WHY HAVE THE AGUE AND FEVER?
PRICE'S Ague and Fever Balm have never failed, where directions were strictly followed, to effect a cure in from Fifteen to Thirty hours. They are prepared from simple Vegetable Medicines, and are, therefore, the safest, most pleasant, and speediest remedy known, for the cure of Intermittent Fever. They have been tried in "Congestive Chills" of the worst form, and have invariably given relief, and cured the patients. They never affect the brain, or does Quinine; or injure the constitution, as does Arsenic. The money returned in every case of failure, where directions are followed. Price \$1 per box. Plaster, Country Merchants, and Druggists will be supplied at \$8 per dozen boxes. Prepared and sold only by

She is at all times prepared to entertain company in the most generous manner. Her Table is furnished with the best of the market, served up in superior style, and she is determined that there shall be no House superior to her's in the City.
Mrs. L. would also inform the Members of the approaching Legislature, that she will be prepared to accommodate thirty or thirty-five gentlemen of that body with pleasant Rooms and Board during that time.
