For Sale or Rent,

TWO splendid new Houses and Lots on Hillsborough street, leading from the Capitol to the Seminary and about half way between the two. One house is thirty feet by eighteen with a partition in the middle, with four rooms and two fire places, one above and below, and portico in front. The other is forty feet by twenty, with a ten foot passage above and below, making all the rooms private, each of which has good and comfortable fire places, and has a portico in front. Both of the houses are nicely finished, and painted both inside and out; as nice the out houses and paling. There is decidedly the best well of water in or about the City, convenient to the use of both lots. This is given up to be the most pleasant and healthy part of the City. INFORMATION

To Travellers going North.

Comparison of Expense to Travellers going North by the Great Mail Route, and the James River and Chesapeake Bay Line.

BY THE BAY LINE.

From Gaston to Baltimore	$9 00
Breakfast in Baltimore	50
Fare by the morning line to Philadelphia	3 00
Dinner on the Road	50
Whole expense	$13 00

BY THE GREAT MAIL ROUTE.

From Gaston to Baltimore, by the R. R. and Steam Boat to Washington, and thence by the Stage line to Baltimore $9 50, or by Rail Road line throughout two dollars and fifty cents more, Making	$11 00
From Baltimore to Philadelphia by the evening line,	3 00
Two Meals between Petersburg and Philadelphia,	1 00
Whole expense	$14 00

It will thus appear that the whole expense between Weldon and Philadelphia by the Great Mail Route over if the Traveller takes the Washington and Baltimore Rail Road, is but one dollar more to Philadelphia, and the Traveller reaches Philadelphia by this route one business day earlier than by the River and Bay route, saving much time and avoiding not only the uncertainties and risk of arrears delay by the Bay line, but its liability to accidents, storms, sea-sickness and other discomforts.

NORTH CAROLINA

White Sulphur Springs,

WARREN COUNTY.

THE Proprietor of this delightful and salubrious Summer Retreat, takes pleasure in announcing to his friends and the public, that his House is now open for the reception of visitors, and that no reasonable trouble or expense will be spared to render comfortable those who may choose to favor him with their company. Having added a large three story building with many comfortable and pleasant rooms to his former establishment, he is prepared to accommodate a much larger company than heretofore, and assures those who may be disposed to patronize him, that his Table shall be served at least as ably in the State.

Satisfactory evidences of the Medicinal properties of the water might be given, but he deems it only necessary to say that a recent Chemical Analysis by Professor Hardy, proves it to contain the following Gases, Salts, &c., in quantities amply sufficient for all useful purposes, viz: Sulphuretted Hydrogen and Carbonic Acid Gas; Sulphate of Magnesia; Sulph. of Lime; Muriate of Soda; Oxide of Iron, &c.

The water is peculiarly adapted to the cure of diseases of the Liver, Kidneys and Skin, Dyspepsia, feeble Digestion, Jaundice, &c.

WILLIAM D. JONES, Proprietor.

June 4, 1845. 48—pd

Print Warehouse,

IN NEW YORK,

To supply the City and Interior Trade, by the Piece or Package,

REMOVED

From 113 Pearl Street, to

44 CEDAR STREET,

NEAR WILLIAM STREET.

LEE & WEBSTER give notice to the Dealers in Dry Goods, that they have removed their Warehouse for Printed Calicoes exclusively, from Pearl to 44 Cedar street. By confining their attention to Prints only, L. & W. are enabled to make such assortments for supplying any ever before offered in America—and to sell at prices as low, and generally lower, than houses whose attention is divided among a large variety of articles.

The Stock consists of several thousands of Patterns and Colorings, embracing every variety of

American and Foreign Prints,

in market—many styles of which are got up exclusively for their own sales, and cannot be had elsewhere, except in second hands.

Dealers in Prints will find it for their interest to examine this Stock before making their purchases, as they will have the advantage of buying at the lowest market prices—and comparing all the qualities of styles to market side by side!

Catalogues of Prices, corrected with the fluctuations of the Market, are placed in the hands of Buyers on the 1st of September, 1st of March, and 1st of June.

September 26, 1845. 77—

Mrs. M. A. Ramsay

HAS removed her Millinery Establishment to Mr. Boyle's house on the south side of Fayetteville street, two doors above the corner of Wilmington street, where she would be glad to see her old customers and friends. Owing to the difficulty of the times she has reduced her prices for work.
