A pensable when they knew its power and value and which has heretofore been sold too high to reach all classes, has now been reduced in price, with a view that rich and poor, high and low, and in fact every human being may enjoy its comforts ; and all who get it shall have the price returned to them if they are not delighted with its use. We assert without the possibility of contradiction, that all Burns and Scalds, every External Sore, old or fresh, and all external pains and aches, no matter where, shall be reduced to comfort by it in five minutes-saving life, limb or scar. No burn can be fatal if this is applied, unless the vitals are destroyed by the accident. It is truly magical to appearance in its effects.
