfect good health, and your Medicines have the credit of curing him."
Signed, ROBERT GARDNER.
