Raleigh, June 1, 1846. 44—1f

By His Excellency WILLIAM A. GRAHAM, Captain General, and Commander in Chief of the Militia of the State of North Carolina:

A PROCLAMATION!
WHEREAS, under the provisions of the Act of Congress, entitled an "Act providing for the prosecution of the existing War between the United States and the Republic of Mexico," approved the 13th of May, instant, the President of the United States hath made a requisition on the State of North Carolina, for one Regiment of Infantry Volunteers, to be "enrolled and held in readiness for muster into service of the United States," the said Regiment to comprise 10 Companies, each consisting of

- 1 Captain,
- 1 First Lieutenant,
- 1 Second Lieutenant,
- 4 Sergeants,
- 4 Corporals,
- 2 Musicians, and
- 64 Privates.

And being fully assured that the Citizen Soldiers of the State are ready to meet this call to patriotic duty with promptness and alacrity, I do hereby enroll and solicit that 10 Companies of Volunteers, each of the number and with the Officers aforesaid, be as soon as practicable, formed and enrolled, to the end that they may be returned to the Secretary of War, as ready to be mustered into the service of the United States. No Private or Non-Commissioned Officer can be received, "who is apparently over 45 or under 18 years of age, and who is not in physical strength and vigor." Every Company, when the requisite number is enrolled, will be entitled to elect the Company Officers—and Field Officers will be appointed for the Regiment by the time of the completion of the enrollment.
As soon as any Company may be completed as above set forth, the Captain thereof will make report to the Adjutant General. If a greater number of Companies, or men, shall be offered, than that required, a selection from those tendered will be made by lot. Early information is desired to be communicated to the Adjutant General of the progress of the enrollment: And all Military Officers in the State will cause this requisition to be made known generally, to those under their command, that all who duly estimate the high honor of their country, and are inclined to rally around her banner in this crisis, may be afforded the opportunity to volunteer their services.
Given under my hand, and attested with the Great Seal of the State of North Carolina, at the City of Raleigh, this 22d of May, A. D. 1846, and of our Independence the 70th.

PAIN EXTRACTOR.

FROM TWO TO EIGHT TIMES CHEAPER THAN BEFORE, OR NOTHING IF THE USER IS NOT DELIGHTED WITH IT.
An article that every family most consider indispensable which has heretofore been sold too high to reach all classes, has now been reduced in price, with a view that rich and poor, high and low, and in fact every human being may enjoy its comforts; and all who are not delighted with its use. We assert without the possibility of contradiction, that all Burns and Scalds, every External Sore, old or fresh, and all external pains and aches, no matter where, shall be reduced to comfort by it in five minutes—saving life, limb or scar. No burn can be fatal if this is applied, unless the vitals are destroyed by the accident. It is truly magical to appearance in its effects. Enquire for "Connel's Magical Pain Extractor Salve," at Comstock and Co's, 21 Courtland Street New York. Price 25 cents or four times as much for 50 cents, and near ten times as much for a Dollar.

CONFESSION—Be sure and get Connel's, as counterfeiters and worthless appear under other names. See that it is direct from Comstock & Co., or never touch it.
