The moral and intellectual faculties are kept severely in action, but not at the expense of the physical, as is unfortunately for the health of our children too commonly the case throughout the

Regular and systematic Military Exercises, as well as Practical and Sciencific Operations, introducing Surveying and Civil Engineering, are substituted in the place of unprofitable play, and required of all students-the usual six hours of daily recitation and study being invariably left distinct & uninterrupted.

The Caders, in rotation, discharge the duties of non-commissioned Officers, Officers of the Goard, and Officers of the Day, of Adjutants and Commandents of Parade; and for the purpose of rendering them more perfect, occasionally act as Military Instructors. It has been found from experience, that this beau-

Utley's Patent Washer, An entirely new Article,

Invented by GRAY UTLEY, Chapel Hill, N. C.

HIS new Washing Machine, just invented, and now in su cossful operation, is so simple in its in price, that every family will be able to own oneand so labour-saving in its results, that it must command sales, when its merits are known.

The construction is so simple, that with a pattern, any Carpenter and Blacksmith can make one, and it is not easily put out of order. The clothes to be washed, are put in at each end of the Washer, and a crank, worked by one person, puts in motion two Rollers, which by gentle pressure and friction, thorthe people and the kind of Goods suitable for this oughly cleanses the Clothes in an incredibly short time. It will wash twelve Shirts, perfectly in fifteen minutes, and will perform, in a day, the work of seven expert Washerwomen.

The price is only Ten Dollars. It is not deemed necessary to go into an elaborate description of the Washer, as it is now getting into use about Raleigh and its vicinity, and can be seen by those who want an article of the sort. Persons are at liberty to try the Machine, and return it, if it fails to give satis-

He has taken one bottle of the Restorer, together with the Depurative Powder. He says in twelve hours he felt relieved, and in twenty-four hours much relieved. Dr. Kuhl visited Asheboro' on the 12th of Feb. 1844, and had the gratification to learn, that Mr. Nath Newbey is well and recommends his Medicines in the highest terms.

Extract of a letter to Dr. J. Kuhl. from George R. Burr, Esq. Abingdon, Va. "I have had several venergal cases, which have been successfully treated with your Abyssinian Mizture of Anti Syphilitic Syrup. I will mention one case, which had been treated with the usual remedies for three months, but without any abatement of the disease. We have omitted the name of this to Maj. Wm. Leftwich, Otterbridge, P. O., Bedford

Mrs. Felix Huffman was suffering for some y are under Consumption, &c. She used numerous prescriptions without any benefit, and was declared incurable, but was cured by the use of the Restorer. Gold Mine Balsom Arematic Extract and Universal Witness, William T. Perry, Clerk of our said Plaster. Reference to John Read, jr. Esq. Jefferson-

Kichard B. K. Lawson, Esq. of Gloucester Va. informed Dr. Kuhl on the 6th of November, 1843. as follows : " Dear Sir, I wish to inform you, that my wife was about 6 years afflicted with a polinopary complaint, inflammatory rheumatism and general debility, and finding no relief during the whole of that period from the prescription of the most eminent physicians, she began to use your Restorer of the Blood, Depurative Powder and Aromatic Extract, which cured her in a short time." &c.

Mr. George Ethart's son was very seriously sefficted with Dropsy and Inflammatory Rheumanism, and after having tried the prescriptions of a number of physicians of eminence of that section of country, without any benefit, sank from day to day, and every one thought death inevitable. Mr. Erhart concluded to try Dr. Kuhl's Resturer, Aromatic Extract and Depurative Powder, which gave the most happy result, as communicated in a letter to Dr. Kuhl, from Robert Gardner, Esq. Christiansburg, Va. of the 25th June, 1843, in which he says: "The Medicines he got proved entirely satisfactory. The young man, to the great joy of his parents, from being in the most deplorable situation, on the very grave's verge, is now enjoying good if not perfect good health, and your Medicines have the credit of curing him.
