For Sale or Rent,

TWO splendid new Houses and lots on Hillsborough street, leading from the Capitol to the Seminary and about half way between the two. One house is thirty feet by eighteen with a partition in the middle, with four rooms and two fire places, one above and below, and portico in front. The other is forty feet by twenty, with a ten foot passage above and below, making all the rooms private, each of which has good and comfortable fire places, and has a portico in front. There is attached to each of the houses a good kitchen, smoke house and dairy &c., and nearly three quarters of an acre belonging to each lot, and under a new plank fence with paling in front. Both of the houses are nicely finished, and painted both inside and out; as also the lot houses and paling. There is decidedly the best well of water in or about the City, convenient to the use of both lots. This is given up to be the most pleasant and healthy part of the City. Any person wishing to purchase, or rent, will make application to the Subscribers.

The course of Education is thorough, practical and well calculated to qualify youth for the various duties of life, whether occupying public or private, Civil or Military stations. The moral and intellectual faculties are kept severely in action, but not at the expense of the physical, as is unfortunately for the health of our children too commonly the case throughout the country.

Regular and systematic Military Exercises, as well as Practical and Scientific Operations, introducing Surveying and Civil Engineering, are substituted in the place of unprofitable play, and required of all students—the usual six hours of daily recitation and study being invariably left distinct & uninterrupted.

The Cadets, in rotation, discharge the duties of non-commissioned Officers, Officers of the Guard, and Officers of the Day, of Adjutants and Commandants of Parades; and for the purpose of rendering them more perfect, occasionally act as Military Inspectors.

It has been found from experience, that this beautiful Gymnasium invigorates both mind and body, and by inducing habits of order and regularity, contributes much to mental improvement.

Punctuality, neatness in dress, and strict punctuality will be closely attended to.

A cheap Uniform is adopted—Dress Parade days, Monday and Friday.

No deduction made for absence, unless in cases of protracted sickness. Hours of Recitation and Study, from 9 to 12 A. M., and from 2 to 4 P. M., in the Winter. Board and Washing, in highly respectable families from \$8 to \$10 per month.

Reduction of Freights.

Old Line of Petersburg Packets.

THE Proprietors of the Old Line of Petersburg Packets, desirous to meet the wishes of the Merchants of Petersburg and North Carolina, will, from this date, reduce their rates of Freight from New York to Petersburg, twenty-five per cent. from regular rates; and have a Vessel to sail weekly, or oftener, to meet the wants of the Trade.

They return their thanks for the patronage they have received, and hope, by care and attention, to merit a continuance of it. The Vessels are all commanded by respectable and responsible men, who have had great experience in the trade. The Vessels are also of the very first class, and insurance can be effected on their Cargoes at the lowest rates. The Line is composed of the following Vessels:

Schr. Ann, Josiah Hopkins, Master.
"Margaret, S. L. Woglom, "
"Juliette, John Woglom, "
"Baltimore, A. G. Woglom, "
"Gergen, Isaac Cole, "

LOOK HERE!

THE Subscriber will Rent on reasonable terms, for one or two years, a TRACT OF LAND in Montgomery County, containing between four and five hundred acres, part of which is cleared and under fence. It has two fine Meadows, well watered, two large Creeks running through the Tract. There is also, a first rate Mill seat; also, a fine Spring near the Dwelling House, which has been built within the last six months.

I will also lease a Tract containing 225 Acres in Moore County, near SHIELDS' Gold Mine. On this Tract, Gold has been found in large quantities by panning, though but limited experiments have been made, as I find it inconvenient for me to work the Mine to advantage at present. I flatter myself, I can show the best specimen of Copper Ore from this Tract, ever obtained in the State. I will show the above Tracts with pleasure, to persons desiring to lease.
