INSURANCE.

THE New York Life, Fire, Marine and Inland State Stock Insurance Company, No. 20 Wall street, (capital 500,000 dollars) are now prepared to insure against loss by fire, the damages of the sea, and inland navigation, also the loss of human life, upon terms equal if not more favorable than those of any other company of this city. Having their business risks divided upon the four different branches of insurance, they avoid the great error of former companies, by having only one-fourth of their interests affected by any calamity, however great, by fire, sea, or casualty fatal to human life, having at all times three-fourths of their business to sustain the one-fourth which may be affected by those disasters which so often ruin those companies whose whole capital is engaged upon either fire, marine, life or inland insurance. Another source of great security adopted by this company is not to take any risk, upon any consideration, for a greater sum than \$5,000, also no two risks adjoining, thereby avoiding the errors which have proved fatal to other companies. This company also, to avoid any disarrangement of the affairs of the insured, pay all losses as soon as satisfactorily arranged, dispensing with the useless delay of sixty days, oftentimes of such serious inconvenience to the insured.
The attention of the mercantile, marine and personal interests is respectfully called to the advantages of this company.

PAIN EXTRACTOR.

FROM TWO TO EIGHT TIMES CHEAPER THAN BEFORE, OR NOTHING IF THE USER IS NOT DELIGHTED WITH IT.

AN article that every family must consider indispensable when they know its power and value and which has heretofore been sold at high to reach all classes, has now been reduced in price, with a view that rich and poor, high and low, and in fact every human being may enjoy its comforts; and all who get it shall have the price returned to them if they are not delighted with its use. We assert without the possibility of contradiction, that all Burns and Scalds, every External Sore, old or fresh, and all external pains and aches, no matter where, shall be reduced to comfort by it in five minutes—saving life, limb or scar. No burn can be fatal if this is applied, unless the vitals are destroyed by the accident. It is truly magical to appearance in its effects. Enquire for "Connell's Magical Pain Extractor Salve," at Comstock and Co's, 21 Courtland Street, New York. Price 25 cents or four times as much for 50 cents, and near ten times as much for a Dollar.
Carrington, Beane and get Connell's, as counterfeits and worthless appear under other names. See that it is direct from Comstock & Co., or never touch it.

TO THE PUBLIC.

THE Public will see, by reference to the columns of the Richmond and Petersburg papers, the notice of the various Lines started by the Richmond and Petersburg, and Richmond and Fredericksburg Rail Roads, (or their Officers), in the vain effort to put down the James River and Chesapeake Bay Line of Steamers.
Not content with their Regular Line, via Washington City, they have put a Boat on the James River, (the "Cat Head, Pro bono Publico Line.") to cripple us there, and are now about starting another Line, via Fredericksburg Road, to Aquia Creek, thence down the Potomac to the Bay, thence up the Bay to Baltimore; which is entitled to the Soubriquet of the Circumference Route.
If the travelling Public will continue the liberal patronage heretofore given to the James River and Chesapeake Bay Line, these Companies, and their Officers, will find they cannot reach at what they are aiming—a Monopoly.
They will be further taught, that they are the servants of the Public, and not the Public their servants.
The Public will bear in mind, it is the intention of the owners of the James River and Bay Line of Steamers, to run at Fare as low as any Line between the North and South. Wm. M. MOODY, Jr., Office, James River and Bay Line? Gen'l. Ag't. Weldon, N. C. June 11th. 48—1f
