Print Warehouse,
IN NEW YORK,
To supply the City and Interior Trade, by the Piece or Package.

REMOVED
From 113 Pearl Street, to
44 CEDAR STREET,
NEAR WILLIAM STREET.

LEE & BREWSTER give notice to the Dealers in Dry Goods, that they have removed their Warehouse for Printed Calicoes exclusively, from Pearl to 44 Cedar street. By confining their attention to Prints only, L. & B. are enabled to exhibit an assortment far surpassing any ever before offered in America—and to sell at prices as low, and generally lower, than houses whose attention is divided among a large variety of articles.

The Stock consists of *several thousands of Patterns and Colorings*, embracing every variety of

American and Foreign Prints

in market—many styles of which are got up exclusively for their own sales, and cannot be had elsewhere, except in second hands.

Dealers in Prints will find it for their interest to examine this Stock before making their purchases—they will have the advantage of learning the lowest market prices—and comparing all the desirable styles in market side by side.

Catalogues of Prices, corrected with every variation of the Market, are placed in the hands of buyers.

The last offer, & no mistake!
To be Sold without reserve,
THIS TIME!

THE Undersigned will sell *positively, without reserve*, on Monday, the 17th of November, (being the Monday of Wake County Court,) that valuable Property in the City of Raleigh, known as SMITH'S BRICK BUILDING.

It is situated on Fayetteville Street, at the corner of that Street and Hargett, and is nearly 60 feet square and 60 feet high, forming two of the best tenements in Raleigh for any kind of business. It has a Passage of 8 feet through the centre, from one end to the other, upon each floor, so that every Room in the House may be approached without having to pass through one into another. Beside the passage, on the ground floor, two elegant Store Rooms have been constructed in the very best style and at great expense; underneath are two fine dry Cellars. The 2d and 3d Stories are divided by passages into 2 elegant Tenements designed for Family residences—one having 4, and the other 3 airy and commodious Rooms; and in the rear of this building, there is a new Kitchen and other Out Houses.

This valuable Building is covered with Tin, and is one of the best, most convenient and elegant establishments in the State, and being in the heart of the City, with a slight alteration, might be converted into a splendid Hotel. It cost in its erection, together with the ground, the sum of $14,700.
