NORTH CAROLINA

White Sulphur Springs,
WARREN COUNTY.

THE Proprietor of this delightful and salubrious Summer Retreat, takes pleasure in announcing to his friends and the public, that his House is now open for the reception of visitors, and that no reasonable trouble or expense will be spared to render comfortable those who may favor him with their company. Having added a *large three story building,* with many comfortable and pleasant rooms to his former establishment, he is prepared to accommodate a much larger company than heretofore, and assures those who may be disposed to patronize him, that his Table shall be *equal at least* to any in the State.

Satisfactory evidence of the Medicinal properties of the water might be given, but he deems it only necessary to say that a recent Chemical Analysis by Professor Hardy, proves it to contain the following Gases, Salts, &c., in quantities amply sufficient for all useful purposes, viz: Sulphuretted Hydrogen and Carbonic Acid Gas; Sulphate of Magnesia; Sulph. of Lime; Muriate of Soda; Oxide of Iron, &c.

The water is peculiarly adapted to the cure of diseases of the Liver, Kidneys and Skin, Dyspepsia, feeble Digestion, Jaundice, &c.

Such arrangements will be made as will enable those who travel by the Rail Road (which runs within 12 miles) to obtain at all times the means of conveyance to and from the Springs.

Mrs. M. A. Ramsay

HAS removed her Millinery Establishment to Mr. Rorke's house, on the south side of Harrison Street, two doors below the corner, on Wilmington Street, where she would be glad to see her old customers and friends. Owing to the difficulty of the times, she has reduced her prices for work.
