NOTICE TO TEACHERS.
The Trustees of the Ridgeway Academy in Warren County, North Carolina, desire to employ a competent gentleman to take charge of this Institution. The tuition fees here for the last two years yielded to the incumbent about \$600—and that amount may, it is thought, reasonably be expected to one who would apply himself diligently to his duties. It will, however, be required that the Teacher shall take the School on his own responsibility. The location is healthy, and the neighborhood moral. Proposals for the Situation are invited between this time and the 12th June, when the meeting of the Board of Trustees will be held. Communications will be addressed to the Subscriber, at Ridgeway Post Office.

The United States Hotel,

BY JAMES H. BIRCH.
Pennsylvania Avenue, Washington, D. C.
THE PROPRIETOR of this elegant and commodious house (of the late firm of Tyler & Birch) takes occasion to re-new to the public his acknowledgments for the liberal encouragement which he has continued to receive. Consulting the comfort of his guests as the principle of action, the proprietor assumed the undivided control of the establishment, determined upon sustaining its high reputation to the extent of his experience and exclusive attention. With this view the house will be found at all times adapted to the requirements of the seasons. The edifice, constructed upon the modern plan, commands the advantages of light and air in every apartment.
The proprietor would particularly invite the attention of gentlemen, parties, and families visiting the metropolis, to the location of the hotel. Situated convenient to the Capitol and other public buildings, within five minutes walk of the Railroad Depot, and upon the promenade side of the main avenue, the advantages of the house in this particular, whether for business or for recreation, are apparent. In addition to this, with a table well supplied with the good things of the season, with a corps of disciplined and obliging servants, and moderate charges, the undersigned is assured of sustaining his house from the eminently flattering and extensive list of his customers.

JAYNE'S EXPECTORANT.

Mr. Ebenezer Webster, of Providence, (R. I.) was cured of a severe ASTHMA by using five bottles. Rev. Dr. Babcock, of Poughkeepsie, says, that knowing Dr Jayne to be a regular Physician, and having used his medicines personally and in his family, does not hesitate to commend them as safe and eminently useful medicines, and a valuable addition to our Materia Medica.
Rev. John Segor, of Lambertville, New Jersey, who was suffering with a hoarseness and soreness of the lungs and throat, and a suffocating Asthma, was cured by one bottle.
Mr. J. L. Simpkins says that it cured his wife of CONSUMPTION, and one of his children of HOOPERS COUGH.
Rev. Jonathan Going, D. D., Professor of Granville College, Ohio, says, "He was laboring under a severe COLD, COUGH and HOARSENESS, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using this Expectorant." Mrs. Dilks, of Salem, N. J. was cured of Asthma of 20 years' standing, by using two bottles of this medicine. Mrs. Ward, also, of Salem, was cured of the same complaint, by five bottles.
JAYNE'S HAIR TONIC.
We know Dr. Quigley personally, and there is no man in the country whose opinion is entitled to more respect. He is on all subjects honest and sincere, and his high character as a Physician can be attested by the first medical men in the city.—*Phaëdon Sun.*
Shepherd's Town, Va., Oct. 10, 1843.
Dear Sir,—You inquire of me whether I have used your Hair Tonic, and with what effect.
Several years ago my hair began to fall rapidly from the scalp, and I had the prospect of premature baldness. At length a friend recommended your Hair Tonic. I used three or four bottles, according to the printed directions, and at the end of six months, my hair was thick set, and since, its tendency to turn gray was arrested.
I have never before given a certificate, recommending patent medicines, which indiscriminately used, as they often are, do much injury; but in a case like the present, where I know the article to be beneficial, and that it can do no harm, I have no scruples in stating facts within my own knowledge.
Yours, &c. JOHN QUIGLEY, M. D.
Dr. D. JAYNE, Philadelphia.

A FACT WORTH KNOWING.

A gentleman of a scrupulous habit, became affected with Ulceration of the Nose, and a disagreeable and troublesome disease of the skin. Indeed his whole system bore the marks of being saturated with disease. One hand and wrist were so much affected that he had lost the use of the hand, every part being covered with deep, painful, and offensive Ulcers, and his hand and wrist were so hot and painful as to be intolerable. It was at this low and perilous juncture, when death appeared inevitable from a loathsome disease, that he commenced the use of JAYNE'S ALTERNATIVE, and having taken 16 bottles, is now PERFECTLY CURED.—*PUB. LEDGER.*
This ALTERNATIVE operates through the circulation and purifies the blood and eradicates diseases from the system, wherever located; and the numerous cures it has performed in diseases of the Skin, Cancer, Scrofula, Goutre, Liver Complaint, Dyspepsia, and other Chronic diseases, is truly astonishing.
Prepared only by Dr. D. JAYNE, No. 8 South Third Street, Philadelphia.

DOES NOT REASON AND COMMON SENSE teach us that EXPECTORATION is the most NATURAL as well as the most EFFECTUAL AGENT in arresting and curing PULMONARY DISEASES?
Reason says YES, because
OBSTRUCTION
is either immediately or remotely the cause of Catarrhal Fevers, producing Croup, Consumption, and Abscesses of the Lungs, Pain and Soreness of the Throat, Breast, Sides, or Shoulders—Bronchitis, exciting mucous and purulent secretions, thereby clogging up the lungs, so as to more or less impede both respiration and the free circulation of the blood, causing the difficulty of Breathing, and
ASTHMA.
Pleurisy, Hoarseness and Loss of Voice, Dropsy of the Heart and Chest, Rupture of Blood Vessels and Bleeding from Throat and Lungs, and
SPITTING OF BLOOD.
To remove this Obstruction, from which all these alarming and dangerous diseases originate, and to produce a radical cure, nothing has ever been found equal to JAYNE'S EXPECTORANT.
It stands unrivalled—it stands pre-eminent—TRY IT, and you will acknowledge that its virtues HAVE NOT, NOR CAN BE OVERSTATED; that it stands far above and beyond the reach of competition; that it is the only reasonable, the only natural and the only truly successful method of arresting and curing diseases of the Pulmonary Organ.
Prepared only by Dr. D. Jayne, No. 8 South Third street, Philadelphia, and for sale by
Williams, Haywood & Co., Agents, Raleigh.

PAIN EXTRACTOR.

FROM TWO TO EIGHT TIMES CHEAPER THAN BEFORE, OR NOTHING IF THE USER IS NOT DELIGHTED WITH IT.
AN article that every family must consider indispensable when they know its power and value and which has heretofore been sold too high to reach all classes, has now been reduced in price, with a view that rich and poor, high and low, and in fact every human being may enjoy its comforts; and all who get it shall have the price returned to them if they are not delighted with its use. We assert without the possibility of contradiction, that all Burns and Scalds, every External Sore, old or fresh, and all external pains and aches, no matter where, shall be reduced to comfort by it in five minutes—saving life, limb or sense. No harm can be fatal if this is applied, unless the vitals are destroyed by the accident. It is truly magical to appearance in its effects. Enquire for "Connell's Magical Pain Extractor Salve," at Comstock and Co's, 21 Courtland Street, New York. Price 25 cents or four times as much for 50 cents, and near ten times as much for a Dollar.
CAUTION.—Be sure and get Connell's, as counterfeits and worthless appear under other names. See that it is direct from Comstock & Co, or never touch it.

Extract of Sarsaparilla.
Superior quality at half-price for the cure of **SCROFULA**, Chronic Rheumatism, General Debility, Catarrhs of the Bladder, Scaly Eruptions of the skin, Tetter, Pimples or Pusules on the Face, Mercurial and Syphilitic Diseases, Bites from an impure habit of Body, Ulcerations of the Throat and Leg Pains and Swellings of the Bones, Liver Affections, and all Diseases arising from an impure state of the Blood. Exposures and imprudences in life, excessive use of Mercury, &c.
The great popularity of Sarsaparilla, and its established efficacy, renders it superfluous to enter into any encomium of its virtues or adduce any evidence in its favor.
The Sarsaparilla is warranted positively as good as any other that can be made at One Dollar, at just half the price of those so much advertised, and as strong and in as large bottles, viz: **FIFTY CENTS PER BOTTLE, OR FIVE DOLLARS PER DOZEN.**
This article has cured Scrofula of 30 years, after the Dollar articles had been used in vain.
To be had in New York only at 21, Courtland Street.
For sale at the following places: P. F. Pescud, Raleigh; B. E. Cook, Warrenton; W. C. Andrews, Henderson; P. J. Brown, Louisburg; G. Howard, Tarboro'; W. H. Wesson, Gaston; and by one Merchant in every place in the United States.
