INFORMATION
To Travellers going North.

Comparison of Expense to Travellers going North by the Great Mail Route, and the James River and Chesapeake Bay Line.

BY THE BAY LINE.

From Gaston to Baltimore	$8 00
Breakfast in Baltimore	50
Fare by the morning line to Philadel'a.	3 00
Dinner on the Road	50
Whole expense	$13 00

BY THE GREAT MAIL ROUTE.

From Gaston to Baltimore, by the R. R. and Steam Boat to Washington, and thence by the Stage line to Baltimore $8 50, or by Rail Road line throughout two dollars and fifty cents more. Making	$11 00
From Baltimore to Philadelphia by the evening line,	2 00
Two Meals between Petersburg and Philadelphia,	1 00
Whole expense	$14 00

It will thus appear that the whole expense between Weldon and Philadelphia by the Great Mail Route, even if the Traveller takes the Washington and Baltimore Rail Road, is *but one dollar more* to Philadelphia, and the Traveller reaches Philadelphia by this route *one business day earlier* than by the River and Bay route, resting on the way and avoiding not only the uncertainties and risk of greater delay by the Bay line, but its liability to *accidents, storms, sea-sickness and other discomforts.*

Print Warehouse,
IN NEW YORK,
To supply the City and Interior Trade, by the Piece or Package,
REMOVED
From 113 Pearl Street, to
44 CEDAR STREET,
NEAR WILLIAM STREET.

LEE & BREWSTER give notice to the Dealers in Dry Goods, that they have removed their Warehouse for Printed Calicoes exclusively, from Pearl to 44 Cedar street. By confining their attention to Prints only, L. & B. are enabled to exhibit an assortment far surpassing any ever before offered in America—and to sell at prices as low, and generally lower, than houses whose attention is divided among a large variety of articles.

The Stock consists of *several thousands of Patterns and Colorings*, embracing every variety of
American and Foreign Prints
in market—many styles of which are got up exclusively for their own sales, and cannot be had elsewhere, except in second hands.

Dealers in Prints will find it for their interest to examine this Stock before making their purchases—they will have the advantage of learning the lowest market prices—and comparing all the desirable styles in market side by side.

Catalogues of Prices, corrected with every variation of the Market, are placed in the hands of buyers.

THE SUBSCRIBER intending to remove to his plantation in the country, offers a great bargain in the sale of his Merilaville Tract of land immediately adjoining the town of Oxford. The tract contains 215 acres, with an ample supply of timber and fire-wood, and an unusual quantity of well improved land. The dwelling, (of the largest dimensions) is just completed in the most fashionable and neatest style of architecture, and is situated on a beautiful eminence within ¼ a mile of the Court House. The town of Oxford is distinguished for the healthiness of its location, and the refined and moral character of its inhabitants. The schools are in a flourishing condition. Should the above premises not be disposed of by the month of December, they will be offered for rent the ensuing year.

RUNAWAY,

FROM the Subscriber about the first of May last his Negro Man, **GIDEON.** He was purchased by me from Mrs. Mary Taylor, of this County, some time in the month of February last, while in the Jail in Waynesboro'. Gideon is about 38 years of age, yellow complexion, stout built and rocks considerably in walking. He has been lurking about in this County since he absented himself from my service, until about three weeks ago. His wife was taken from here to Wake County last Fall and belongs to Mr. James Ferrell. He also has a brother who belongs to Mr. John E. Becton of Wayne County. I have some reasons to believe that he is at this time either in Wayne or Wake County. I will give a Reward of Ten Dollars to any person who will apprehend the said Negro and confine him in any Jail so that I get him again.
