NOTICE TO TEACHERS.
THE Trustees of the Ridgeway Academy in Warren County, North Carolina, desire to employ a competent gentleman to take charge of this Institution. The tuition fees have for the last two years yielded to the incumbent about \$600—and that amount may, it is thought, reasonably be expected to one who would apply himself diligently to his duties. It will, however, be required that the Teacher shall take the School on his own responsibility.

The United States Hotel,

BY JAMES H. BIRCH.

Pennsylvania Avenue, Washington, D. C. THE PROPRIETOR of this elegant and commodious house (of the late firm of Tyler & Birch) takes occasion to re-new to the public his acknowledgments for the liberal encouragement which he has continued to receive. Consulting the comfort of his guests as the principle of action, the proprietor assumed the undivided control of the establishment, determined upon sustaining its high reputation to the extent of his experience and exclusive attention. With this view the house will be found at all times adapted to the requirements of the seasons.

The proprietor would particularly invite the attention of gentlemen, parties, and families visiting the metropolis, to the location of the hotel. Situate convenient to the Capitol and other public buildings, within five minutes walk of the Railroad Depot, and upon the promenade side of the main avenue, the advantages of the house in this particular, whether for business or for recreation, are apparent. In addition to this, with a table well supplied with the good things of the season, with a corps of disciplined and obliging servants, and moderate charges, the undersigned is assured of sustaining his house from the eminently flattering and extensive list of its customers. JAMES H. BIRCH. April 16, 1846. 32-2aw6w

JAYNE'S EXPECTORANT.

Mr. Ebenezer Webster, of Providence, (R. I.) was cured of a severe ASTHMA by using five bottles. Rev. Simeon Siegfried was cured of Influenza, a Hoarseness, and a hard dry Cough, by one bottle. Rev. Dr. Babcock, of Poughkeepsie, says, that knowing Dr. Jayne to be a regular Physician, and having used his medicine personally and in his family, does not hesitate to commend them as safe and eminently useful medicines, and a valuable addition to our Materia Medica.

Rev. John Segur, of Lambertville, New Jersey, who was suffering with hoarseness and soreness of the lungs and throat, and a suffocating Asthma, was cured by one bottle. Mr. J. L. Simpkins says that it cured his wife of CONSUMPTION, and one of his children of HOOPING COUGH.

Rev. Jonathan Going, D. D., Professor of Granville College, Ohio, says, "He was laboring under a severe COLD, COUGH and HOARSNESS, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, was perfectly cured by using this Expectorant." Mrs. Dilks, of Salem, N. J. was cured of Asthma of 20 years' standing, by using two bottles of this medicine. Mrs. Ward, also, of Salem, was cured of the same complaint, by five bottles.

JAYNE'S HAIR TONIC.

We know Dr. Quigley personally, and there is no man in the country whose opinion is entitled to more respect. He is on all subjects honest and sincere, and his high character as a Physician can be attested by the first medical men in the City.—Philadelphia, Shepherd's Town, Va., Oct. 10, 1843.

Dear Sir.—You inquire of me whether I have used your Hair Tonic, and with what effect. Several years ago my hair began to fall rapidly from the scalp, and I had the prospect of premature baldness. At length a friend recommended your Hair Tonic. I used three or four bottles, according to the printed directions, and at the end of six months, my hair was thick set, and since, its tendency to turn grey was arrested.

I have never before given a certificate, recommending patent medicines, which indiscriminately used, as they often are, do much injury; but in a case like the present, where I know the article to be beneficial, and that it can do no harm, I have no scruples in stating facts within my own knowledge. Yours, &c. J. W. QUIGLEY, M. D. Dr. D. JAYNE, Philadelphia.

A FACT WORTH KNOWING.
A gentleman of a scrupulous habit, became affected with Ulcerations of the Throat and Nose, and a disagreeable and troublesome disease of the skin. Indeed his whole system bore the marks of being saturated with disease. One hand and wrist were so much affected that he had lost the use of the hand, every part being covered with deep, painful, and of fetid Ulcers, and his land and wrist were as hot, low and porous as a honey comb. It was at this stage of his complaint, when death appeared inevitable from a loathsome disease, that he commenced the use of JAYNE'S ALTERNATIVE, and having taken 16 bottles, he was PERFECTLY cured.—PUB. LENDNER.

This ALTERNATIVE operated through the circulation and purified the blood, and eradicated diseases from the system, wherever located; and the numerous cures it has performed in diseases of the Skin, Cancer, Scrofula, Gout, Liver Complaint, Dyspepsia, and other Chronic diseases, is truly astonishing. Prepared only by Dr. D. JAYNE, No. 8 South Third Street, Philadelphia.

DOES NOT REASON AND COMMON SENSE teach us that EXPECTORATION is the most NATURAL as well as the most EFFECTUAL agent in arresting and curing PULMONARY DISEASES? Reason says yes, because

PAIN EXTRACTOR.

FROM TWO TO EIGHT TIMES CHEAPER THAN BEFORE, OR NOTHING IF THE USER IS NOT DELIGHTED WITH IT.

AN article that every family must consider indispensable when they know its power and value and which has heretofore been sold too high to reach all classes, has now been reduced in price, with a view that rich and poor, high and low, and in fact every human being may enjoy its comforts; and all who get it shall have the price returned to them if they are not delighted with its use. We assert without the possibility of contradiction, that all Burns and Scalds, every External Sore, old or fresh, and all external pains and aches, no matter where, shall be reduced to comfort by it in five minutes—saving life, limb or scar. No burn can be fatal if this is applied, unless the vitals are destroyed by the accident. It is truly magical to appearance in its effects. Enquire for "Connell's Magical Pain Extractor Salve," at Comstock and Co's, 21 Courtland Street, New York. Price 25 cents or four times as much for 50 cents, and near ten times as much for a Dollar.

CAUTION.—Be sure and get Connell's, as counterfeits and worthless appear under other names. See that it is direct from Comstock & Co., or never touch it. For sale at the following places: P. F. Pescud, Raleigh; B. E. Cook, Warrenton; W. C. Andrews, Henderson; P. J. Brown, Louisburg; G. Howard, Tarboro'; W. H. Wesson, Gaston; and by one Merchant in every place in the United States.
