The United States Hotel, BY JAMES H. BIRCH.
PENNSYLVANIA AVENUE, WASHINGTON, D. C.

THE PROPRIETOR of this elegant and commodious house (of the late firm of Tyler & Birch) takes occasion to re-new to the public his acknowledgments for the liberal encouragement which he has continued to receive. Consulting the comfort of his guests as the principle of action, the proprietor assumed the undivided control of the establishment, determined upon sustaining its high reputation to the extent of his experience and exclusive attention. With this view the house will be found at all times adapted to the requisitions of the season. The edifice, constructed upon the modern plan, commands the advantages of light and air in every apartment.
The proprietor would particularly invite the attention of gentlemen, parties, and families visiting the metropolis, to the location of the hotel. Situated convenient to the Capitol and other public buildings, within five minutes walk of the Railroad Depot, and upon the promenade side of the main avenue, the advantages of the house in this particular, whether for business or for recreation, are apparent. In addition to this, with a table well supplied with the good things of the season, with a corps of disciplined and obliging servants, and moderate charges, the undersigned is assured of sustaining his house from the eminently flattering and extensive list of its customers.

JAYNE'S EXpectorant.
Mr. Ebenezer Webster, of Providence, (R. I.) was cured of a severe ASTHMA by using five bottles.
Rev. Simeon Siegfried was cured of Influenza, a Hoarseness, and a hard dry Cough, by one bottle.
Rev. Dr. Babcock, of Poughkeepsie, says, that knowing Dr. Jayne to be a regular Physician, and that having used his medicines personally and in his family, does not hesitate to commend them as safe and eminently useful medicines, and a valuable addition to our Materia Medica.
Rev. John Segur, of Lambertville, New Jersey, who was suffering with a hoarseness and soreness of the lungs and throat, and a suffocating Asthma, was cured by one bottle.

Rev. Jonathan Going, D. D. Professor of Granville College, Ohio, says, "He was laboring under a severe COLD, COUGH and HOARSNESS, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using this Expectorant." Mrs. Dilks, of Salem, N. J. was cured of Asthma of 20 years' standing, by using two bottles of this medicine. Mrs. Ward, also, of Salem, was cured of the same complaint, by five bottles.

JAYNE'S HAIR TONIC.
We know Dr. Quigley personally, and there is no man in the country whose opinion is entitled to more respect. He is on all subjects honest and sincere, and his high character as a Physician can be attested by the first medical men in the city.—Philadelphia, Shepherd's Town, Va., Oct. 10, 1843.
Dear Sir.—You inquire of me whether I have used your Hair Tonic, and with what effect.
Several years ago my hair began to fall rapidly from the scalp, and I had the prospect of premature baldness. At length a friend recommended your Hair Tonic. I used three or four bottles, according to the printed directions, and at the end of six months, my hair was thick set, and since, its tendency to turn grey was arrested.
I have never before given a certificate, recommending patent medicines, which indiscriminately used, as they often are, do much injury; but in a case like the present, where I know the article to be beneficial, and that it can do no harm, I have no scruples in stating facts within my own knowledge.
Yours, &c. JOHN QUIGLEY, M. D.
Dr. D. JAYNE, Philadelphia.
