Sherwood's Vibratory MAGNETIC MACHINE.

THE VIBRATORY MOVEMENT recently substituted for the Rotary, in this Machine, by the subscriber, endows it with an extraordinary superiority over every form in which it has been constructed. It is compactly fitted together with its battery, wires, and other appliances, in neat mahogany cases, of several sizes and powers, at \$10, (two sizes) \$12, \$14 and \$16 each; and forwarded, in order, to any part of the Union, the Canada, West Indies or South America.

Each case is accompanied with a Manual (7th edition), pp. 224, 32mo—containing a complete Manual of the Practice of Medicine, with a very full Glossary—giving precise and ample directions for the use of the instrument in the various diseases to which it is applicable, and which are found, by the successful practice of hundreds of operations, to include the most prevalent, as well as the most peculiar and obstinate, that are known to the medical profession; with the proper Medicines for each case.

Worms--Worms--Worms!!

To remove these troublesome and dangerous inhabitants of the stomach and bowels, which so often impair the health and destroy the lives of children, use Jayne's Tonic Vermifuge, certain and safe preparation for the removal of the various kinds of Worms, Dyspepsia, Sour Stomach, Want of Appetite, Infantile Fever and Ague, and Debility of the Stomach and Bowels, and general Digestion. Prepared only by Dr. D. Jayne, No. 8, South Third Street, Philadelphia.

SKIN DISEASES

ARE often owing to a Scrofulous Habit of the system, in order to effect a permanent cure, the origin of the cause must be removed.

Jayne's Life Preservative, one of the most successful remedies ever offered to the public, has been found not only to cure Scrofula, under its multiplied forms of Cancer, King's Evil, Goitre, White Swellings, &c. but also to remove the disposition of tendency to discharges of that class, and all diseases originating from obstructions in the glands or pores of the skin, or from impurity of the blood or other fluids of the body. Prepared only by Dr. D. Jayne, No. 8, South Third Street, Philadelphia.

IMPORTANT--ASTHMA CURED!

PUTNAM, Ohio, May 18, 1841.

Dr. D. Jayne--Dear Sir--Doctor Helme has used some eight or ten bottles of your EXpectorant, and has found decided benefit. His health is better than for several years past, and his appearance indicates decided improvement in health. His confidence in your medicine has induced him to recommend it to his friends, and we are informed that many of them have been cured, and others greatly relieved.

POTTS & GRAHAM.

WATERBURY, N. Y. Oct. 20, 1841.

Dr. D. Jayne--Dear Sir--Your Hair Tonic is an excellent article. Many respectable persons at our office certify in favor of your EXpectorant. I believe your medicines are the best preparation that have ever been offered to the public, for the relief of the afflicted, and for the cure of the diseases for which they were intended.

Your EXpectorant I think will soon be as extensively popular. Yours, &c. A. BRIDGEMAN.

The following is from a PHYSICIAN and a much respected CLERGYMAN of the METHODIST Society, dated Modest Town, Va. Aug. 27, 1840.

Dr. Jayne--Dear Sir--I have been using your EXpectorant extensively in my practice for 13 or 14 years, and for all attacks of Colds, Coughs, Inflammation of the Lungs, Consumption, Asthma, Pains and Weakness of the Breast, it is decided by the best medicine I have ever tried.

Very respectfully yours,
R. W. WILLIAMS, M. D.

Asthma cured by Dr. Jayne's EXpectorant.

MISS MAE CARROLL, of New Haven, Fayette county, has been cured of Asthma, of more than eighteen years continuance, by the use of Dr. JAYNE'S EXpectorant. She commenced taking the medicine last summer, and after using eleven bottles, was entirely rid of this distressing disease. We are assured of this cure by a lady of undoubted veracity, and requested to make it put for the benefit of others.

Mount Pleasant (Pa.) Register.

JAYNE'S EXpectorant.

We esteem it a pleasure to be able to recommend this medicine as the best calculated for the purpose of curing coughs, colds, sore throat, asthma, and all affections of the lungs. From a long personal acquaintance with Dr. Jayne, we know that he is no quack, and his medicines are not composed of the modern quackery, but are the result of his long experience as a practicing physician, and the experience of great labor--Harford (Conn.) Daily Register.

New York, March 10th, 1841.

Dr. Jayne--Dear Sir--Being severely afflicted with BRONCHITIS--a hard Cough and ASTHMA--and finding every means fail of relieving me, I was induced to try your EXpectorant, and by using two bottles, I was cured. I would not be without your EXpectorant, I was restored to perfect health.

Respectfully yours,
JOHN ELLIS, L.A.C.
Pastor of the Baptist Church, Stamford, Ct.

From the Rev. John Segur.

LANCASTERSHIRE, N. J. April 27th, 1839.

Dr. Jayne--Dear Sir--By the blessing of God your EXpectorant has effected a cure in me of a most distressing complaint. In December last, I was seized with a great severity by a paroxysm of asthma; a disease with which I had been afflicted for many years past. It was attended with a weakness and soreness of the lungs and throat, together with a laborious cough, and complete prostration of strength, and when almost worn out with suffering, a bottle of your EXpectorant was sent to me. At first I thought it was nothing but quackery, but seeing it so highly recommended by Dr. Goings, with whom I was well acquainted, I was induced to try it, and in a few days it completely cured me, nor have I ever had any return of the disease since. I have now formed so high an opinion of your medicine, that if I had but a few bottles of it, and could obtain no more, I would not part with them for ten dollars.

Yours, most affectionately,
JOHN SAUNDERS.

JAYNE'S HAIR TONIC.

The efficacy of this elegant preparation in restoring the growth of the hair in bald places, is truly wonderful. Where the hair has been worn off from the top of the head, by the careless practice of carrying rings in the crown of the hat it is generally considered difficult, if not impossible, to restore it; but it is found by numerous examples that the Hair Tonic reaches these cases very promptly, and effects a complete cure. Every gentleman--(we say nothing of the ladies, it being a fair presumption that their hair is always in full luxuriance, at least it always seems so)--every gentleman who finds his hair growing too thin, or becoming loose, should place a bottle of Jayne's Hair Tonic in his dressing case, and apply it with a few drops of the hair-brush, or comb, daily. The result will be a full, strong, and healthy head of hair. The cases that have fallen under our observation warrant us fully in asserting this.
