### Twenty Dollars Reward.

RANAWAY from the Subscriber, residing at Pittsylvania Court House, Virginia, on the night of the 31st day of December, 1845, a likely negro man, slave, by the name of WILEY.  
The said negro slave was purchased by me, a short time since, from Atlas Rush, of Montgomery County, North Carolina, on his return with the said slave from Fincastle, Virginia, at which place he had been apprehended, on his way to Ohio with free papers.—The said WILEY is black, about five feet 11 inches high, between 24 and 25 years of age, and weighs about 200 pounds; is very likely and well formed. He made his escape on a large bob tail bay Mare, saddle and bridle, which he also took from me, with a large green blanket under the saddle. Had on when he left, a checked roundabout, somewhat greyish pantaloons, yarn, and a cap, and carried with him also, a grey horsepan coat; is supposed to have passed through Danville, Virginia, and is no doubt making his way through Greensborough, N. C. to the neighborhood of Mr. Rush, where he formerly lived, with the view of procuring another set of free papers, and for the purpose of having an interview with his wife, whom he expressed, a few days before his departure, a great wish to see.  
For the apprehension of the said slave, and his recapture in Jail, so that I get him again, I will pay the above reward of Twenty Dollars, and a reasonable compensation to any one who will secure, and take care of the mare, bridle and saddle, or either of them, until I can get them.

### GREAT BARGAINS!!

LARGE STOCK OF DRY GOODS AND GROCERIES.  
Selling off at Cost!!!  
THE firm of Russell & Cooke having been dissolved, and their remaining stock of Goods having passed into the hands of Mr. Russell, one of the late firm, who is determined to close the business as speedily as practicable, the whole stock, comprising an extensive assortment of  
DRY GOODS AND GROCERIES  
of excellent quality, is now offered for sale at cost. Goods of almost every description suitable to this market may be had so cheap, that a better opportunity can never occur for all to supply themselves who will call soon.  
The public are assured that this offer to sell at cost is made in good faith, and will be strictly adhered to. They will also find the goods of the best quality, fashionable, sound, and substantial, of a kind made for use, not merely to sell.  
All may be suited, as there are on hand many articles of the finest quality as well as a large assortment of the coarser and more substantial kinds.  
All are invited to call and examine and judge for themselves; those who have the keenest taste for CHEAPNESS, will doubtless be satisfied.  
Those who do not act at present, will  
SAVE  
by buying now and laying up for the future.  
Let it be remembered that no one will sell Goods in a regular business without a profit, by which they can live; that no one will sacrifice goods at less than cost without compulsion; and that cost is as about as cheap as most merchants can afford to sell and most people would wish to buy.  
GEORGE T. COOKE, Agent,  
Raleigh, Jan. 11, 1846. 5-tf

THE Subscribers having purchased the right of making and vending Dr. ROBERT THOMPSON'S Pelvic Corset and Abdominal Bandage for the prevention and cure of Protrusion Uteri, Hernia, &c., in the Counties of Wake, Franklin, Granville, Chatham, Orange, Johnston, and Cumberland, respectfully present them to the notice of the Medical profession as possessing superior advantages over every other kind of instrument for the same purpose.  
These instruments are constructed upon scientific principles, and to any one acquainted with the female system and with the diseases which are sought to be relieved, the utility of the instrument will be apparent—they have the unqualified approbation of the Medical Faculty in all parts of the Country where they have been introduced.

### To the Friends of the Insane.

THE Directors of the VIRGINIA LUNATIC ASYLUM, at Williamsburg, would inform the Public of the Southern States, that by a recent Law of the Legislature, they are empowered to receive Insane Patients, paying board, from other States.—This is the oldest institution of the kind in the Union, having been founded by the Colonial Government in 1769; and in its location, best adapted for Southerners, being removed from the piercing cold of the North, and from the enervating heat of the South. Its curative capacity is of the highest order. Nine out of ten cases, recover, if received within the first six months of the disease. It is easy of access, as Steamers daily stop at a Wharf, not far from the Asylum.  
The medical treatment, upon the non-restraint System, is successful operation. The apartments are suitably classified, according to their degree of mind, and also a complete division of the classes of society. The fare is excellent, and the board \$4 per week. We have best bed-rooms, a Parlour tastefully furnished with Carpets, Carpet, Sofa, Centre-table, Ottomans, Mirrors, Books and a Piano; airy Verandah for Summer retreats; an extensive clochouse for evening rambles; a Carriage for morning and evening rides; a Reading Room, furnished with Books and Newspapers; and, moreover, various means of amusement. A Chaplain resides in the building, and preaches to the Patients every Sabbath.  
Letters of inquiry, should be directed to Dr. JOHN M. GALT, Physician, and Superintendent of the Eastern Asylum, Williamsburg, Virginia.
