North Carolina LITERARY, SCIENTIFIC AND MILITARY Arms and Equipments furnished by

R. GRAY Classics, English, etc Mathematics, Tactics, etc. Q. A. BUCK. Experimental Chemistry & 3 S. N. BOTSPORD

TERMS PER SESSION OF FIVE MONTHS. Classical Department, (Collegiate course, including full English Studies, with Mathe-

marjes,)
English do. (Elementary & bigher branches) 15 00 Military do. (Infantry & Artillery practice) no charge.

The course of Education is thorough practical and well calculated to qualify youth for the various duties of life, whether occupying public or private, Civil or Military stations. The moral and intellectual faculties are kept severely in action, but not at the expense of the physical, as is unfortunately for the health of our children too commonly the case throughout the

Regular and systematic Military Exercises, as well as Practical and Scientific Operations, introducing Surveying and Civil Engineering, are substituted in the place of unprofitable play, and required of all sudents—the usual six hours of daily recitation and study being invariably left distinct & uninterrupted.

The Caders, in rotation, discharge the duties of non commissioned Officers, Officers of the Guard,

and Officers of the Day, of Adjutants and Comman-dents of Parade; and for the purpose of rendering them more perfect, occasionally act as Military In-

It has been found from experience, that this beau-tiful Gymnuse invigorates both mind and body, and by inducing habits of order and regularity, contributes puch to mental improvement.

Politeness, neatness in dress, and strict punctuality

will be closely attended to.
A cheap Uniform is adopted-Dress Parade days,

Monday and Friday.

No deduction made for absence, unless in cases of rotracted sickness. Hours of Recitation and Study, from 9 to 124. A. M , and from 2 to 44, P. M., in the Winter. Board and Wushing, in highly respec table families from 8) to \$10 per month.

GREAT NATIONAL WORK. The United States Exploring Expedition.

THE "Narrative of the United States Exploring Expedition." during the years 1838, 1839, 1840, 1841 and 1842, by Charles Wilkes, U. S. N. mander of the Expedition. With illustrations, in five magnificent large imperial octavo volumes. with an Atlas of large and extended Maps. This great and truly National work is usued in a style of superior magnificence and beauty, containing staty-four large and finished line engravings, embracing scenery, portraits, manners, cu-toms, 4c. forty-seven exquisite sterl vigneties worked among the letter-press; about two hundred and fifty finely executed wood-cut illustrations; fourteen large and small Maps and Charts, and nearly twenty six hundred pages of, letter press.
This splendid Work has just been issued from the

Press, and received this day at the North Carolina Book-store. TURNER & HUGHES.

Raleigh, April 24.

Utley's Patent Washer, An entirely new Article, invented by GRAY UTLEY, Chapel Hill, N. C.

THIS new Washing Machine, just invented, and now in su comfol operation, is so simple in its character, that almost a child can work it-so chesp pleasure, to persons desiring to lease. in price, that every family will be able to own oneand so labour-saving in its results, that it must command sales, when its merits are known.

The construction is so simple, that with a pattern, any Carpenter and Blacksmith can make one, and it crank, worked by one person, puts in motion two Rollers, which by gentle pressure and friction, thoroughly cleanses the Clothes in an incredibly short time. It will wash twelve Shirts, perfectly in fifteen minutes, and will perform, in a day, the work of sev-

The price is only Ten Dollars. It is not deemed necessary to go into an elaborate description of the Washer, as it is now getting into use about Raleigh and its vicinity, and can be seen by those who want an article of the sort. Persous are at liberty to try the Machine, and return it, if it falls to give satis-

their respective branches. Here arrived and taken charge of this popular Female

The Exercises of the School will commence on the 28th of May, and continue for five months, and be resumed after a vacation of two weeks, for five he Examination. The Course of Studies will be divided into four

Departments or Classes, with appropriate Studies as signed to each, so as to give to the Pupils who may take the whole course, the best opportunity for im-provement during their stay.

Few Schools, if any in the Union, will allord better opportunities to acquire a thorough education

Professor Monean comes recommended by some of the first biterary men of this country, as sesimently qualified for the position he now occupies, at the head of this firstitution; and to those who have read the Circular addressed to the public, it is evident that the plan of Instruction there pointed out, is well calculated to advance Pupils with rapidity, and make

hem fine Scholars.

The Proprietor, therefore, congratulates himself, and the Citizens of this and the adjoining States, that so good and convenient an opportunity for a thorough education is now offered, and at so cheep a rate. Persons wishing any information relative to the

School, will address Professor Monana, Greensber N. C. J. M. MOREHEAD, Greensbord', May 21, 1848, Proprietor.

Greensborough HIGH SCHOOL. THE TRUSTEES have the pleasure to announce to the public the opening of a School on Monday the 26th inst., designed to be inferior only to the University. The Presbytery of Orange having deemed it expedient to remove the Ca'dwell Institute, the citizens in a magnanimous educational spirit, resolved to build, upon a new organization, an Institution worthy of extended patronage. We forbear to present a catalogue of suvantages however just and appropriate, attendant upon our School. Experience has tested, and time will disclose and confirm them. We with confidence invite the attention of Parents and Guardians, The Professors engaged to take the charge are the Rev. ELI W. CARUTHERS, she Rev. JOHN A. GRETTER, Mr. SHAS C. LINDSLEY; and Dr. fOSEPH A. McLEAN,—who will exercise a joint supervision and control, aided by the Board of Trustees. The Classical Department will be under the immediate care of Mesars. Caruthers and Lindsley; the Marhematical Department under that of Mesars. Gretter and McLean; whilst the English Depart-

ment will receive attention from all the Paculty as a due division of labor may demand. We give to those who may favor the School with their encouragement the assurance that the hearty co-operation of the Citizens of the lown, and the Board of Trustees, is and will be given to the Paculty in furtherance of the purposes of the Institution. While an English and Classical education is the main object of a season spent within the walls of the school, yet others esteemed by us of high importance will be prosecuted with diligence. The moral and religious instruction of all committed to our care will

be guarded with anxiety.

In presenting to the public the Board of Paculty, we might justly be charged with presumption in trying to enlarge their reputation, were we to speak of their qualifications. The Rev. E. W. Caruthers is known far and near, and needs not a word of commendation from this Boards. The Rev. J. A. Gretter ANN PULLIAM & SISTERS,
Respectfully inform the public, that they still continue to keep a HOUSE OF ENTERTAINMENT at their well known stand. Owing to the scarcity of money, they have made a further reduction in their already moderate prices, and are now prepared to board Families by, the week or month, Travellers by the day, or regular customers by the month-or year.

Raleigh, May 20, 1845.

Haleigh, May 20, 1845.

Respectfully inform the public is familiar—he is one of the original Professors in the Caldwell Institute, having been connected with it eight years out of the nine of its operation. Mr. S. C. Lindsley superintended the Greensborough Academy five years prior to the commencement of the Caldwell Institute, and remained in that Institution during its whole continuence. Dr. J. A. McLean, from his success in the Caldwell Institute, and remained in that Institution during its whole continuence. Dr. J. A. McLean, from his success in the carbing has a consisted a separate and provided and remained in the carbon materials. teaching, has acquired a character promising great usefulness, and we enrol his name, with pride, among our Professors.

The price of Board and Tuition will be as usual in the village. The Sessions will be five months, commencing in May and November. The present Session begins on the 26th inst., and will terminate in

WILLIAM B. PAIRLEY, Proo'l? JOHN M. MOREHEAD, JOHN A. GILMER JEDUTHAN H. LINDSAY. JOHN M. DICK, JAMES SLOAN, RALPH GORRELL. Greensboro', Guilfeit to, May 24, 48, 49 St

National Calamity WAR WITH ENGLAND! A of the excitement has died away, and the minds of the people are quiet again, we would eat their attention to some splendid Cigara that we have just received, consisting of the following drauds:
