INFORMATION

To Travellers going North.

Comparison of Expense to Travellers going North by the Great Mail Route, and the Inland River and Chesapeake Bay Line.

BY THE BAY LINE.

From Gaston to Baltimore $9 00
Breakfast in Baltimore 50
Fare by the morning line to Philadelphia 3 00
Dinner on the road 50
Whole expense $13 00

BY THE GREAT MAIL ROUTE.

From Gaston to Baltimore, by the W. R. and Steam Boat to Washington, and thence by the Stage line to Baltimore through in two days and One night, Fare $11 00
From Baltimore to Philadelphia by the evening line, 2 00
Two Meals between Petersburg and Philadelphia, 1 00
Whole expense $14 00

It will thus appear that the best expected between Weldon and Philadelphia by the Great Mail Route, even if the Traveller enter the Washington and Baltimore Rail Road for one dollar more in Philadelphia, and the Train for another Philadelphia by the route and distance day earlier than by the River and Bay route, setting on the way and avoiding not only the inconvenience and cost of greater delay by the Bay line, but its liability to accidents, storms, sea-sickness and other discomforts.

TO MILL OWNERS ESPECIALLY.

In March, 1844, I purchased of C. T. Wallace, of Armstrong County, Kentucky, the right to his Grist Mills to grind Corn and Cob, but did not read his letters patent throughout, believing him to be honest. I have since discovered that he did not sell his Mills according to the plan specified in his letters patent—leaving out part of the law, and using part of another patent. I have used all the means necessary to enable me to arrive at the truth on the subject, and am satisfied that he has acted improperly in disposing of his patent. I have purchased of Maj. Wm. E. Collins, of Raleigh, his right to the patents of Mr. B. A. Knowlton, to fix Grist Mills to grind Corn, Cob and Shuck, in the Counties of Cumberland, Bladen and Robeson, and have compromised with him for the infringement of his right in Chatham and Richmond. I endeavored to open a correspondence with said Wallace, but he has failed to answer my letters. The object of this communication is to put others who have had dealings with him, upon their guard.

NORTH CAROLINA
White Sulphur Springs,
WARREN COUNTY.

THE Proprietor of this delightful and fashionable Summer Retreat, takes pleasure in announcing to the friends and the public, that he has made such improvements in the accommodations of the Springs, as to render his visitors as comfortable, if not more so, than they have been at any other watering place in the State. He has also added a large three story building with many comfortable and pleasant rooms to his former establishment, so as to present to the public a much larger company than heretofore, and to those who may be disposed to patronize him, he pledges himself that he will be found at least as ready to wait on them, and as attentive to their comfort, as any other Proprietor in the State.

Satisfactory evidences of the Medicinal properties of the water might be given, but it seems only necessary to say that Professor Hardy, (whose name is familiar to all useful purposes,) has analyzed the water, and found the following Ingredients, viz: Sulphuret of Magnesia, Sulphate of Magnesia, Muriate of Soda, Oxide of Iron, &c.

The water is peculiarly adapted to the cure of diseases of the Liver, Kidneys and Skin, Dyspepsia, Feeble Digestion, Jaundice, &c.

Such arrangements will be made as will enable those who travel by the Rail Road (which runs within 12 miles) to obtain at all times the means of conveyance to and from the Springs.
