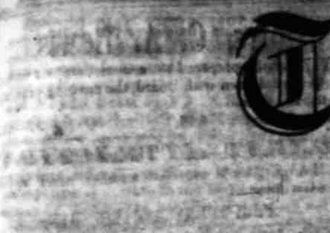
Sherwood's Vibratory
MAGNETIC MACHINE.



THE VIBRATORY MOVEMENT recently substituted for the Rotary, in this Machine, by the subscriber, endows it with an extraordinary superiority over every form in which it has been constructed. It is compactly fitted together with its battery, wires, and other appliances, in neat mahogany cases, of several sizes and powers, at $10, (two sizes) $12, $14 and $16 each; and forwarded, to order, to any part of the Union, the Canadas, West Indies or South America.

Each case is accompanied with a Manual (7th edition, pp. 224, 32mo)—including a complete Manual of the Practice of Medicine, with a very full Glossary—giving clear and ample directions for the use of the instrument in the various diseases to which it is applicable, and which are found, by the successful practice of hundreds of operators, to include the most prevalent, as well as the most peculiar and obstinate, that are known to the medical profession; with the proper Medicines for each case.

Raleigh & Gaston Rail Road

FOR SALE.

ON Monday, the 29th day of December next, by virtue of a Decree of the Court of Equity, for Wake County, at its Autumn Session, 1845, in a suit of the Governor, for use of the State of North Carolina, to foreclose a Mortgage, theretofore executed by the Raleigh and Gaston Rail Road Company, to indemnify the State against certain liabilities for said Company, I will sell at Public Auction, at the Court House door in the City of Raleigh, to the highest bidder, the whole property of the Raleigh and Gaston Rail Road Company aforesaid, (so far as the same is known to me,) consisting of 87 miles of Rail Road, reaching from the City of Raleigh to Gaston, on the North side of the Roanoke River, in the direct line of public conveyance to Petersburg, City Point, Richmond, Washington City, Baltimore, &c. &c., together with all Bridges, Depots, Workshops and Tools, Warehouses, Water Stations, Engines, Cars, &c. &c. Also, the stock of Iron, Lumber, and Fire Wood, which may then be on hand, and all other articles, owned and used by said Company for keeping up said Rail Road, and transportation on the same. From the nature of the property, it will be sold *en masse*.

The purchasers, by the terms of the Decree, and the Act of the Legislature in relation to it, will become, *ipso facto*, a body corporate, by the name and style of the present Company, and will acquire all the franchises, privileges, rights and immunities now possessed by it, for the term of 80 years, which its Charter has yet to run. These franchises and privileges are of the most advantageous kind to the Company, and may be found at large in their Charter, contained in the 2d Volume of the Revised Statutes of North Carolina, page 299, which is to be seen at the Seats of Government, and in most of the Public Libraries of the States of the Union.

The whole purchase money must bear interest, at the rate of 6 *per cent.* per annum, from the day of sale, and be paid as follows to wit: $25,000 at the end of six months, and the residue in four instalments, at intervals of ten months each—say

1st, 29th June, 1846, $25,000.
2nd, 29th April, 1847, one fourth of he remainder.
3d, 29th February 1848, one fourth of do.
4th, the 29th of December, 1848, one fourth of do.
5th, the 29th of October, 1849, one fourth of do.

The cost of this Rail Road and its appurtenances, completed only five years since, was $1,500,000—one half of which was borrowed; creating a debt bearing interest, on failure to pay which, a sale has become necessary. The grading, Bridges, Depots, &c. are executed in an excellent style of workmanship. Cars run daily over it, carrying the Mail of the United States, (it being a part of the Southern Metropolitan route,) at a compensation of $100 per mile, or $8,700 per annum. And, traversing a fertile region of country through nearly its whole length, its freights for the transportation of Produce and Merchandize, independently of the receipts from Passengers, afford a considerable addition to the ordinary sources of profits on Rail Roads. Though not, now, yielding a profit on the large sum expended in its construction, its income has been increasing for some time past, and it is confidently believed that it would produce a reasonable return upon a more moderate amount of capital invested in its purchase.

The Sale will be made *without reserve*, at the time and place aforesaid, at which those inclined to purchase, are respectfully invited to attend.

The purchase money must be secured by bond with approved sureties. The title will be retained as a further surety until the payment of the purchase money, but possession given immediately.

CHARLES L. HINTON,
Public Treasurer of the State of North Carolina, and Special Commissioner of the Court of Equity, in this cause.

The above Goods were not bought altogether for cash, therefore we want to sell them as quick as possible, and to make it an inducement for customers to purchase, will do now what we have done for two years—sell cheap, and that without compulsion. We spent quite as much time in New York as any body in our line—we think we bought our Goods as cheap at all events, we hazard nothing in saying we will sell as cheap, and that is all the customer cares for at last. Recollect that Oliver & Procter reduced the prices to what they now are. If you get your clothing cheaper, you are indebted to them for it. Without disparaging others, we think we can supply a suit equal in all respects to any House in the United States, and at as cheap a rate—quality of the goods considered. We avail ourselves of the present opportunity to return our sincere acknowledgments to our numerous friends and customers, for the patronage uniformly received by us since our commencement in business. Their kindness has greatly exceeded our merit, but we trust, by strictly attending to our business, and endeavoring promptly to fulfil our engagements, to have its continuance.

We receive every two weeks, through our New York correspondent, the latest Paris, London, and New York Fashions. Persons furnishing their own goods, will have them made up with the same neatness and despatch as though we supplied the article entire.
