Notice to Owners of Mills. and now in use, I take this method of informing the public, especially those who may infringe the right without authority, that I shall hold all such persons who may either use or construct any Mill or Mille Patent laws of the United States. I learn that an inragement has been made in this State, and I would cufr the public that I have disposed of the Patent ight for this State to Maj. Wm F. Cours of this City-excepting two counties, Halifax and Northunuton--and it would be well for all who wish to avail themselves of this valuable and saving improvement, to always advise with him upon the subject before having their Mills altered, unless they are satisfed others are acting under his authority. This adhtion of grinding up the Shuck thoroughly, is invaluable I refer the public to Maj. Courses' publication in Newspaper form and hand-hills, for particu-
