INSURANCE.

THE New York Life, Fire, Marine and Inland State Stock Insurance Company, No. 20 Wall street, (capital \$500,000 dollars) are now prepared to insure against loss by fire, the damages of the sea and inland navigation, also the loss of human life, upon terms equal if not more favorable than those of any other company of this city. Having their business risks divided upon the four different branches of insurance, they avoid the great error of former companies, by having only one-fourth of their interests affected by any calamity, however great, by fire, sea, or casualty fatal to human life, having at all times three-fourths of their business to sustain the one-fourth which may be affected by those disasters which so often ruin those companies whose whole capital is engaged upon either fire, marine, life or inland insurance. Another source of great security adopted by this company is not to take any risk, upon any consideration, for a greater sum than \$5,000, also no two risks adjoining, thereby avoiding the errors which have proved fatal to other companies. This company also, to avoid any disarrangement of the affairs of the insured, pay all losses as soon as satisfactorily arranged, dispensing with the useless delay of sixty days, oftentimes of such serious inconvenience to the insured.
The attention of the mercantile, marine and personal interests is respectfully called to the advantages of this company.
DIRECTORS. William Thomas, Smith Raymond, Thomas Franks, William Hubbert, Peter Rogers, James Van Rensselaer, Charles Livingston, Daniel Perkins, Edward Lawrence, Stephen McIntire, Charles Adams, Thomas Denison, Oliver Hanivants.
By order of the Board of Directors,

HARVEY R. MARKE, Sec'y.

RALEIGH AGENCY.

The Subscriber, having been appointed Agent of the above Company in the City of Raleigh, is authorized to make and effect, in the name, and on account of said Company, Insurance upon Human Life, Buildings and Merchandise, of every description against loss by fire, or casualty fatal to human life, upon favorable terms. Now is the time to insure. It will be seen this Company is perfectly solvent and safe.
