One house is thirty feet by eighteen with a partition in the middle, with four rooms and two fire places, one above and below, and portico in front. The other is forty feet by twenty, with a ten foot passage above and below, making all the rooms private, each of which has good and comfortable fire places, and has a portico in front. There is attached to each of the houses a good kitchen, smoke house and dairy &c., and nearly three quarters of an acre belonging to each lot, and under a new plank fence with railing in front. Both of the houses are nicely finished, and painted both inside and out; as also the out houses, and railing. There is decidedly the best well of water in or about the City, convenient to the use of both lots. This is given up to be the most pleasant and healthy part of the City. Military do. (Infantry & Artillery practice) no charge

The course of Education is thorough, practical and well calculated to qualify youth for the various duties of life, whether occupying public or private, Civil or Military stations. The moral and intellectual faculties are kept severely in action, but not at the expense of the physical, as is unfortunately for the health of our children too commonly the case throughout the country.

Regular and systematic Military Exercises, as well as Practical and Scientific Operations, introducing Surveying and Civil Engineering, are substituted in the place of unprofitable play, and required of all students—*the usual six hours of daily recitation and study being invariably left distinct & uninterrupted.*

The Cadets, in rotation, discharge the duties of non-commissioned Officers, Officers of the Guard, and Officers of the Day, of Adjutants and Commandants of Parade; and for the purpose of rendering them more perfect, occasionally act as Military Instructors.

It has been found from experience, that this beautiful *Gymnase* invigorates both mind and body, and by inducing habits of order and regularity, contributes much to mental improvement.

Politeness, neatness in dress, and strict punctuality will be closely attended to.

A cheap Uniform is adopted—Dress Parade days, Monday and Friday.

No deduction made for absence, unless in cases of protracted sickness. Hours of Recitation and Study, from 9 to 12½, A. M., and from 2 to 4½, P. M., in the Winter. Board and Washing, in highly respectable families from 8½ to $10 per month.

Utley's Patent Washer,
An entirely new Article,
Invented by GRAY UTLEY, Chapel Hill, N. C.

THIS new Washing Machine, just invented, and now in successful operation, is so simple in its character, that almost a child can work it—so cheap in price, that every family will be able to own one—and so labour-saving in its result, that it *must* command sales, when its merits are known.

The construction is so simple, that with a pattern, any Carpenter and Blacksmith can make one, and it is not easily put out of order. The clothes to be washed, are put in at each end of the Washer, and a crank, worked by one person, puts in motion two Rollers, which by gentle pressure and friction, thoroughly cleanses the Clothes in an incredibly short time. It will wash twelve Shirts, perfectly in fifteen minutes, and will perform, in a day, the work of seven expert Washerwomen.

The price is only Ten Dollars.

It is not deemed necessary to go into an elaborate description of the Washer, as it is now getting into use about Raleigh and its vicinity, and can be seen by those who want an article of the sort. ☞ **Persons are at liberty to try the Machine, and return it, if it fails to give satisfaction.**

in the commodious Brick Building lately occupied by Mrs. GREEN, on the corner of Middle and Front streets. It is his purpose to make it a desirable house for regular as well as transient boarders. If cleanliness, good servants, a table always provided with the best which the market will afford, and the most assiduous attention will entitle him to a share of the public patronage, it is his determination to merit it. His Stables will be found in excellent condition, and horses shall be well attended to.

LOOK HERE!

THE Subscriber will Rent on reasonable terms, for one or two years, a TRACT OF LAND in Montgomery County, containing between four and five hundred acres, part of which is cleared and under fence. It has two fine Meadows, well watered, two large Creeks running through the Tract. There is also, a first rate Mill seat; also, a fine Spring near the Dwelling House, which has been built within the last six months.

I will also lease a Tract containing 235 Acres in Moore County, near Shiffers' Gold Mine. On this Tract, Gold has been found in large quantities by panning, though but limited experiments have been made, as I find it inconvenient for me to work the Mine to advantage at present. I flatter myself, I can show the best specimen of Copper Ore from this Tract, ever obtained in the State. I will shew the above Tracts with pleasure, to persons desiring to lease.

ST. MARY'S SCHOOL,
RALEIGH, N. C.

RT. REV. L. S. IVES, D. D. VISITER.
REV. ALDERT SMEDES, RECTOR.

THE next Session of this School will commence on the 10th day of June, and continue ten months.

The Session will consist of two terms, of 5 months each, and payments will be required for each term, in advance. The Summer term will end on the 10th day of Nov. The Winter term will commence Nov. 11th, and end April 15th. The experience of three years, has satisfied the Rector of the inexpediency of having two vacations in the year; he has chosen a time for the vacation, when the body and mind being relaxed by the transition from Winter to Spring, a release from the duties of the School is required both by teachers and pupils, when the travelling in any direction is safe and agreeable, and when the health of the country is, every where, good. Pupils must enter at the commencement of a term, and may be removed at the end of it. It is important that all should be present at the opening of the term when the classes are formed. No deduction therefore, will be made for delay in entering, unless in the case of a new scholar, or of detention from sickness.

The expenses of the School are:

For Board, and English Tuition, per term of five months, $100 00
Tuition in French, 12 50
" in Music, on the Piano or Guitar 25 00
" with $2 00 for the use of Piano,
" on the Harp, 30 00
with $10 for the use of the instrument.
Tuition in Drawing and Painting, 15 00
Pens and Ink, 75
Board, &c during vacation, 10 00

N. B. Beds and bedsteads are furnished by the School, pupils are required to furnish their own bedding and towels. The clothing of pupils should be distinctly marked with the owner's name in full. Mrs. Smedes will superintend any purchases parents may authorize their children to make in the City, but no account will be opened at any Store without the express sanction of parents or guardians. The religious services of Sundays being held in the Chapel of the Institution by the Rector, pupils have rarely occasion to visit the City, and the plainest attire is all that they require. Extravagance in dress is opposed to the principles and practice of the School, and parents, who entrust the care of their children's ward robe, **entirely to the discretion** of the Rector and his assistants, will never have occasion to complain on this subject.

Pupils are allowed to accept invitations in the City, for the day, only, once a month; and never for the evening. They have opportunities of seeing their friends at the Soirees, which are stately held during the Session.

The pocket money of Pupils must be placed in the hands of the Rector. In making purchases for their children, parents will have respect to the following regulations: The ordinary dress of Pupils, in Winter, will consist of such articles of Merino, Mouslin de Laine, Calico, or Gingham, of dark colors, as they may have in their possession. The **dress of the School,** to be used on Sundays and other special occasions, must be of Merino, or Mouslin de Laine, of a dark blue color, made without trimming. The dress for the Soirees must be of plain white cambric, with no other ornament than a blue or pink ribbon. Bonnets must be of straw, with a dark blue ribbon, in Winter, and in Summer, with a ribbon of lighter color. The ordinary dress for Summer, must be of Calico or Gingham; the dress for Sunday, of plain white Cambric. Lace in any form, Artificial flowers, and Jewelry of any description, are entirely forbidden.

Raleigh, April 1, 1845. 28—8w

To afford Parents and Guardians an idea of the necessary expense of educating a Young Lady at St. Mary's School, the Rector adds, that for the sum of $400, per year, he will become responsible for her Board, and instruction in English, French and Music, her Books, Clothing, and every incidental expense.

☞ The papers which have been requested to copy the advertisement of St. Mary's School, will please add to it, the above few lines.

DR. KUHL'S RESTORER.

Important Cure of Liver Complaint as communicated in a letter to Dr. Kuhl, from J. M. A. Drake, Esq. C. S. C. Asheboro', N. C.

He wrote as follows, "Dr. J. Kuhl, your Medicines are about to take a start in this County, from the fact, that they effected a cure which seems to have baffled the skill of the physicians in this section for a year or two. The subject is Mr. Nathaniel Newbey, who has been afflicted with the Liver complaint, together with some other complaints. Flatulence and Dyspepsia. He has taken one bottle of the Restorer, together with the Depurative Powder. He says in twelve hours he felt relieved, and in twenty-four hours *much relieved.* He has so far recovered now, as to follow the avocations of his farm, with little or no difficulty. He says he wants all who are afflicted to use your Medicines, and is recommending them to the afflicted, &c. Signed, J. M. A. Drake."

Dr. Kuhl visited Asheboro' on the 12th of Feb. 1844, and had the gratification to learn, that Mr. Nath Newbey is well, and recommends his Medicines in the highest terms.

Extract of a letter to Dr. J. Kuhl, from George R. Barr, Esq. Abingdon, Va.

"I have had several venereal cases, which have been successfully treated with your *Abyssinian Mixture* or *Anti Syphilitic Syrup.* I will mention one case, which had been treated with the usual remedies for three months, but without any abatement of the disease. Your Medicines was procured and the disease, which appeared so obstinate, in a few days yielded to your remedy, &c.

"Signed, GEO. R. BARR.

Reference to John Read, jr. Esq. Jeffersonton, Culpeper co. Va.

Richard B. K. Lawson, Esq. of Gloucester county, Va. informed Dr. Kuhl, on the 5th of November, 1843, as follows: "Dear Sir, I wish to inform you, that my wife was about 6 years afflicted with a pulmonary complaint, inflammatory rheumatism and general debility, and finding no relief during the whole of that period from the prescription of the most eminent physicians, she began to use your Restorer of the Blood, Depurative Powder and Aromatic Extract, which cured her in a short time," &c.

Signed, RICHARD B. K. LAWSON."

Mr. George Erhart's son was very seriously afflicted with Dropsy and Inflammatory Rheumatism, and after having tried the prescriptions of a number of physicians of eminence of that section of country, without any benefit, sank from day to day, and every one thought death inevitable. Mr. Erhart concluded to try Dr. Kuhl's Restorer, Aromatic Extract and Depurative Powder, which gave the most happy result, as communicated in a letter to Dr. Kuhl, from Robert Gardner, Esq. Christiansburg, Va. of the 25th June, 1843, in which he says: "The Medicines he got proved entirely satisfactory. The young man, to the great joy of his parents, from being in the most deplorable situation, on the very grave's verge, is now enjoying good if not perfect good health, and your Medicines have the credit of curing him.

"Signed ROBERT GARDNER."
