TWO splendid new Houses and lots on Hillsborough street, leading from the Capitol to the Seminary and about half way between the two. One house is thirty feet by eighteen with a partition in the middle, with four rooms and two fire places, one above and below, and portico in front. Utley's Patent Washer,
An entirely new Article,
Invented by GRAY UTLEY, Chapel Hill, N. C.

THIS new Washing Machine, just invented, and now in successful operation, is so simple in its character, that almost a child can work it—so cheap in price, that every family will be able to own one—and so labour-saving in its result, that it must command sales, when its merits are known.

The construction is so simple, that with a pattern, any Carpenter and Blacksmith can make one, and it is not easily put out of order. The clothes to be washed, are put in at each end of the Washer, and a crank, worked by one person, puts in motion two Rollers, which by gentle pressure and friction, thoroughly cleanses the Clothes in an incredibly short time. It will wash twelve Shirts, perfectly in fifteen minutes, and will perform, in a day, the work of seven expert Washwomen.

The price is only Ten Dollars. It is not deemed necessary to go into an elaborate description of the Washer, as it is now getting into use about Raleigh and its vicinity, and can be seen by those who want an article of the sort. Persons are at liberty to try the Machine, and return it, if it fails to give satisfaction.

WARRENTON FEMALE SEMINARY.
THE Summer Session of this Institution, (which has been in successful operation for the last four years,) will commence the first Monday in July, and close on the last Friday in November. The Scholastic year is divided into two Sessions of five months each. Instruction is given in every branch of knowledge, comprehended in a thorough and accomplished Female Education. There are five instructors employed in the various departments of study, connected with the School. The daughters of those who wish to spend the Summer at SHOCO or the WHITE SULPHUR SPRINGS, will be received upon the same terms as other pupils, and charged only for the time they are members of the School. The location is proverbially healthy. All the necessary expenses of the year, without Music and Ornamental Branches, do not exceed \$125 00. With Music, the annual charge is \$175 50. On application to the Principal, Catalogues containing particular information may be obtained.
